Introduction
INTRODUCTION

1.0 Ministry of Power (MoP) has issued “Guidelines for Tariff Based Competitive Bidding Process for Procurement of Power from Grid Connected Solar PV Power Projects” vide Gazette Resolution dated 03.08.2017 for long term procurement of electricity by the ‘Procurers’, from grid-connected Solar PV Power Projects, having size of 5 MW and above, through competitive bidding. This RfS document has been prepared in line with the above Guidelines issued by MoP dated 03.08.2017 including its amendments issued thereof, if any.

1.1 NTPC Limited (hereinafter called NTPC) as an Intermediary Procurer, intends to procure solar power up to capacity of 1200 MW through Competitive Bidding Process (conducted online followed by reverse auction). After conclusion of bidding process NTPC shall enter into Power Purchase Agreement (PPA) with the selected Bidders, based on this RfS for purchase of Solar power for a period of 25 years from the Scheduled Commissioning Date of the project based on the terms, conditions and provisions of the RfS and PPA.

1.2 This document is for selection of Solar Power Developers (SPDs) for setting up Grid-connected Solar-PV Power Projects of aggregate capacity of 1200 MW on the land to be identified & arranged by the SPDs near NTPC generating switchyards in Western Region. The solar power produced by the selected SPDs from their respective Solar-PV Power Projects, will be connected to ISTS through the existing NTPC Generating Power Plants Switchyard in Western Region and will be purchased by NTPC and would be sold to the State Utilities/ Discoms/any other Beneficiaries / under flexible generation / through exchanges or any other means.

1.3 The minimum project size will be 50 MW and in multiples of 10 MW thereafter under OPEN category.

1.4 The bidders will be short-listed by the process of e-bidding (Two Stage Bidding Process, Stage I: Technical Bid and Stage II: Financial Bid) to be followed by reverse auction process for selection of bidders. E-bidding is a new methodology for conducting Public Procurement in a transparent and secured manner. For conducting electronic tendering, NTPC Ltd. is using the portal https://www.tcil-india-electronic Tender.com of Telecommunications Consultants India Ltd (TCIL), a Government of India Undertaking. This portal is based on the world’s most ‘secure’ and ‘user friendly’ software from ElectronicTender®. A portal built using Electronic Tender’s software is also referred to as Electronic Tender System® (ETS).
Section 2

Definitions
Definitions

2.0 Definitions

"Act" or "Electricity Act, 2003" shall mean the Electricity Act, 2003 and include any modifications, amendments and substitution from time to time;

“Affiliate” shall mean a Company that, directly or indirectly, Controls, or is controlled by, or is under common control with, a Company developing a Project or a Member in a Consortium developing the Project and control means ownership, directly or indirectly, of more than 50% (fifty percent) of the voting shares of such company or right to appoint majority Directors;

"Applicable Tariff" shall be the quoted Tariff by the selected Project Developers.

“Bidder” shall mean Bidding Company or a Bidding Consortium submitting the Bid. Any reference to the Bidder includes Bidding Company / Bidding Consortium/ Consortium, Member of a Bidding Consortium including its successors, executors and permitted assigns and Lead Member of the Bidding Consortium jointly and severally, as the context may require;

“Bidding Company” shall refer to such single company that has submitted the response in accordance with the provisions of this RfS;

“Bidding Consortium” or “Consortium” shall refer to a group of companies that has collectively submitted the response in accordance with the provisions of this RfS;

“Capacity Utilisation Factor” or “CUF” shall have the same meaning as provided in CERC (Terms and Conditions for Tariff determination from Renewable Energy Sources) Regulations, 2009 as amended from time to time. However for avoidance of any doubt, it is clarified that the CUF shall be calculated on the Capacity at the “Delivery / Inter-connection / Metering Point”; 

“Chartered Accountant” shall mean a person practicing in India or a firm whereof all the partners are practicing in India as Chartered Accountants within the meaning of the Chartered Accountants Act, 1949;

“Company” shall mean a body corporate incorporated in India under the Companies Act, 1956 or the Companies Act, 2013 as applicable;

“Control” The control shall mean holding more than 50% of paid-up share capital;

“Commercial Operation Date” shall mean the date on which the commissioning certificate is issued upon successful commissioning of the full capacity of the Project or the last part capacity of the Project as the case may be.
“CTU or Central Transmission Utility” shall mean the Central Transmission Utility as defined in sub-section (10) of Section 2 of the Electricity Act 2003;

“Financial Closure” shall mean arrangements of necessary funds by the Project Developer either by way of commitments of funds by the company from its internal resources and / or tie up of funds through a bank / financial institution by way of sanction of a loan and fulfilling all requirements mentioned in clause 3.27 of RfS.

“Group Company” of a Company shall mean:

(i) a Company which, directly or indirectly, holds 10% (ten percent) or more of the paid up share capital of the Company or;

(ii) a Company in which the Company, directly or indirectly, holds 10% (ten percent) or more of the paid up share capital of such Company or;

(iii) a Company in which the Company, directly or indirectly, has the power to direct or cause to be directed the management and policies of such Company whether through the ownership of securities or agreement or any other arrangement or otherwise or;

(iv) a Company which, directly or indirectly, has the power to direct or cause to be directed the management and policies of the Company whether through the ownership of securities or agreement or any other arrangement or otherwise or;

(v) a Company which is under common control with the Company, and control means ownership by one Company of at least 10% (ten percent) of the paid up share capital of the other Company or power to direct or cause to be directed the management and policies of such Company whether through the ownership of securities or agreement or any other arrangement or otherwise.

Provided that a financial institution, scheduled bank, foreign institutional investor, non-banking financial Company, and any mutual fund shall not be deemed to be Group Company, and its shareholding and the power to direct or cause to be directed the management and policies of a Company shall not be considered for the purposes of this definition unless it is the Project Company or a Member of the Consortium developing the Project.

“Inter-connection point /Delivery/Metering point”

Shall mean the point at 220 kV or above at the ISTS point of connection at NTPC Generating Switchyard where the power from the Solar Power Project is injected into the Inter State Transmission System (ISTS). Metering shall be done at low voltage bus bar of this interconnection point where the power will be injected into the ISTS i.e. the Delivery point.

The SPD shall abide by the relevant CERC Regulations, Grid Code and Central Electricity Authority (Installation and Operation of Meters) Regulations, 2006 as applicable, amended and revised from time to time.;
“Joint Control” shall refer to a situation where control is equally distributed among the interested parties.

"Paid-up share capital" shall mean such aggregate amount of money credited as paid-up as is equivalent to the amount received as paid up in respect of shares issued and also includes any amount credited as paid up in respect of shares of the company, but does not include any other amount received in respect of such shares, by whatever name called;

Paid-up share capital includes:
Paid-up equity share capital and
Fully, compulsorily and mandatorily convertible Preference shares and
Fully, compulsorily and mandatorily convertible Debentures.

“Lead Member of the Bidding Consortium” or “Lead Member”: There shall be only one Lead Member, having the shareholding more than 50% in the Bidding Consortium and cannot be changed till 1 year of the Commercial Operation Date (COD) of the Project;

“Letter of Intent” or “LOI” shall mean the letter issued by NTPC Ltd (NTPC) to the Selected Bidder for award of the Project.

“Member in a Bidding Consortium” or “Member” shall mean each Company in a Bidding Consortium. In case of a Technology Partner being a member in the Consortium, it has to be a Company.

“Month” shall mean a period of thirty (30) days from (and excluding) the date of the event, where specified, else a calendar month;

“Parent” shall mean a Company, which holds not less than 51% equity either directly or indirectly in the Project Company or a Member in a Consortium developing the Project;

“Part Commissioning” the Project will be considered as part commissioned if all equipment as per acceptable project capacity less than contracted project capacity has been installed and energy has flown into grid;

“Project” shall mean the solar power generation facility of rated Installed Capacity. Project is defined by separate points of injection into the grid at interconnection point/ delivery point/ metering point at CTU substation. Each project must also have separate boundary, control systems and metering. This includes all units and auxiliaries such as water supply, treatment or storage facilities; bay/s for transmission system in the switchyard, and all the other assets, buildings/structures, equipments, plant and machinery, facilities and related assets required for the efficient and economic operation of the power generation facility whether completed or at any
stage of development and construction or intended to be developed and constructed for the purpose of supply of power as per the Power Purchase Agreement;

Notwithstanding above Solar Power Plants at multiple locations with combined dedicated single ISTS connectivity shall be considered as a single project;

“Project Company” shall mean the Company incorporated by the Bidder as per The Companies Act, 1956 or the Companies Act, 2013 as applicable;

“Project Commissioning” the Project will be considered as commissioned if all equipment as per rated project capacity has been installed and energy has flown into grid;

“Project Financing Arrangements” shall mean arrangement of necessary funds by the Project Developer either by way of commitment of funds by the company from internal resources and/or tie up of funds through a bank / financial institution by way of sanction of a loan;

“Project Developer” shall mean Bidding Company or a Bidding Consortium submitting the Bid. Any reference to the Bidder includes Bidding Company / Bidding Consortium / Consortium, Member of a Bidding Consortium including its successors, executors and permitted assigns and Lead Member of the Bidding Consortium jointly and severally, as the context may require”;

Scheduled Commissioning Date shall be 21 months from the Effective Date of PPA for Projects with Capacity less than 250 MW and shall be 24 months from the Effective Date of PPA for Projects with Capacity of 250 MW or more

“Selected Bidder or Successful Bidder” shall mean the Bidder selected pursuant to this RfS to set up the Project and supply electrical output as per the terms of PPA;

“Solar PV Project” shall mean the Solar Photo Voltaic power project that utilises sunlight for direct conversion into electricity through Photo Voltaic technology;

“STU or State Transmission Utility” shall mean the Board or the Government Company notified by the respective State Government under Sub-Section 1 of Section 39 of the Electricity Act 2003;

“Trading Margin” Shall mean margin payable towards the services provided by NTPC for sale of solar power to Discom(s) or any other entity;

“Ultimate Parent” shall mean a company, which owns not less than fifty one percent (51%) of paid up share capital either directly or indirectly in the Parent and Affiliates.
Section 3

Information and Instructions to Bidders
3.0 INFORMATION AND INSTRUCTIONS TO BIDDERS

Note: Interested bidders have to procure the OFFICIAL COPY of RfS & other documents after getting registered with TCIL (Refer Annexure-4). If only free copy of RfS documents are downloaded from TCIL website or RfS documents are downloaded without confirmation or without generating official copy serial number, then the bidders will not be able to submit the bids. For further assistance, please contact TCIL helpdesk at +91 11 26241790.

Transfer of RfS documents downloaded by one intending bidder to another is not permitted.

3.1 Total Capacity Offered

Grid-connected Solar PV Power Projects for aggregate capacity of 1200MW under “OPEN category”.

Selection of Solar Power Developers (SPDs) will be carried out through e-bidding process. The projects will be setup on the land to be identified & arranged by the bidders near NTPC Generating switchyards in Western Region.

The interested Project Developers are required to participate in the Request for Selection (RfS) for installation of Grid-connected Solar Photovoltaic Power Plants on Build-Ow-operate (B-O-O) basis.

3.2 Capacity of each Project

The minimum capacity of each Project shall be 50 MW and in multiples of 10 MW thereafter and the aggregate capacity of solar projects selected through this RfS will be 1200 MW. Project Capacity in MW is the installed Capacity of the Power Project / Maximum Power Output (AC) from the Solar Power Project which can be scheduled at the Delivery Point / Inter-Connection point during any time block of the day. A bidder can offer projects at multiple location subject to each project has minimum capacity of 50 MW. However, Bidder shall quote a single tariff for entire of its projects’ capacity offered.

