Dear Colleague

As you are aware, this Ministry of New and Renewable Energy (MNRE) have recently launched Pradhan Mantri – Kisan Urja Suraksha Evan Utthan Mahaabhiyan (PM-KUSUM) Scheme and Phase-II of Rooftop Solar Programme.

2. Some States have come up with innovative business models while implementing these two newly launched Programmes of MNRE. Further, some stakeholders have sought some clarifications on implementation guidelines for the Rooftop Solar Programme. These innovative business models on PM-KUSUM and Phase-II of Rooftop Solar Programme are given in the Annexure-I and II respectively.

3. The States are requested to come out with their own business models for rolling out of PM-KUSUM and Phase-II of Rooftop Solar Programme by taking a leaf from the practices being adopted by some States. It will help in successful implementation of these two newly launched programmes.

4. This Ministry will be happy to provide any further assistance required in this regard.
