Sub: - Parallel operation of existing and Upgraded version of WBES

Madam/Sir,

In view of proposed implementation of Real time market (RTM) on pan-India basis from 1st June, 2020 onwards existing Web Based Energy Scheduling (WBES) software is upgraded at RLDCs. Additional features of upgraded WBES is given below: -

1. Integration of Real time Market Schedules.
2. Integration of REMC (Renewable Energy Management Centre) and routing of ISTS connected renewables schedules through REMC leading to single point entry by RE generators
3. Single point entry of interregional LTAs/MTOAs transactions.

Procedure of Inter-Regional LTA/MTOA transactions along with Revised LTA/MTOA approval number and assigned designated utility for mutually agreed requisition data submission in RLDCs WBES is attached as Annexure-I

The upgraded version of WBES has been made available at WRLDC website under the link Upgraded WBES (<http://wbcs.wrlde.in/>) and it may be accessed through Google Chrome browser. User credentials to access the scheduling software is same as that of existing WBES.

In order to get acquainted with the features of upgraded WBES and addressing the teething issues faced by constituents during operation of the software, parallel operation of upgraded WBES with Existing WBES is planned on **28th and 29th May 2020**. During parallel operation, all constituents are requested to submit DC, Requisitions, URS and mutually agreed schedule of LTAs/MTOAs in Upgraded version of WBES in addition to existing WBES as per timeline mentioned in IEGC.

Mock run with Power Exchange is also planned for 28th and 29th May, 2020. RTM test data shall also replicate in the WBES for testing purpose and has no commercial implication.

Upon completion of parallel operation, existing WBES at WRLDC shall be migrated to upgraded version of WBES w.e.f. 0000 Hrs. of 30/05/2020. All day ahead scheduling activity for date 30.05.2020 shall start from 29.05.20 as per timeline mentioned in IEGC.

Thanking You.

Yours faithfully,

(V.K. Shrivastava)
Executive Director, WRLDC