3.3 Processing Fees

Prospective bidders interested to participate in the bidding process are required to submit their offer on-line on the website https://www.tcil-india-electrontictender.com along with a non-refundable processing fee as mentioned below through Demand Draft in favour of “NTPC Limited” payable at Noida/New Delhi only:
The processing fee is to be submitted offline along with other documents at NTPC office at NOIDA before last date and time of submission of Stage-I (Technical) bids as per clause 3.12.4.1 of this RfS document. In case of annulment of subject RfS/tender, processing fee paid by the bidders shall be refunded to respective bidder after deducting statutory taxes, if applicable.

A bidding Company/Consortium will be eligible to participate in the bidding process only on submission of RfS along with the Processing Fee.

The bidder is required to pay the Processing Fee including applicable GST which is presently applicable @18%.

3.5 **Bidding for Solar Power Projects**

Bidders may submit online response to Request for Selection (RfS) for setting up of Grid-connected Solar PV Projects under this scheme as per the terms & conditions of this RfS.

3.6 **Location of Solar Project**

3.6.1 The Power generated from Solar PV Project(s) to be selected under this RfS will be transmitted to ISTS connectivity through NTPC’s existing generating switchyards in the Western Region. A tentative list of ISTS Connectivity available at NTPC Generating Switchyard in Western Region is enclosed at Annexure-6 to this RfS.

The bidders are free to locate their Solar PV Project(s) on the land to be identified and purchased/leased by the bidder anywhere near the NTPC Generating Switchyards in the Western Region.

3.6.2 The bidder shall indicate the proposed location of the projects at the time of bid submission in Format-6.1. However, the successful bidder shall have option to change the Project location before the Financial Closure as per Clause 3.27 of RfS.

3.7 **Number of Response to RfS by a Company**

3.7.1 The total capacity of Solar PV Projects to be allocated to a Company including its Parent, Affiliate or Ultimate Parent or any Group Company shall be limited to 600MW. However, the bidder shall have to meet the Qualification Requirements for shortlisting of Bids/Projects.

3.7.2 Bidding Company, including its Parent, Affiliate or Ultimate Parent or any Group Company shall submit one single application in the prescribed format detailing all projects for which the bidder is submitting the application. Statement for the same is to be submitted as per Format for Disclosure (Format – 6.8).

3.8 **Qualification Requirements**

The Bidder should be a Company (Bidding Company) or a Consortium of Companies (Bidding Consortium) with one of the Companies acting as the Lead Member of the Bidding Consortium. Short-listing of Bidder for opening of Financial Bid will be based on meeting the Qualification Requirements specified below:

3.8.1 **Companies Eligible for Participation:**

(i) Companies incorporated in India under the Companies Act, 1956 or Companies Act, 2013 as applicable;

(ii) A foreign company can also participate on standalone basis or as a member of consortium at RfS stage. But before signing of PPA, keeping the original
shareholding unchanged it has to form an Indian Company registered under the Companies Act, 1956 or Companies Act, 2013 as applicable;

(iii) A Bidding Consortium (that may/ may not have a foreign company) can participate at RfS stage;

3.8.2 Financial Criteria

(i) Net Worth

The Net Worth of the bidder should be equal to or greater than the value calculated at the rate of Rs.1.00 Crore or equivalent US$ per MW (as per Note 1 below) of the project capacity as on last date of preceding financial year. The computation of Net Worth shall be based on unconsolidated audited annual accounts of the bidder. The networth to be considered for this clause will be the total networth as calculated in accordance with the Companies Act.

(ii) Liquidity:

In order to ascertain that the Bidder has sufficient means to manage the fund requirements for the Project, the Bidder shall be required to demonstrate at least one of the following parameters:

a. A minimum annual turnover of **Rs.50 lakhs/MW** of the quoted capacity during the preceding financial year. It is hereby clarified that “Other Income” as indicated in the annual accounts of the Bidder shall not be considered for arriving at the annual turnover.

b. Internal resource generation capability, in the form of Profit Before Depreciation Interest and Taxes (PBDIT) for a minimum amount of **Rs.10 Lakhs/MW** of the quoted capacity, as on the last date of preceding financial year.

c. In-principle sanction letter from the lending institutions/banks of the Bidder, committing a Line of Credit for a minimum amount of **Rs.12.5 Lakhs/MW** of the quoted capacity, towards meeting the working capital requirement of the project quoted under this RfS. Such letter can also be obtained by the Affiliate(s) of the Bidder.

The net worth and liquidity parameters to be considered for the above purpose will be the cumulative net-worth and liquidity parameters of the Bidding Company or Consortium together with the Net Worth and liquidity parameters of those Affiliates of the Bidder(s) that undertake to contribute the required equity funding and performance bank guarantees in case the Bidder(s) fail to do so in accordance with the RfS.

For the purposes of meeting financial requirements, only unconsolidated audited annual accounts shall be used. However, audited consolidated annual accounts of...
the Bidder may be used for the purpose of financial requirements provided the Bidder has at least twenty six percent (26%) paid up share capital in each Company whose accounts are merged in the audited consolidated account.

In case where audited results for the last financial year as on date of technical bid opening are not available, the financial results certified by a practicing Chartered Accountant shall be considered acceptable. In case the Bidder is not able to submit the Certificate from a practicing Chartered Accountant certifying its financial parameters, the audited result of the financial year preceding the last financial year shall be considered for evaluating financial parameters. Further, a certificate would be required from the CEO/CFO as per the format enclosed at Appendix-A to Format 6.6 in the RfS documents stating that the Financial results of the company are under audit as on technical bid opening date and the Certificate from a practicing Chartered Accountant certifying the financial parameters is not available.

A foreign company can participate on standalone basis or as a member of consortium at RfS stages. In case of foreign company participating on standalone basis and its selection as successful bidder, it has to form an Indian Company registered under the Companies Act, 2013 as its fully owned subsidiary Company (i.e. 100% subsidiary) before signing of PPA. In case a Foreign Company is selected as the successful bidder, it shall comply with all the laws and provisions related to Foreign Direct Investment in India.

In case the foreign company participating as a member of consortium, the clause (iii) as below shall be applicable.

The Bidder may seek qualification on the basis of financial capability of its Parent and / or its Affiliate(s) for the purpose of meeting the Qualification Requirements as per (i) and (ii) above. In case of the Bidder being a Bidding Consortium, any Member may seek qualification on the basis of financial capability of its Affiliate(s). In such cases, the Bidder shall be required to submit Board Resolutions from the Parent Company and/or the Affiliates undertaking to contribute the required equity funding and performance bank guarantees in case the Bidder(s) fail to do so in accordance with the RfS.

**Note 1.** : *For the Qualification Requirements, if data is provided by the Bidder Company in foreign currency, equivalent rupees of Net Worth will be calculated using bills selling exchange rate (card rate) USD / INR of State Bank of India prevailing on the date of closing accounts for the respective financial year as certified by the bidder’s banker. For currency other than USD, bidders shall convert such currency into USD as per exchange rates certified by their banker prevailing on the relevant date and used for such conversion.*
(iii) For Bidding Consortium:

If the response to RfS is submitted by a Consortium the financial requirement as per clause 3.8.2 (i) and (ii) above shall be met individually and collectively by all the Members in the Bidding Consortium. The financial requirement as per clause 3.8.2 (i) and (ii) above to be met by each Member of the Consortium shall be computed in proportion to the equity commitment made by each of them in the Bidding Consortium.

For computation of Net Worth of members, methodology as provided in clause 3.8.2 (i) above shall be followed.

Any Consortium, if selected, shall for the purpose of sale of power to NTPC, incorporate a Project Company with equity participation by the Members in line with Consortium Agreement (to be submitted along with RfS) before signing the PPA with NTPC i.e. the Project Company incorporated shall have the same Shareholding Pattern as given at the time of RfS. This shall not change till the signing of PPA and the Controlling Shareholding (held by the Lead Member holding more than 50% of the voting rights) shall not change from the RfS application date till one year after the Commercial Operation Date (COD) of the Project. However, in case of any change in the shareholding of the other shareholders (other than the Controlling Shareholder including Lead Member) after signing of PPA, the arrangement should not change the status of the Controlling Shareholder and the lead member in the Project Company at least up to one year after the COD of the Project. Further, such change in shareholding would be subject to continued fulfillment of the financial and technical criteria, by the Project Company.

3.8.3 Other Criteria

The Bidder or any of its Affiliates should not be a wilful defaulter to any lender, and that there is no major litigation pending or threatened against the Bidder or any of its Affiliates which are of a nature that could cast a doubt on the ability or the suitability of the Bidder to undertake the Project. The Bidder shall submit an undertaking to this effect as per the Format- 6.6A.

3.9 Technical Criteria and Connectivity with the Grid

3.9.1 Technical Criteria

This RfS requires deployment of only Solar PV Technology projects. However, the selection of the projects would be technology agnostic and crystalline silicon or thin film or CPV, with or without trackers can be installed. The Bidder shall deploy commercially established and operational technologies to minimise the technology risk and to achieve commissioning of the Projects. Detailed technical parameters for Solar PV Projects to be selected are specified at Annexure - 1.
The developer has the option of Leasing Solar Plant Equipments from Foreign Parent/Affiliate.

3.9.2 Connectivity with the Grid
i. The Solar Power Plant should be designed for inter-connection with the ISTS system at NTPC Generating Switchyards in accordance with the prevailing CERC regulations in this regard. NTPC shall facilitate in getting ISTS connectivity through their switchyard of generating stations in Western Region as per provisions of CERC regulations. However, SPD shall be responsible for getting ISTS connectivity and Long Term Access (LTA) for the solar projects. Solar power from the projects selected through this RfS shall be evacuated through NTPC Generating Switchyards connected to ISTS system in Western Region. Any Transmission losses/charges up to delivery point shall be borne by the Project developer.

ii. For interconnection with the grid and metering, the SPD shall abide by the applicable Grid Code, Grid Connectivity Standards, Regulations on Communication System for transmission of electric and other regulations (as amended from time to time) issued by Appropriate Commission and Central Electricity Authority (CEA).

iii. The entire cost of Transmission from the Project up to the interconnection point/Delivery Point/Metering Point including cost of construction of line, wheeling charges, losses etc. (as applicable) will be borne by the Project Developer and will not be reimbursed by NTPC or met by the STU / CTU / DISCOMs.

iv. The responsibility of getting Transmission Connectivity through NTPC generating Switchyards and getting Long Term Access as required will lie with the Project Developer and shall be at the cost of SPD.

v. The project developer shall apply for Grant of Stage-II connectivity through NTPC Generating Switchyard for its Solar PV Project at the proposed location as per the procedure stipulated in “DETAILED PROCEDURE FOR GRANT OF CONNECTIVITY TO PROJECTS BASED ON RENEWABLE ENERGY SOURCES TO INTER-STATE TRANSMISSION SYSTEM DATED 15.05.2018” approved by CERC and its amendment if any thereof within 03 (three) months from effective date of PPA. The project developer shall be allowed to change the location of the project till the financial closure of the project. However no extension in schedule commissioning date shall be allowed due to change in location of the project. However, if extension to the Scheduled Commissioning Date is granted to the project in terms of sub-clause (vi) below after financial closure, then change of location shall be permitted.

vi. The project developer shall be required to submit the connectivity letter from Central Transmission Utility (CTU), confirming technical feasibility of connectivity of the Solar PV Project with NTPC Generating Switchyard at the time of Financial Closure. Further, SPD shall be required to apply for Long Term Access (LTA) within 30 days from receiving intimation from NTPC in this regard. The copy of application filed by the SPD for Long Term Access (LTA) shall be submitted to NTPC within 15 days
from the date of application of LTA, by the SPD. Atleast 30 days prior to the proposed commissioning date, the project developer shall be required to submit the connectivity letter from Central Transmission Utility (CTU), confirming connectivity of the plant to the CTU substation. Long Term Access (LTA) shall be required to be submitted by the project developer prior to commissioning of the Project. In case the project developer is unable to obtain connectivity and/or LTA until the above deadline and it is established that the project developer has complied with the complete application formalities as per sub-Clause (v) above, and has adhered to the applicable Procedure in this regard as notified by the CERC/CTU, the Scheduled Commissioning Date for the Project may be extended for an equivalent period of delay with maximum extension upto 1 year from the SC to allow the project developer to apply for fresh connectivity and/or LTA at a separate substation.

vii. Penalties, fines and charges imposed by the CTU under any statute or regulation in relation to delay in commissioning of the project shall be payable by the Solar Power Developer to the extent the delay is attributable to the solar power developer.

viii. The solar Power Developer shall be entitled for Generation Compensation for Offtake Constraints as provided in the Annexure-3 (Draft Power Purchase Agreement) of this RfS.

ix. Tentative List of NTPC Generating Switchyard in Western Region where ISTS Connectivity is available:

A tentative list of NTPC Generating Switchyard in Western Region with ISTS Connectivity for power evacuation is enclosed at Annexure-6 to this RfS. The list is indicative only. Providing the list shall not construe that NTPC bears any responsibility for the grid connectivity of the projects to these NTPC Generating Switchyards. The Project Developers are free to choose any NTPC Generating Switchyard for ISTS connectivity from the list for interconnection of their projects to the Grid.

x. The details regarding getting ISTS Connectivity through NTPC Generating Switchyards shall be intimated by NTPC before the Submission of Stage-II (Financial) bids. Further, all the cost associated with getting ISTS Connectivity at NTPC Generating Switchyard shall be borne by the SPD.

