Government of India's revised guidelines in Para 4 (ii) provide that State Governments, may, however, impose stricter measures than these guidelines as per requirement of the local areas.

The additional activities permitted from 20th April 2020 under the guidelines of Government of India in reference 8th read above have been examined by the Government of Telangana with reference to the requirement of the local area. Government of Telangana is of the view that strict lockdown measures that have been implemented in the state since 22nd March 2020 have played an important role in slowing down the spread of COVID 19 in the state. It is, therefore, necessary that stringent measures should continue to be in place to consolidate the containment measures in the state. In view of the above, it is decided that lockdown measures as already in force in Telangana vide references 1st to 6th read above shall apply till 7th May 2020 in the state.