3.10 Capacity Utilization Factor (CUF)

The CUF of the solar PV projects selected through this RfS, shall not be less than 19%.

3.11 Invitation of Bidders for Submission of Financial Bids (Stage – II)

NTPC shall evaluate only those responses to RfS, which are submitted on-line on the earmarked website by the due date and time. The Technical Bids (Stage – I)
will be opened at the date and time specified in this RfS. The evaluation of Technical Bids will be carried out to determine whether each bid is generally complete, acceptable & responsive to the RfS documents and meeting the stipulated Qualifying Requirements. After evaluation of Stage-I (Technical) Bid, NTPC may invite individual bidders for clarifications. Subsequently, NTPC may issue amendments/clarifications, if considered necessary and Invite Financial Bid (Stage-II) from the bidders who have been considered qualified and whose bid has been considered Technically responsive. The bidders will have to submit bids quoting a fixed levelised tariff for total Project Capacity for the entire project duration of 25 years in the Financial Bid (Stage – II). This will be the “First Round Tariff Bid” of the Bidder after which the shortlisted bidders shall be invited for the Reverse Bid Auction.

3.12 Selection of Solar Power Developers

3.12.1 This sub-clause is not in use.

3.12.2 This sub-clause is not in use.

3.12.3 This sub-clause is not in use.

3.12.4 Methodology for Selection of Solar Project Developers (SPDs): -

The methodology to be adopted for selection of SPDs is mentioned below:

3.12.4.1 All the bidders will be required to submit online bids (e-bids) on the electronic platform of M/s TCIL. The bidders will be shortlisted by ‘Two Stage (Stage – I: Technical Bids, Stage – II: Financial Bids)’ bidding process followed by reverse auction among shortlisted bidders.

Documents to be submitted Offline during Technical Bids (Stage – I):

Following documents are to be submitted offline in a sealed envelope at NTPC Office EOC - Noida on or before the end date and time of Technical Bid (Stage – I) submission:

i. Instrument towards Processing Fee;

ii. Bank Guarantee towards EMD (in original) as per Clause 3.24;

iii. Certified True Copy of Board Resolution from the Bidding Company or the Lead Member of the Consortium, as the case may be, in favour of the person signing the response to RfS;

iv. Original Integrity Pact (Details mentioned in Clause 3.34 below) signed by Authorized representative of Bidder.

vi. Certificate towards compliance of Fraud Prevention Policy as per Format 6.14

In case requisite Processing Fees and/or EMD (as per Clause 3.24) and/or Integrity Pact (as per Clause 3.34) and/or Certificate of Compliance to All Provisions and/or Certificate of Compliance of Fraud Prevention Policy are not submitted before the end date and time of Technical bid submission then bid shall be rejected and returned unopened.

Stage - I (Technical Bid)

During Stage – I (Technical Bid) the bidders will be required to submit the documents related to Qualifying Requirements and other required documents.

Excel Sheet No. RE-CS-0000-BOO-4 has been uploaded by NTPC along with RfS document on TCIL website. Bidders have to download this excel sheet and upload the same (in .xls or .xlsx format only) after filling all the required information. **The bidders may note that in case of any contradiction between the information contained in the Excel Sheet and the Technical bid, the details of the Technical bid will prevail. Further Stage-I Bid containing Technical Excel Sheet must not contain any information relating to Financial Bid to be submitted online in Stage-II.**

Documents to be submitted Offline during Financial Bids (Stage – II):

Following documents are to be submitted offline in a sealed envelope at NTPC Office EOC - Noida on or before the end date and time of Financial Bid (Stage – II) submission:

i. No Deviation Certificate as per Format 6.15.

ii. Certified True Copy of Board Resolution from the Bidding Company or the Lead Member of the Consortium, as the case may be, in favour of the person signing the response to RfS;

iii. Extension of Bank Guarantee towards EMD (in original);

In case requisite Extension of EMD and/or No Deviation Certificate as mentioned above are not submitted before the end date and time of Financial bid submission, then the Financial Bid shall be rejected and returned unopened along with the Bid Security.

Stage – II (Financial Bid)

After evaluation of Technical bids (Stage – I), NTPC will invite all the technically qualified bidders for submission of Financial Bid (Stage – II) before the end date and time for submission of Financial Bids.

During Stage – II (Financial Bid) submission, technically qualified bidders, will be required to submit their “first round tariff bid” for the Capacity Quoted by Bidder in Technical Bid (Stage – I) / Capacity considered Qualified by NTPC in line with
the provisions of the RfS documents including its subsequent amendments / clarifications issued by NTPC. The first round tariff bid quoted by the bidder in Financial Bids will be considered valid for lower capacity of Projects and the bidder will have to accept the lower capacity of projects than applied for, if found successful after closing of Reverse Auction. However, if a bidder is found to be qualified for less than 50 MW capacity as per qualifying requirement then they shall be considered disqualified for this tender.

3.12.4.2 Reverse Auction

Intimation of Date and Time of Reverse Auction:

At least one week prior to reverse auction, an advance intimation regarding the date and time of the reverse auction will be sent by email to all bidders whose Financial bids have been opened. However, from this advance intimation it shall not be construed by the bidders that they have been short-listed for Reverse Auction. Further at least two hours before the schedule start time of reverse auction, a system generated email for invitation for Reverse Auction will be sent to all those bidders who have been short-listed based on the criteria mentioned at clause 3.12.4.3. A separate email will also be issued by NTPC to shortlisted bidders informing the start time of reverse auction along with capacity of projects for which they are qualified.

Since the Reverse Auction will be conducted in a separate module at TCIL platform, the bidders will be required to assign the reverse auction to Marketing Authority; complete all pre-requisite and configure their system for participation in Reverse Auction in advance before commencement of Reverse Auction. On E-Reverse Auction overview page, the bidders are advised in their own interest to view their start price (which shall be same as their ‘first round tariff’ and displayed in Bidder’s window as ‘My Financial Bid Price’) and the capacity of Projects for which they have been considered qualified (which will be displayed under Quantity). In case there is any discrepancy in the Start Price and the ‘First Round Tariff’ of any bidder, the same shall be immediately intimated to NTPC before start of Reverse Auction otherwise the Start Price will be considered final and binding on that bidder. A wrong and misleading intimation in this regard may lead to disqualification in further tendering process and award. Short-listed bidders for Reverse Auction will be able to login into the TCIL website of reverse action at least 15 minutes before the start time of reverse auction.

The bidders may note that the person who has been authorized to sign and submit the bid at the time of submission of Technical and Financial bid may only be authorized to participate in the Reverse Auction process on behalf of the bidder as any price submitted by the bidder during the Reverse Auction will be considered final and binding on that bidder as if it had been submitted initially in the Financial bid without requiring any further authentication from the bidder.
3.12.4.3 Ranking and Short-listing of bidders for Reverse Auction:

All those bidders whose Financial Bids have been opened, will be ranked according to the quoted first round tariff bid in Financial Bid (Stage – II), with highest ranking (Rank 1) to that bidder who has quoted the lowest first round tariff bid and so on.

If the first round tariff bid is same for two or more bidders, then the bidder with higher net worth shall be given higher ranking. In case the net worth of bidders are also same, then relative ranking shall be decided through draw of lots.

Out of all qualified bidders, short-listing will be done for Reverse Auction as under:

A. When cumulative capacity in Financial Bids (Stage – II) > 1500MW

All the technically qualified bidders who have submitted the Financial Bids (Stage – II) and whose Financial Bids have been opened, shall be invited for Reverse Auction other than one lowest ranked bidder based on First Round Tariff bid i.e. the bidder quoting the highest first round tariff (i.e. H1) subject to the condition that after removal of H1 bidder, the cumulative capacity remains greater than 1500MW. In case, after removal of H1 bidder, the cumulative capacity of all the bidders whose Financial Bids have been opened becomes less than 1500MW then all the bidders whose Financial Bids have been opened will participate in reverse auction.

B. When cumulative capacity in Financial Bids <= 1500MW

All the technically qualified bidders who have submitted the Financial Bids (Stage – II) and whose Financial Bids have been opened, will be shortlisted for Reverse Auction. However, in such case the offered capacity for award by NTPC as per Clause 3.1 shall stand reduced to 80% of the cumulative capacity (rounded upto the nearest ten) of bidders whose Financial Bids have been opened or shall be reduced by the capacity of the H1 bidder, whichever is less.

For the purpose of determination of the lowest Ranked bidder, if there is a tie among two or more bidders based on First Round Tariff Bid, the bidder with the lowest net worth among these bidders will be considered having lowest rank than the other bidder(s).

At the start of the reverse auction process, the first round tariff bid along with the total qualified capacity of Project(s) (lower of the total applied capacity of projects or technically qualified for as per Financial criteria) of short-listed bidders shall be fed as their first quoted tariff and Project(s). The minimum decrement value for Reverse Auction is 0.01 INR i.e. one paisa.

Bidders can quote any value lower than their quoted tariff. However, no upward revision of quoted tariff will be allowed. Bidders can improve their ranking by quoting the tariff lower than their last quoted tariff by any number of decrements. Further, in Reverse Auction no revision in total capacity of Project(s) for which a bidder is considered qualified after evaluation of technical
bid is allowed. The bidder shall not have the option of changing the total capacity of projects while quoting tariff.

The initial auction period will be of one (01) hour with a provision of auto extension by 08 (eight) minutes from the scheduled/extended closing time. Such auto extension shall be effected if by way of reduction in tariff, a Bidder causes a change in its zonal placement at that instant. The ‘zones’ are as defined below:

(a) Green Zone: This zone consists of the Bidders who may be allocated their full quoted Project capacity if the auction is closed at that instant.

(b) Yellow Zone: This zone consists of the Bidders who may be allocated a part of their full quoted Project capacity if the auction is closed at that instant.

(c) Red Zone: This zone consists of the Bidders who will not be awarded their quoted Project capacity if the auction is closed at that instant.

In addition to above, if tariff is reduced by a bidder who is already in Green or Yellow Zone, in that case also the auto extension of reverse auction closing time shall be effected.

If no such change as described above is effected during the last 08 minutes of auction period or extended auction period, then the reverse auction process will automatically get closed.

During the reverse auction, the following information will be displayed in the bidder’s bidding window:

1. His First Round Tariff Bid as their Start Price initially and thereafter last quoted price and capacity of Projects for which he is qualified,

2. The list of last quoted price (i.e., Last Bid Value) along with qualified capacity of projects of all bidders with their Pseudo Identities and their time of quote.

3.12.4.4 Selection of Successful Bidders

After the reverse auction is closed, bucket filling will be done based on the ranking of bidders and total capacity of qualified Projects. The lowest quoting bidder will be allotted its qualified total capacity of Project(s) and then, next higher bidder will be allotted its qualified total capacity of Project(s) and so on, at their respective last quoted tariff till the offered capacity of Projects is fully allotted.

In case of tie among two or more bidders (i.e. their last quoted tariff being same), the resolution shall be done as under:

i) The First Criterion shall be the time stamping of last tariff bid. The preference shall be given to that bidder who has quoted its last tariff bid earlier than other such bidders.

ii) The Second Criterion shall be the evaluated net worth by NTPC. The bidder with higher evaluated net worth shall be given preference over other such bidders.

These criteria shall be applied in the sequence as mentioned above. If the tie still remains unresolved, the relative ranking of such bidders shall be decided through
draw of lots at NTPC EOC office at designated date and time among such bidders in the presence of their authorized representatives.

Further if a bidder who has been invited for the reverse auction does not reduce its tariff bid or does not participate in the reverse auction for any reason whatsoever, its first round tariff bid shall be considered its final bid price in the reverse auction. The time stamping of all such bidders shall be the time of commencement of reverse auction.

In case the total capacity of Projects offered by last selected bidder is higher than the capacity of Projects to be selected for meeting the cumulative capacity of all the Projects under the RfS, the total capacity of Projects of last selected bidder shall be reduced so as to meet the cumulative capacity of all the Projects to be selected under the RfS subject to the minimum reduced capacity is not less than 50 MW.

A detailed auction mechanism is enclosed at Annexure - 5.

In all cases, NTPC decision regarding selection of bidders through Reverse Auction or otherwise based on First Round Tariff bid or annulment of tender process shall be final and binding on all participating bidders.

At the end of selection process, a Letter of Intent (LoI) will be issued to all the successful Bidders.

Note:
1- NTPC reserves the right to verify the documents furnished by the bidders at the time of submission of RfS including availability of the Net Worth and other Financial Criteria to the extent claimed in the RfS with the original documents and bank statements and the shareholding of the Project Company along with a copy of complete documentary evidence supported with originals at any stage from evaluation upto the expiry of PPA.

Before signing the PPA, NTPC will ask the successful Bidder to furnish the Memorandum & Articles of Association of Project Company/Project Developer (highlighting the relevant provision of Power / Energy / Renewable Energy / Solar Power Plant development) in case the same was not available in the Memorandum & Articles of Association of the Bidder at the time of submission of Bid. If at any stage it is found that the documents furnished by the bidders during RfS are misleading or misrepresented in any way then the EMD shall be forfeited and the agency shall be blacklisted for an appropriate period decided by NTPC.

3.13 Not Used

3.14 Power Purchase Agreement (PPA)

Power Purchase Agreement shall be signed between NTPC and successful bidders. A copy of Power Purchase Agreement to be executed between NTPC and the Selected Bidder(s) is enclosed at Annexure - 3. The PPA shall be executed within **90 days** of the date of issue of Letter of Intent. Separate PPA will be executed between NTPC and SPD for each Project. **The successful bidder shall provide the project breakup for the cumulative capacity quoted, in the Covering Letter (Format 6.1) within 5 days of conclusion of Reverse Auction, subject to minimum capacity of each project shall not be less than 50 MW.**
The PPA shall be for a period of 25 years from the Scheduled Commissioning Date of the Project.

The developers will be free to reconfigure and repower their plants from time to time during the PPA duration at their own cost without any recourse to NTPC. However, NTPC will be obliged to buy power only within the Capacity Utilization Factor (CUF) range laid down in Power Purchase Agreement (PPA) i.e. within agreed energy quantum in PPA.

The developers would be free to sell any excess generation which is in excess of the quantum of power agreed to be supplied under the Power Purchase Agreement from Scheduled Commissioning Date either to NTPC or to sell it to any other entity, provided first right of refusal will vest with NTPC. Such excess energy, if accepted by the Discom(s)/beneficiaries, may be purchased by NTPC at a Price of 75% of the tariff payable to project developer.

Any extension of the PPA period beyond 25 years shall be through mutual Agreement between the Solar Power Developer and NTPC.

3.14.1 Irrespective of the date of signing of PPA, the Effective Date of PPA shall be 90 days from issuance of LOI or the actual date of signing of PPA if signed beyond 90 days of issuance of LOI for delays solely attributable to NTPC.

3.15 Submission of Response to RfS by the Bidder

The bidder is requested to submit the following documents in originals to the under mentioned address in a Sealed Envelope before end date and time of respective submission of Bids (i.e. Stage-I Bid and Stage-II Bid).

AGM (RE-CS) / Manager (RE-CS)
NTPC Limited
Renewable Energy - Contract Services,
Engineering Office complex, NTPC Ltd.,
Room No. 220, EOC Annexe, (R&D Building)
A 8A, Sector 24, NOIDA,
UP 201301

The envelope shall bear (Solar PV Power Project), Stage – I (Technical Bid) / Stage-II (Financial Bid), RfS No. and the words ‘DO NOT OPEN BEFORE’ (due date & time).

Stage – I (Technical Bid) Submission:

A. Offline Documents (in a separate sealed Envelope):

1. Processing Fee in the form of Demand Draft of requisite amount in favour of “NTPC Limited” payable at Noida/New Delhi.
2. Bank Guarantee towards EMD as per **Format 6.3 A**.

3. Duly signed Original Integrity Pact

4. Certified True Copy of Board Resolution from the Bidding Company or the Lead Member of the Consortium, as the case may be, in favour of the person signing the response to RfS

5. Certificate of Compliance as per **Format 6.13a**.

6. Certificate towards compliance of Fraud Prevention Policy as per **Format 6.14**

### B. Online Documents:

The response to RfS shall be submitted electronically in the method specified as per **Clause 3.19** on [https://www.tcil-india-electronictender.com](https://www.tcil-india-electronictender.com) which should contain the following:

Bidders shall submit **Stage – I (Technical Bid)** containing the scanned copy of following documents in **SEQUENCE** as mentioned below with index and page number duly mentioned on each page and in index:

1. Covering Letter as per **Format 6.1**;

2. In case of a Bidding Consortium, a Power of Attorney in favour of the Lead Member issued by all the other Members of the Consortium shall be provided as per **Format 6.2**.

   In the event any Member of the Bidding Consortium (other than Lead Member) being a foreign entity, it may submit Board Resolutions in place of Power of Attorney for the purpose of fulfilling the requirements under this Clause. Provided that such Board Resolutions shall be supported by an unqualified opinion issued by the legal counsel of such foreign entity stating that the Board Resolutions are in compliance with the applicable laws of the respective jurisdictions of the issuing Company and the authorizations granted therein are true and valid.

3. Board Resolutions, as per **Format 6.4** duly certified by the Company Secretary or the Director of the relevant Bidder, as applicable to the Bidder and mentioned hereunder:
a. Board Resolution from the Bidding Company or the Lead Member of the Consortium, as the case may be, in favour of the person signing the response to RfS;

b. Board Resolution from the Bidding Company committing one hundred percent (100%) of the equity requirement for the Project / Board Resolutions from each of the Consortium Members together in aggregate committing to one hundred percent (100%) of equity requirement for the Project (in case of Bidding Consortium) and authorizing a person to execute the Consortium agreement;

c. Board Resolutions from each of the Consortium Members and Lead member contributing such additional amount over and above the percentage limit (specified for the Lead Member and other member in the Consortium Agreement) to the extent becoming necessary towards the total equity share in the Project Company, obligatory on the part of the Consortium pursuant to the terms and conditions contained in the Consortium Agreement and

d. Board Resolutions from Parent and/or Affiliate (whose credentials were used in the response to RfS) of the Bidding Company / any Member of the Bidding Consortium undertaking to invest the entire amount and submit the requisite Performance Bank Guarantee as committed by Bidding Company / Member of the Bidding Consortium, in event of failure of Bidding Company / Member of the Bidding Consortium to make such investment and/or to submit the requisite Performance Bank Guarantee.

4. In case of a Consortium, the Consortium Agreement between the Members in the Consortium as per Format 6.5 along with Board resolution from each Member of the Consortium for participating in consortium;

5. Financial Requirements as per Format 6.6 as applicable;

6. Format for Technical Criteria wherein Bidder shall certify that the technology to be adopted shall be commercially established and operational technology as per Format 6.7;

7. A disclosure statement as per Format 6.8 regarding participation of any related companies in this bidding process;

8. Declaration by the Bidding Company / Lead Member of Bidding Consortium for the Proposed Technology Tie Up as per Format 6.9;

9. Checklist for Bank Guarantee as per Appendix – A;
10. Memorandum & Articles of Association (highlighting relevant provision of Power / Energy / Renewable Energy / Solar Power Plant development), Certificate of Incorporation (if applicable) of Bidding Company / all member companies of Bidding Consortium along with shareholders rights and obligations filed with ROC. In case of foreign bidders having documents other than English language then all these documents shall be translated in English language by approved translator and shall be notarized by the Indian Consulate in that country.

At the time of submission of bid if the Bidder does not have the aforesaid relevant provision of Power / Energy / Renewable Energy / Solar Power Plant development in its existing Memorandum & Articles of Association, the same may be incorporated later in the Memorandum & Articles of Association of Project Company / Project Developer and submit the same to NTPC within 15 days from the date of issue of Letter of Intent and before signing of PPA.

11. Apart from above, the bidders have to upload the Excel Sheet No. RE-CS-0000-BOO-4 after filling all the required information (in .xls or xlsx format). This excel sheet has to be downloaded along with RfS document from TCIL website.

Stage – II (Financial Bid) Submission: -

At the end of the Stage-I (Technical) evaluation and after holding clarification meetings, NTPC may issue an amendment to the RfS documents. NTPC will notify the last date and time to submit Stage-II (Financial Bid) based on the amendments / clarifications issued to the RfS documents, to the bidders who have been considered qualified and whose technical bid is found to be responsive. In case a bidder has been considered qualified for lesser capacity of projects than the total capacity quoted by the bidder, than NTPC at this stage will also notify the total capacity qualified by NTPC to such bidders only. The following documents will be required to be submitted by the bidders at this stage:

A. Offline Documents (in a separate sealed Envelope):

1. No Deviation Certificate as per Format 6.15.

2. Certified True Copy of Board Resolution from the Bidding Company or the Lead Member of the Consortium, as the case may be, in favour of the person signing the Financial Bid of RfS;

3. Extension of Bank Guarantee towards EMD (in original);

B. Online Documents:

The response to RfS shall be submitted electronically in the method specified as per Clause 3.19 on https://www.tcil-india-electrontictender.com which should contain the following:

All the bidders who have been invited by NTPC for submission of Financial Bids shall submit the Stage – II (Financial Bid) containing the scanned copy of Format 6.11 mentioning the First round tariff bid (in Rs/kWh). The first round tariff bid shall also be filled online in the electronic form provided at the TCIL portal. The bidders shall quote a single tariff for total capacity of all the projects applied by them. The Bidder has to accept that the quoted first round tariff bid is valid for capacity of projects qualified for even if the capacity of projects qualified for is less than the capacity of projects quoted for.

First round tariff bid (in Rs/kWh) shall be quoted upto two places of decimal only. If first round tariff bid is offered with more than two digits after decimal, it shall be truncated and considered upto two places of decimal (in Rs/kwh).

The Stage-II (Financial Bid) submitted by the bidder should be without any deviation and strictly in conformity with all the provisions of RfS document and amendments / addenda / corrigendum / errata / clarifications issued by NTPC to the RfS document prior to Stage – I bidding and Stage-II bidding. A conditional Financial Bid shall run the risk of rejection. Financial Bid should not contain any matter in respect of Technical aspects other than the details specifically sought in the Financial Bid.

3.16 Wherever information has been sought in specified formats, the Bidders shall fill-in the details as per the prescribed formats and shall refrain from referring to any other document for providing any information required in the prescribed format. Any document submitted in format other than that specified in this RfS document may call for rejection of bid.

3.16.1 Modification of Bid

The bidder may modify its bid prior to deadline of bid submission. For the purpose of evaluation, the last modified bid uploaded on TCIL portal shall be considered as final submission.

3.17 The Bidder should note that:

a. The bidder may be shortlisted based on the declarations made by them in relevant schedules of RfS. The documents submitted online will be verified before signing of PPA in terms of Clause 3.12.

b. If the Bidder/Member in a Bidding Consortium conceals any material information or makes a wrong/misleading statement or misrepresents facts in its response to
RfS, in any manner whatsoever, NTPC reserves the right to reject such response to RfS and/or cancel the Letter of Intent, if issued and the Bank Guarantee provided upto that stage shall be encashed. Bidder shall be solely responsible for disqualification based on their declaration in the response to RfS submitted online with TCIL website.

c. If the event specified at 3.17 (b) above is discovered after the Effective Date of PPA, it shall be treated as “SPD Event of Default” under PPA and consequences as specified in PPA shall apply.
d. Response submitted by the Bidder shall become the property of NTPC and NTPC shall have no obligation to return the same to the Bidder.
e. All documents of the response to RfS submitted online must be digitally signed by the person authorised by their respective Boards on behalf of the Bidder as per Format 6.4.
f. The response to RfS shall be submitted as mentioned in Clause 3.15 above. No change or supplemental information to a response to RfS will be accepted after the scheduled date and time of submission of response to RfS. However NTPC reserves the right to seek additional information or clarifications from the Bidders, if found necessary, during the course of evaluation of the response to RfS.
g. Bidders shall mention the name of the contact person and complete address of the Bidder in the covering letter.
h. Response to RfS that are incomplete or do not substantially meet the requirements prescribed in this RfS, will be liable to rejection by NTPC.
i. Response to RfS not submitted in the specified formats will be liable to rejection by NTPC.
j. Bidders delaying in submission of additional information or clarifications sought by NTPC will be liable to rejection.
k. Non submission and/or submission of incomplete data/ information required under the provisions of RfS shall not be construed as waiver on the part of NTPC of the obligation of the Bidder to furnish the said data/information unless the waiver is given in writing.
l. Only Delhi Courts shall have exclusive jurisdiction in all matters pertaining to RfS.
m. All the information should be submitted in English language only. In case of foreign bidders having documents other than English language then all these documents shall be translated in English language by approved translator and shall be notarized by the Indian Consulate in that country.

3.22.1 Amendment to RfS Documents

At any time prior to the deadline for submission of bids (Stage – II: Financial Bid), NTPC may, for any reason, whether at its own initiative, or in response to a clarification requested by a prospective Bidder, amend the RfS documents. The amendment will be uploaded on the website https://www.tcil-india-electronictender.com. Bidders are required to remain updated with the website. No separate intimation will be given elsewhere. The amendment will be binding on Bidders and it will be assumed that the information contained therein will have been taken into account by the Bidder in its bid.
3.22.2 Clarification on Bids
During bid evaluation, NTPC may, at its discretion, ask the Bidder for a clarification of its bid. The request for clarification and the response shall be in writing, and no change in the substance of the bid shall be sought, offered or permitted.

3.23 Right of NTPC to reject a Bid
NTPC reserves the right to reject all or any of the response to RfS or cancel the tender or annul the bidding process at any stage without assigning any reasons whatsoever and without thereby incurring any liability to the affected Bidder or bidders or any obligation to inform the affected Bidder or bidders of the grounds for the NTPC’s action.

3.24 Bank Guarantees
The Bidder shall provide the following Bank Guarantees to NTPC from any of the Banks listed at Annexure - 2 in a phased manner as detailed hereunder:

i) Earnest Money Deposit (EMD): The bidder shall furnish the EMD (in case of Stage-I: Technical Bid) and Extended EMD (in case of Stage-II: Financial Bid) in a separate sealed envelope @ Rs.10 Lakh/MW in the form of Bank Guarantee. The EMD shall remain valid for a period of 60 days beyond the original Bid Validity period mentioned at clause 3.20 of RfS as per Format 6.3A. Scanned copy of Bank Guarantee towards EMD is to be submitted along with response to RfS in Stage-I (Technical Bid) and scanned copy of Extension to EMD in Stage-II: Financial Bid. However, the Bank Guarantee towards EMD (in original) in a sealed envelope is to be submitted in NTPC Office at NOIDA on or before Stage-I (Technical Bid) submission date and time. Similarly, the extension of Bank Guarantee towards EMD (in original) in a sealed envelope is to be submitted in NTPC Office at NOIDA on or before Stage-II (Financial Bid) submission date and time. If a bidder extends the period of bid validity pursuant to clause 3.20 of RfS, the validity of EMD shall also be extended so that it remains valid for a period of 60 days beyond the Bid Validity.

ii) Performance Bank Guarantee (PBG) of Rs.25 Lakh/MW for each project as per Format 6.3 B, is to be submitted by the successful bidder to NTPC within 30 days from the date of issue of Letter of Intent or before signing of PPA, whichever is earlier. The PBG should be initially valid for a period of 07 (seven) months beyond the Scheduled Commissioning Date. If any extension of Scheduled Commissioning Date is granted to the project, the PBG shall also be extended in such a way that it remains valid for 07 (seven) months beyond the extended Scheduled Commissioning Date. PBG shall be submitted for each project separately.

On receipt and after verification of the Total Performance Bank Guarantee in acceptable form and after signing of PPA, the earlier Bank Guarantee towards EMD would be returned to the Bidder.
Note: In case any extension is given to the Project, the corresponding extension needs to be made in the validity of PBG.

Bank Guarantees issued by foreign branch of a Bank from bank list given in Annexure – 2 is to be endorsed by the Indian Branch of the same bank or State Bank of India.

The EMD of the Bidders whose Technical Bid has not been found acceptable, shall be returned along with the letter communicating rejection of Technical Bid. The EMD of the Bidders who are unsuccessful after opening of Financial Bids and completion of Reverse Auction shall be returned within fifteen days of the completion of reverse auction process.

The Bank Guarantees have to be executed on non-judicial Stamp paper / e-stamp paper of appropriate value, as per Stamp Act. The Bank Guarantees have to be in the name of the Bidding Company / Lead Member of Bidding Consortium.

In order to facilitate the Bidders to submit the Bank Guarantee as per the prescribed format and in line with the requirements, check-list at Appendix – A has been attached. Bidders are advised to take note of the above checklist while submitting the Bank Guarantees. Bidders have to submit the above check list duly filled in along with Bank Guarantee.

3.24.1 Confirmation of BG towards EMD and PBG through Structured Financial Messaging System (SFMS)/SWIFT

While issuing the physical BG, the Bidder’s Bank shall also send electronic message to NTPC’s Beneficiary Bank whose details are provided below through secure

SFMS (in case of BGs issued from within India)
or
SWIFT (in case of BGs issued from outside India)

Bank Details: 

(i) Bank Name: State Bank of India
(ii) Branch: TFCPC-I Parliament Street, New Delhi
(iii) IFSC Code: SBIN0005051
While submitting the Bank Guarantee, bidders shall also enclose copy of electronic message sent to the above beneficiary bank. Forfeiture of EMD.

### 3.25 Forfeiture of EMD

The EMD shall be forfeited in the following cases:

a) If the bidder / his representatives commit any fraud while competing for this contract pursuant to “Fraud Prevention Policy” of NTPC mentioned at its website;

b) If the bidder withdraws or varies the bid during the validity of the bid;

c) In case, NTPC offers to execute the PPA with the Selected Bidder and if the Selected Bidder does not submit the requisite documents as per Clause 3.12.4.4 or does not execute the PPA, within the stipulated time period.

d) If the bidder refuses to withdraw, without any cost to NTPC, any deviation, variation, additional condition or any other mention anywhere in the bid, contrary to the provisions of the RfS Document;

e) If the bidder fails to furnish required Performance Bank Guarantee in accordance with Clause 3.24; and

f) In case the bidder is disqualified from the bidding process in terms of Section 3 & 4 of Integrity Pact.

### 3.26 Minimum Paid up Share Capital to be held by the Promoter

The Company developing the project shall provide the information about the Promoters and their shareholding in the Company to NTPC indicating the controlling shareholding at the stage of submission of RfS to NTPC.

The Successful bidder, if being a single company, shall ensure that its shareholding in the SPV/project company executing the PPA shall not fall below 51% (fifty one per cent) at any time prior to 1 (one) year from the COD, except with the prior approval of NTPC. In the event the successful bidder is a consortium, then the combined shareholding of the consortium members in the SPV/project company executing the PPA, shall not fall below 51% at any time prior to 1 (one) year from the COD, except with the prior approval of NTPC. However, in case the successful bidder shall be itself executing the PPA, then it shall ensure that its promoters shall not cede control till 1 (one) year from the COD except with the prior approval of NTPC. In this case it shall also be essential that the successful bidder shall provide the information about its promoters and their shareholding to NTPC before signing of the PPA with NTPC.

Any change in the shareholding after the expiry of 1 (one) year from the COD can be undertaken under intimation to NTPC.
The expression “control” shall mean the ownership, directly or indirectly, of more than 50% (fifty percent) of the voting shares of such Company or right to appoint majority Directors.

**Note:** - In case Bidding Company or Bidding Consortium is selected for more than one project, then separate project company may be formed for each project; however the equity commitment (in case of bidding consortium) as informed at the stage of RfS shall be maintained in all the project companies to be formed before signing of PPA with NTPC. Similarly for the Bidding Company, forming a project company with no change in Shareholding shall be permitted from the RfS stage upto PPA, but the controlling shareholding as informed at the stage of RfS shall not change upto one year after COD of the Project. An Indian company can form a Special Purpose Vehicle (SPV) for execution of the Project before signing of PPA. The SPV so formed shall be 100% owned subsidiary of the Bidding Company.

3.27 **Financial Closure or Project Financing Arrangements:**

The Project Developer shall report Project Financing Arrangements for the projects within **12 months** from the Effective date of PPA.

The project developer would provide evidence that the requisite technical criteria as per **Annexure – 1** have been fulfilled and orders placed / agreements entered into, for supply of plants and equipment for the project.

At this stage, the Project Developer would also furnish, within the aforesaid period, the necessary documents to establish possession in the name of the Project Developer of the required land/ Lease Agreement.

In this regard the Project Developer shall be required to furnish the following documentary evidences:

- Title of land through sale deed or lease hold rights to establish possession/right to use 100% of the required land for the project in the name of the Project Developer or its Affiliate. In case the land is in the name of the Affiliate, the land should be transferred in the name of the Project Developer prior to Scheduled Commissioning Date. Wherever leasing of private land is involved, the lease should allow transfer of land lease rights to the lenders or Beneficiary(ies), in case of default of the Project Developer.

- Certificate by the concerned and competent revenue / registration authority for the acquisition / ownership/ vesting of the land in the name of the Project Developer or its Affiliate.

- Sworn in Affidavit from the authorized person of the developer listing the details of the land and certifying total land acquired for the project under clear possession of the Project Developer.
A certified English translation from an approved translator in case above land documents are in other than English or Hindi Languages.

The bidder has to indicate the proposed location of the projects at the time of bid submission in Format-6.1. However, the successful bidder shall have option to change the Project location before the Financial Closure. Except in case of extension of Scheduled Commissioning Date in terms of clause no. 3.9.2, the change of location of the project shall not be permitted after Financial Closure. **The Project Developer at this stage i.e. at Financial Closure, would also furnish Connectivity Letter from CTU confirming technical feasibility of connectivity of Solar PV Project with NTPC Generating Switchyard.**

In case of delay in achieving above condition as may be applicable, NTPC shall encash Performance Bank Guarantees and shall remove the project from the list of the selected projects, unless the delay is on account of Force Majeure as per PPA. An extension can however be considered, on the sole request of project developer, on payment of a penalty of Rs.10,000/- per day per MW. This extension will not have any impact on the Scheduled Commissioning Date. The penalty paid by the project developer shall be returned to the project developer without any interest on achievement of successful commissioning up to the rated project capacity within the Scheduled Commissioning Date. However, if the entire capacity of the project is not commissioned within the Scheduled Commissioning Date, then penalty amount shall not be refunded.

In case the project developer is unable to submit connectivity letter Confirming Technical Feasibility at the Stage of Financial Closure and it is established that the project developer has complied with the complete application formalities as per Clause 3.9.2 above, and has adhered to the applicable Procedure in this regard as notified by the CERC/CTU, the penalty of Rs.10,000/- per day per MW as mentioned above shall not be applicable.

### 3.28 Commissioning:

**Part Commissioning:**

Part commissioning of the Project shall be accepted by NTPC subject to the condition that the Minimum Capacity for acceptance of first part commissioning and subsequent part(s) shall be 50 MW, without prejudice to the imposition of penalty in terms of PPA, on the part which is not commissioned. The Scheduled Commissioning Date shall not get altered due to part-commissioning. Irrespective of dates of part commissioning or full commissioning, the PPA will remain in force for a period of 25 (twenty five) years from Scheduled Commissioning Date.

In cases of early part-commissioning, till Scheduled Commissioning Date, subject to the consent for such purchase by the Discom(s), NTPC may purchase the generation at 75% (seventy-five per cent) of the tariff payable to the project developer. However, in case the entire Project capacity is commissioned prior to SCD, NTPC may purchase energy supplied till SCD at PPA tariff, subject to consent of beneficiary Discom(s) for procurement of such power.
Commissioning Schedule and Penalty for Delay in Commissioning:

The Projects shall be commissioned within 21 months from the effective date of PPA. However, Projects with a capacity of 250 MW and above shall be commissioned within a period of 24 months from the effective date of PPA. In case of failure to achieve this milestone, the project developer shall pay the liquidated damage in the following manner as specified in PPA:

(a) Delay up to 180 Days beyond the Scheduled Commissioning Date - NTPC will encash the Performance Bank Guarantee on per day basis and proportionate to the Capacity not commissioned, with 100% encashment for 180 days of delay for full capacity of the Project.

The maximum time period allowed for commissioning of the full Project Capacity with encashment of Performance Bank Guarantee shall be limited to 180 days beyond the Scheduled Commissioning Date or Extended Scheduled Commissioning Date as the case may be. In case, the Commissioning of the Project is delayed beyond the maximum time period allowed for commissioning, the Contracted Capacity shall stand reduced/amended to the Project Capacity commissioned within the maximum time period allowed for commissioning and the PPA for the balance Capacity will stand terminated and shall be reduced from the project capacity.

3.29 Commercial Operation Date (CoD)

Commercial Operation Date shall be the date on which the commissioning certificate is issued upon successful commissioning of the full capacity of the Project or the last part capacity of the Project as the case may be.

3.29.1 In case of delay in providing connectivity by CTU to the Project Developer beyond Scheduled Commissioning Date, NTPC shall extend the schedule commissioning date, without any financial implications on the Project Developer, by equivalent period of delay from the given timelines in this RfS. The maximum extension allowed shall be limited to 12 months. However, the extension shall be given only on certification by CTU stating that the delay in connectivity is not attributable to the Project Developer.

3.30 NOT APPLICABLE

3.31 Corrupt or Fraudulent Practices:

NTPC requires that Bidders, Solar Power Developers, etc. observe the highest standard of ethics during the development and operation of Solar Power Project(s). In pursuance of this policy, NTPC:

(a) defines, for the purposes of this provision, the terms set forth below as follows:
(i) "corrupt practice" means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the bidding process or in the development and operation of Solar Power Project(s); and

(ii) "fraudulent practice" means a misrepresentation of facts in order to influence the bidding process or in the development and operation of Solar Power Project(s) to the detriment of NTPC, and includes collusive practice among Bidders (prior to or after bid submission) designed to establish bid prices at artificial noncompetitive levels and to deprive NTPC of the benefits of free and open competition;

(b) will reject a proposal for award if it determines that the Bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the tender in question and the bid security of the bidder shall be forefeited;

(c) will declare a firm ineligible, either indefinitely or for a stated period of time, to be awarded a contract if it at any time determines that the firm has engaged in corrupt or fraudulent practices in competing for or in executing the development and operation of Solar Power Project(s).

3.32 Fraud Prevention Policy:

The Bidder along with its Affiliate/Group Company/associate/collaborators/sub-contractors/sub-vendors/ consultants/service providers shall strictly adhere to the Fraud Prevention Policy of NTPC displayed on its tender website http://www.ntpctender.com and shall immediately apprise NTPC about any fraud or suspected fraud as soon as it comes to their notice. A certificate to this effect shall be furnished by the bidder along with his bid as per Format 6.14 enclosed with the RfS document. If in terms of above policy it is established that the bidder/his representatives have committed any fraud while competing for this tender then the bid security of the bidder shall be forefeited.

3.33 Contacting NTPC

a. Except for when NTPC has sought some clarification or additional information in writing from the bidder, no Bidder or his representative shall contact NTPC on any matter relating to its bid, from the time of the opening of bids to the time the LOI is issued.

b. Any effort by a Bidder to influence NTPC decision during the evaluation process before LOI is issued to successful bidder(s) may result in rejection of the Bidder’s bid.

3.34 Integrity Pact

Bidders are required to unconditionally accept the “Integrity Pact (IP)” (executed on plain paper) as per Format 6.12 to the RfS Documents which has been pre-signed by NTPC, and submit the same duly signed on all pages by the bidder’s authorized signatory along with the bid. In case of bidder being a Consortium, the signing of Integrity Pact (IP) by all Consortium members is mandatory.
The Integrity Pact (IP) is to be submitted in hard copy along with other documents to be submitted offline as per **Clause 3.12.4.1.** Bidder’s failure to comply with the aforesaid requirement regarding submission of ‘Integrity Pact (IP)’ shall lead to outright rejection of the bid and in such case the bid shall not be opened.

**Independent External Monitors (IEM)s :**
In respect of this tender, the Independent External Monitors (IEM)s would be monitoring the bidding process and the development and operation of Solar Power Project(s) to oversee implementation and effectiveness of the Integrity Pact Program.

The names of Independent External Monitor(s) (IEMs) who have been appointed by EMPLOYER, in terms of Integrity Pact (IP) which forms parts of the EMPLOYER Tenders/Contracts are provided at NTPC website [http://www.ntpctender.com](http://www.ntpctender.com) (under the tab ‘Integrity Pact’)

This panel is authorized to examine / consider all references made to it under this tender. The bidder(s), in case of any dispute(s) / complaint(s) pertaining to this tender may raise the issue either with the designated 'Nodal Officer' in NTPC or directly with the IEMs at following Address:

“The IEMs' Secretariat,  
Contracts Services, 6th Floor, EOC,  
NTPC Limited, A-8A, Sector-24,  
Noida-201301 (UP).”

The Independent External Monitors (IEMs) has the right to access without restriction to all Project documentations of NTPC including that provided by the Contractor. The Contractor will also grant the Monitor, upon his request and demonstration of a valid interest, unrestricted and unconditional access to his Project Documentations. The same is applicable to Subcontractors. The Monitor is under contractual obligation to treat the information and documents of the Bidder / Contractor / Sub-Contractors / JV partners/Consortium member with confidentiality.

GM (RE-CS) or his authorized representative shall be the Nodal Officer for necessary coordination in this regard.

3.35 If the party, who has downloaded the RfS document, intends to transfer the documents to the proposed consortium who intends to submit its proposal in place of the original recipient, it is permissible provided such party shall be one of the members of proposed consortium. In such event, the proposed consortium shall become the new recipient of the document and all terms and conditions of the document shall apply to the proposed consortium as if the documents were originally downloaded by them. Then lead member of that consortium can quote on behalf of consortium through the member of that consortium who has downloaded the RfS document, provided the person who is submitting the bid on TCIL website
has been given the authorization to submit the bid against the tender as per Format 6.4.

3.36 Parent, Affiliate or Ultimate Parent or any Group Company with which the bidding company/member of bidding consortium have direct or indirect relationship cannot bid separately in the same selection process in which the bidding company/member of bidding consortium is participating. In case it is found at any stage that this condition is violated, the response to RfS of all such parties will be rejected and if LOI has been issued or PPA has been signed, the same of all such agencies will be cancelled and the Bank Guarantees of all such agencies will be encashed.

3.37 Ineligibility for Participation in Retenders

Notwithstanding the provisions specified in clause 3.25, if a bidder after having been issued the Letter of Intent either does not sign the PPA pursuant to Clause 3.14 or does not submit acceptable Performance Bank Guarantees pursuant to Clause 3.24 then such bidder shall be treated ineligible for participation in retendering of this particular selection process.
Section 4

EVALUATION CRITERIA
Section 4

4.0 EVALUATION CRITERIA

The evaluation process comprises of the following three steps:

1. Step I – Responsiveness check
2. Step II – Technical Bid evaluation
3. Step III - Price Bid (First Round Tariff) Evaluation
4. Step IV - Reverse Auction

4.1 Step I - Responsiveness check

The electronic response to RfS submitted by the Bidder shall be scrutinized to establish “Responsiveness”. Each Bidder’s response to RfS shall be checked for compliance with the submission requirements set forth in this RfS.

Any of the following conditions shall cause the Bid to be “Non-responsive”:

i) Response to RfS not submitted by the due date and time.
ii) Response to RfS submitted by a Bidding Consortium not including the requisite Consortium Agreement signed by all members
iii) Response to RfS having Conflict of Interest
iv) Non submission or incomplete submission of any or all of the requisite documents mentioned at Clause 3.15.
v) In addition to above, any relevant document required as per RfS not submitted in prescribed format

The determination of a bid’s responsiveness shall be based on the contents of the bid itself without recourse to extrinsic evidence. If a bid is not substantially responsive, it will be rejected by NTPC, and may not subsequently be made responsive by the Bidder by correction of the non-conformity or rectifying the cause for Non-responsive, However NTPC may waive any minor informality, nonconformity or irregularity in a bid that does not constitute a material deviation and that does not prejudice or affect the relative ranking of any bidder, Non-responsive bids will be liable for rejection by NTPC. The EMD submitted against such Non-responsive bids shall be returned to the bidders.

4.2 Step II – Technical Bid evaluation

Bid evaluation will be carried out considering the information furnished by Bidders as prescribed under Section 6 - Formats. This step would involve evaluation of the response to RfS of the Bidding Company/ Bidding Consortium as per the provisions specified in Section 3 of this RfS. First the evaluation of Stage-I: Technical bid will be done. Then all the qualified and technically responsive bidders will be invited for
submission of Stage-II: Financial Bid and the financial bid (first round tariff bid) received of all the qualified bidders will be opened.

4.3 **Step III – Price Bid (First Round Tariff) Evaluation**

This step would involve evaluation of the Financial Bid submitted in response to RfS of the Bidding Company/ Bidding Consortium as per the provisions specified in Section 3 of this RfS.

After that Reverse Auction shall be conducted online for which all short-listed bidders as per methodology mentioned in **Section-3** shall be invited to participate.

4.4 **Step IV – Reverse Auction**

The reverse auction shall be conducted on the website [https://www.tcil-india-electrionictender.com](https://www.tcil-india-electrionictender.com) as per detailed methodology mentioned in Section-3.

At the end of selection process, a Letter of Intent (LOI) will be issued to all the selected Bidders.

4.5 At any stage of the bidding process if a bidder is found to be qualified or successful for less capacity of Projects than applied for, in such cases following provisions shall apply:

i) EMD shall not be refunded for excess project(s) applied for, until the selection process is completed or annulled or tender is cancelled. No such request for refund of EMD shall be entertained.

ii) Even if the bidder is selected for less capacity of projects than initially applied for, EMD shall be refunded only after submission and acceptance of applicable Performance Bank Guarantee, signing of PPA and compliance to other provisions of bidding document.
Section 5

OTHER PROVISIONS
Section 5

5.0 OTHER PROVISIONS

The Solar Power Developers are required to obtain necessary clearances and permits as required for setting up the Solar Power Projects, including but not limited to the following:

a. No Objection (NOC) / Environmental clearance (if applicable) for the Project.

3. We have submitted our response to RfS strictly as per Section – 6 (Formats) of this RfS, without any deviations, conditions and without mentioning any assumptions or notes in the said Formats. We hereby withdraw any deviation, conditions whether mentioned explicitly or not in our response to this RfS without any cost to NTPC.

4. **Acceptance**

We hereby unconditionally and irrevocably agree and accept that the decision made by the NTPC in respect of any matter regarding or arising out of the RfS shall be binding on us. We hereby expressly waive any and all claims in respect of this process.

5. **Familiarity with Relevant Indian Laws & Regulations**

We confirm that we have studied the provisions of the relevant Indian laws and regulations as required to enable us to submit this response to RfS and execute the PPA and development of Grid Connected Solar PV Project(s) or supply of solar power in the event of our selection as Successful Bidder.

6. We are enclosing herewith our response to the RfS with formats duly digitally signed as desired by you in the RfS for your consideration.
7. It is confirmed that our response to the RfS is consistent with all the requirements of submission as stated in the RfS and subsequent communications from the NTPC.

8. The information submitted in our response to the RfS is correct to the best of our knowledge and understanding. We would be solely responsible for any errors or omissions in our response to the RfS.

We confirm that all the terms and conditions of our Bid are valid for a period of upto and including one hundred and eighty (180) days from the Stage-I: Technical bid opening date unless extended by us on your request and it shall remain binding upon us and may be accepted by you at any time before the expiration of that period. We will further extend the validity of our Stage-I: Technical Bid for a period of 180 days from the date of opening of Stage-II: Financial Bid in case our Stage-I: Technical Bid is found to be acceptable.

9. We hereby understand and confirm that NTPC reserves its right to verify the documents furnished by us at the time of submission of RfS including availability of the Net Worth to the extent claimed in the RfS with the original documents and bank statements and the shareholding of the Project Company along with a copy of complete documentary evidence supported with originals at any stage from evaluation upto the expiry of PPA.

We understand and confirm that if the aforesaid documents furnished by us are found to be misleading or misrepresenting in any way, NTPC shall be free to take appropriate action including forfeiture of EMD and blacklisting us for an appropriate period decided by NTPC.

10. We, hereby, declare that only the persons or firms interested in this bid as named here and that no other persons or firms other than those mentioned herein have any interest in this bid or in the PPA to be entered into. We confirm that this bid is made without any connection with any other person, firm or party likewise submitting a bid. We further confirm that this bid is submitted in good faith and without collusion or fraud.

INTEGRITY PACT

between

NTPC Ltd., a Govt. of India Enterprise (hereinafter referred to as "NTPC")
and

______________ (hereinafter referred to as "The Bidder/Solar Power Developer")

Preamble

NTPC invites the bids from all eligible bidders and intends to enter into Power Purchase Agreement (PPA) for ................. with the successful bidder(s) as per organizational systems and procedures. NTPC values full compliance with all relevant laws and regulations, and the principles of economical use of resources, and of fairness and transparency in its relations with its Bidder(s) and/or Solar Power Developer(s).

In order to achieve these goals, the NTPC will appoint an Independent External Monitor (IEM), who will monitor the bidding process and the development & operation of Solar Power Project(s) for compliance with the principles mentioned above.

Section 1 Commitments of NTPC

1. NTPC Commits itself to take all measures necessary to prevent corruption and to observe the following principles in this regard.

   a) No employee of NTPC, either in person or through family members including relatives, will in connection with the bidding for or the development and operation of Solar Power Project(s), demand or accept a promise for or accept for him/herself or for a third person any material or immaterial benefit to which he/she is not legally entitled to.

   b) NTPC shall, during the bidding process treat all Bidders with equity and reason. NTPC will, in particular, before and during the bidding process, provide to all Bidders the same information and will not provide to any Bidder confidential/additional information through which the Bidder(s) could obtain and advantage in relation to the bidding process or development and operation of Solar Power Project(s).

   c) NTPC will exclude from the process all known prejudiced persons.
2. If NTPC obtains information the conduct of any of its employees which is a criminal offence under the IPC/PC Act or if there be a substantive suspicion in the regard, NTPC will inform the Chief Vigilance Officer and in addition can initiate disciplinary actions.

Section 2 Commitments and Undertaking by the Bidder/Solar Power Developer

1. The Bidder/Solar Power Developer commits and undertakes to take all measures necessary to prevent malpractices & corruption. He commits himself to observe the following principles during his participation in the bidding process and during the development and operation of Solar Power Project(s):

   a) The Bidder/Solar Power Developer undertakes not to directly or through any other person or firm offer, promise or give or influence to any employee of NTPC associated with the bidding process or the development and operation of Solar Power Project(s) or to any third person on their behalf any material or immaterial benefit which he/she is not legally entitled, in order to obtain in exchange any advantage of any kind whatsoever during the bidding process or during the development and operation of Solar Power Project(s).

   b) The Bidder/Solar Power Developer undertake not to enter into any undisclosed agreement or understanding, whether formal or informal with other Bidders. This applies in particular to prices, specifications, certifications, subsidiary contracts, submission or non-submission of bids or any other action to restrict competitiveness or to introduce cartelization in the bidding process.

   c) The Bidder/Solar Power Developer undertakes not to commit any offence under the relevant Anti-corruption Laws of India; further the Bidder/Solar Power Developer will not use improperly, any information or document provided by NTPC as part of the business relationship, regarding plans, technical proposals and business details, including information container or transmitted electronically for purposes of competition or personal gain and will not pass the information so acquired on to others.

   d) The Bidder/Solar Power Developer will when presenting his bid undertakes to disclose any and all payments made, is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the PPA.

2. The Bidder/Solar Power Developer will not instigate and allure third persons/parties to commit offences outlined above or be an accessory to such offences.

Section 3 Disqualification from Bidding Process and Exclusion from Future Tenders.

1. If the Bidder(s)/Solar Power Developer(s), before award or during execution has committed a transgression through a violation of any provisions of Section 2 of this
Integrity Pact or in any other form so as to put his reliability or credibility as Bidder into question, NTPC shall be entitled to disqualify the Bidder(s)/Solar Power Developer(s) from the bidding process or to terminate the LOI/PPA, if signed on that ground.

2. If the Bidder/Solar Power Developer has committed a transgression through a violation of Section 2 of this Integrity Pact, such as to put his reliability or credibility into question, NTPC shall be entitled to exclude including blacklist and put on holiday the Bidder/Solar Power Developer for any future tenders/contract award process. The imposition and duration of the exclusion will be determined by the severity of the transgression. The severity will be determined by NTPC taking into consideration the full facts and circumstances of each case particularly taking in to account the number of transgressions, the position of the transgressions within the company hierarchy of the Bidder and the amount of the damage. The exclusion will be imposed for a minimum of 3 years.

3. A transgression is considered to have occurred if NTPC after due consideration of the available evidence concludes that no reasonable doubt is possible.

4. The Bidder with its free consent and without any influence agrees and undertakes to respect and uphold NTPC's absolute rights to resort to and imposed such exclusion and further accepts and undertakes not to challenge or question such exclusion on any ground, including the lack of any hearing before the decision to resort to such exclusion is taken. This undertaking is given freely and after obtaining independent legal advice.

5. Subject to full satisfaction of NTPC, the exclusion of Bidder/Solar Power Developer could be revoked by NTPC if the Bidder/Solar Power Developer can prove that he has restored/recouped the damage caused by him and has installed a suitable corruption prevention system in his organization.

Section 4 Compensation for Damages including Forfeiture of Earnest Money Deposit /Performance & Advance Bank Guarantees.

1. If NTPC has disqualified the Bidder/Solar Power Developer from the bidding process or has terminated the LOI/PPA pursuant to Section 3 of this Integrity Pact, NTPC shall forfeit the Earnest Money Deposit, encash Performance Bank Guarantees in addition to excluding the bidder from the future award process and terminating the LOI/PPA.

2. In addition to 1 above, NTPC shall be entitled to take recourse to the relevant provisions of the LOI/PPA related to Termination of LOI/PPA due to Solar Power Developer’s Default.
Section 5 Previous Transgressions

1. The Bidder swears on oath that no previous transgression occurred in the last three years immediately before signing of this Integrity Pact, with any other company in any country conforming to IT approach or including with the Public Sector Enterprise/Undertaking in India or any Government Department in India that could justify bidder's exclusion from the tender process.

2. If the Bidder makes incorrect statement on this subject, Bidder can be disqualified from the bidding process, if already awarded, can be terminated on this ground.

Section 6 Company Code of Conduct

Bidders are also advised to have a company code of conduct (clearly rejecting the use of bribes and other unethical behavior) and compliance program for the implementation of the code of conduct throughout the company.

Section 7 Independent External Monitors

1. The NTPC will appoint competent and credible Independent External Monitor for this Pact. The task of the Monitor is to review independently and objectively, whether and to what extent the parties comply with the obligations under this agreement.

2. The monitor is not subject to instructions by the representatives of the parties and performs his functions neutrally and independently. He shall report to Chairman/CMD of the NTPC or a person authorized by him.

3. The Bidder/Solar Power Developer accepts that the Monitor has the right to access without restriction to all project documentations of the NTPC including that provided by the Solar Power Developer. The Solar Power Developer will also grant the Monitor, upon his request and demonstration of a valid interest, unrestricted and unconditional access to this Project Documentations. The same is applicable to Solar Power Developer’s Subcontractors. The Monitor is under contractual obligation to treat the information and documents of the Bidder/ Solar Power Developer/Sub-Contractors/Consortium member with confidentiality.

4. The NTPC will provide to the Monitor sufficient information about all meetings among the parties related to the Project provided such meetings could have an impact on the contractual relations between the NTPC and the Solar Power Developer. The parties offer to the Monitor the option to participate in such meetings.

5. As soon as the Monitor notices, or believes to notice, a violation of this agreement, he will so inform the Management of the NTPC (Chairman/CMD of the NTPC or a person authorized by him) and request to discontinue or to take corrective action, or to take other relevant action. The Monitor can in this regard submit nonbinding
recommendations. Beyond this, the Monitor has no right to demand from the parties that they act in a specific manner, refrain from action or tolerate action. However, Independent External Monitor shall give an opportunity to the Bidder/ Solar Power Developer to present its case before making its recommendations to the NTPC.

6. The Monitor will submit a written report to Chairman/CMD of the NTPC or a person authorized by him within 8-10 weeks from the date of reference or intimation to him by the NTPC and, should the occasion arise, submit proposals for correcting problematic situations.

7. The Monitor shall be entitled to compensation on the same terms as being extended to /provided to Independent Directors of Board.

8. If the Monitor has reported to Chairman/CMD of the NTPC or a person authorized by him a substantiated suspicion of an offence under relevant IPC/PC Act, and he has not, within reasonable time, taken visible action to proceed against such offence or reported it to the Chief Vigilance Officer, the Monitor may also transmit this information directly to the Central Vigilance Commissioner, Government of India.

9. The word "Monitor" will include Singular or Plural.

Section 8 Pact Duration

The Pact comes into force from the date of signing by all the parties. It shall expire for the Solar Power Developer 12 months after the last payment under the respective PPA and for all other unsuccessful bidders 6 months after the LOI/PPA has been awarded.

Sections 9 Miscellaneous Provisions

1. This Pact is subject to Indian Law. The place of performance and jurisdiction shall be New Delhi.

2. Should one or several provisions of this Pact turn out to be invalid; the remainder of this Pact remains valid. In this case, the parties will strive to come to an agreement to their original intentions.

3. The actions stipulated in this Integrity Pact are without prejudice to any other legal action that may follow in accordance with the provisions of the extant law in force relating to any civil or criminal proceedings.

4. If the Solar Power Developer is a Consortium, this agreement must be signed by all the members of Consortium as the case may be.

(To be signed between NTPC and Project Company formed by Bidding Company/Bidding Consortium)

**INTEGRITY PACT**

**between**

NTPC Ltd., a Govt. of India Enterprise (hereinafter referred to as "NTPC")

and

___________ (hereinafter referred to as "Project Company/Solar Power Developer")

**Preamble**

NTPC invited the bids from all the eligible bidders against tender "Request for Selection (RfS) document for Selection of Solar Power Developers for ______ MW of Grid-connected Solar PV Power plants to be setup in the state of __________ (RfS document No. ____________ dated __________). In this bidding process M/s __________ has been selected as the successful bidder vide LOI No. ____________ dated _______ for setting up ______ MW of Solar Power Project under _______ category in the state of __________. As per the provisions of RfS documents, M/s ____________ has formed a Project Company/Special Purpose Vehicle (SPV) namely M/s ______________ (hereinafter referred to as the “Solar Power Developer / Project Company”) for development of ___ MW Solar Power Project (hereinafter called as “Solar Power Project”), generation and sale of solar power from this Solar Power Project and the Solar Power Developer / Project Company has accordingly entered into a Power Purchase Agreement bearing ref. no. ________________ _______ (hereinafter referred to as “PPA”) dated _____ with NTPC.

NTPC values full compliance with all relevant laws and regulations, and the principles of economical use of resources, and of fairness and transparency in its relations with its Solar Power Developer / Project Company.

In order to achieve these goals, Independent External Monitor (IEM) appointed by NTPC will monitor the development & operation of the Solar Power Project for compliance with the principles mentioned above.

**Section 1 Commitments of NTPC**

1. NTPC commits itself to take all measures necessary to prevent corruption and to observe the following principles in this regard.

   a) No employee of NTPC, either in person or through family members including relatives, will in connection with the development and operation of Solar Power Project, demand or accept a promise for or accept for him/herself or for a third person any material or immaterial benefit to which he/she is not legally entitled to.

   b) NTPC will exclude from the process all known prejudiced persons.
2. If NTPC obtains information that conduct of any of its employees is a criminal offence under the IPC/PC Act or if there be a substantive suspicion in the regard, NTPC will inform the Chief Vigilance Officer and in addition can initiate disciplinary actions.

Section 2 Commitments and Undertaking by the Solar Power Developer / Project Company

1. The Solar Power Developer / Project Company commits and undertakes to take all measures necessary to prevent malpractices & corruption. The Solar Power Developer / Project Company commits to observe the following principles during the development and operation of the Solar Power Project:

   a) The Solar Power Developer / Project Company undertakes not to directly or through any other person or firm offer, promise or give or influence to any employee of NTPC associated with the development and operation of Solar Power Project or to any third person on their behalf any material or immaterial benefit which he/she is not legally entitled, in order to obtain in exchange any advantage of any kind whatsoever during the development and operation of Solar Power Project.

   b) The Solar Power Developer / Project Company undertakes not to commit any offence under the relevant Anti-corruption Laws of India; further the Solar Power Developer / Project Company will not use improperly, any information or document provided by NTPC as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically for purposes of competition or personal gain and will not pass the information so acquired on to others.

   c) The Solar Power Developer / Project Company undertakes to disclose any and all payments made, is committed to or intends to make to agents, brokers or any other intermediaries in connection with the development and operation of Solar Power Project.

2. The Solar Power Developer / Project Company will not instigate and allure third persons/parties to commit offences outlined above or be an accessory to such offences.

Section 3 Exclusion from Future Tenders.

1. If the Solar Power Developer / Project Company during execution has committed a transgression through a violation of any provisions of Section 2 of this Integrity Pact or in any other form so as to put his reliability or credibility as Solar Power Developer / Project Company into question, NTPC shall be entitled to terminate the PPA on that ground.
2. If the Solar Power Developer / Project Company has committed a transgression through a violation of Section 2 of this Integrity Pact, such as to put his reliability or credibility into question, NTPC shall be entitled to exclude including blacklist and put on holiday the Solar Power Developer / Project Company for any future tenders/contract award process. The imposition and duration of the exclusion will be determined by the severity of the transgression. The severity will be determined by NTPC taking into consideration the full facts and circumstances of each case particularly taking in to account the number of transgressions, the position of the transgressions within the company hierarchy of the Solar Power Developer / Project Company and the amount of the damage. The exclusion will be imposed for a minimum of 3 years.

3. A transgression is considered to have occurred if NTPC after due consideration of the available evidence concludes that no reasonable doubt is possible.

4. The Solar Power Developer / Project Company with its free consent and without any influence agrees and undertakes to respect and uphold NTPC's absolute rights to resort to and imposed such exclusion and further accepts and undertakes not to challenge or question such exclusion on any ground, including the lack of any hearing before the decision to resort to such exclusion is taken. This undertaking is given freely and after obtaining independent legal advice.

5. Subject to full satisfaction of NTPC, the exclusion of Solar Power Developer / Project Company could be revoked by NTPC if the Solar Power Developer / Project Company can prove that he has restored/recouped the damage caused by him and has installed a suitable corruption prevention system in his organization.

**Section 4 Compensation for Damages including Forfeiture of Performance Bank Guarantees.**

1. If NTPC has terminated the PPA pursuant to Section 3 of this Integrity Pact, NTPC shall encash Performance Bank Guarantees in addition to excluding the Solar Power Developer / Project Company from the future award process.

2. In addition to 1 above, NTPC shall be entitled to take recourse to the relevant provisions of the PPA related to Termination of PPA due to Solar Power Developer / Project Company's Default.

**Section 5 Previous Transgressions**

1. The Solar Power Developer / Project Company swears on oath that no previous transgression occurred in the last three years immediately before signing of this Integrity Pact, with any other company in any country conforming to IT approach or including with the Public Sector Enterprise/Undertaking in India or any Government Department in India that could justify its exclusion from the tender process.
2. If the Solar Power Developer / Project Company makes incorrect statement on this subject, the PPA can be terminated on this ground.

Section 6 Company Code of Conduct

Solar Power Developer / Project Company is also advised to have a company code of conduct (clearly rejecting the use of bribes and other unethical behavior) and compliance program for the implementation of the code of conduct throughout the company.

Section 7 Independent External Monitors

1 NTPC has appointed competent and credible Independent External Monitor for this Pact. The task of the Monitor is to review independently and objectively, whether and to what extent the parties comply with the obligations under this agreement.

2 The monitor is not subject to instructions by the representatives of the parties and performs his functions neutrally and independently. He shall report to Chairman/CMD of the NTPC or a person authorized by him.

3 The Solar Power Developer / Project Company accepts that the Monitor has the right to access without restriction to all project documentations of NTPC including that provided by the Solar Power Developer / Project Company. The Solar Power Developer / Project Company will also grant the Monitor, upon his request and demonstration of a valid interest, unrestricted and unconditional access to this Solar Power Project Documentations. The same is applicable to Solar Power Developer / Project Company’s Subcontractors. The Monitor is under contractual obligation to treat the information and documents of the Solar Power Developer / Project Company/Sub-Contractors/Consortium member with confidentiality.

4 NTPC will provide to the Monitor sufficient information about all meetings among the parties related to the Solar Power Project provided such meetings could have an impact on the contractual relations between NTPC and the Solar Power Developer / Project Company. The parties offer to the Monitor the option to participate in such meetings.

5 As soon as the Monitor notices, or believes to notice, a violation of this agreement, he will so inform the Management of the NTPC (Chairman/CMD of the NTPC or a person authorized by him) and request to discontinue or to take corrective action, or to take other relevant action. The Monitor can in this regard submit nonbinding recommendations. Beyond this, the Monitor has no right to demand from the parties that they act in a specific manner, refrain from action or tolerate action. However, Independent External Monitor shall give an opportunity to the Solar Power Developer / Project Company to present its case before making its recommendations to NTPC.
6 The Monitor will submit a written report to Chairman/CMD of the NTPC or a person authorized by him within 8-10 weeks from the date of reference or intimation to him by the NTPC and, should the occasion arise, submit proposals for correcting problematic situations.

7 The Monitor shall be entitled to compensation on the same terms as being extended to /provided to Independent Directors of Board.

8 If the Monitor has reported to Chairman/CMD of the NTPC or a person authorized by him a substantiated suspicion of an offence under relevant IPC/PC Act, and he has not, within reasonable time, taken visible action to proceed against such offence or reported it to the Chief Vigilance Officer, the Monitor may also transmit this information directly to the Central Vigilance Commissioner, Government of India.

9 The word "Monitor" will include Singular or Plural.

Section 8 Integrity Pact Duration

The Integrity Pact comes into force from the date of signing by all the parties. It shall expire 12 months after the last payment to Solar Power Developer / Project Company under the PPA.

Dear Sirs,

1. With reference to our Bid dated.................... for “Selection of Solar Power Developers for Setting up Grid Connected Solar PV Power Projects, RfS No. RE-CS-0000-BOO-4, we hereby confirm that we have read the provisions of RfS document along with its subsequent Amendment(s) / Clarification(s) / Addenda/Errata and further confirm that our Stage-I (Technical) is strictly in conformity with the provisions of the RfS Document including its Amendments / Clarifications / Errata / Revisions thereof and we have not taken any deviation to any of the provisions of the aforesaid RfS document.

2. Further, we agree that the entire work for development of Solar Power Project(s) shall be performed as per the provisions of RfS document including Technical Requirements as per Annexure-1.

3. We confirm that any deviation/ variation / additional conditions to the provisions of RfS Document read in conjunction with its Amendment(s)/Clarification(s)/ Addenda / Errata found anywhere in our Stage-I: Technical Bid, implicit or explicit, save those pertaining to rebates offered, stands unconditionally withdrawn, without any cost implication whatsoever to the NTPC, failing which the EMD be forfeited.

4. We hereby confirm that our Technical Bid does not contain any Financial/Price content entry. However if anything is contained, we shall be solely responsible for any implication.

5. Further, we confirm that our Financial Bid will not contain any matter in respect of Technical and / or Commercial aspects other than the details specifically sought in the Financial Bid.

Annexure 1

Technical Requirements for Grid Connected Solar PV Projects

The following are some of the technical measures required to ensure quality of the PV modules used in grid connected solar photovoltaic power projects:

1. SPV Modules

1.1 The SPV modules used in the grid connected solar power projects must qualify to the latest edition of any of the following IEC PV module qualification test or equivalent BIS standards.

- Crystalline Silicon Solar Cell Modules  IEC 61215
- Thin Film Modules  IEC 61646
- Concentrator PV modules  IEC 62108

1.2 In addition, SPV modules must qualify to IEC 61730 for safety qualification testing at 1000 V DC or higher. The modules to be used in a highly corrosive atmosphere throughout their lifetime must qualify to IEC 61701.

2. Power Conditioners/ Inverters

The Power Conditioners/ Inverters of the SPV power plants must conform to latest edition of IEC / equivalent Standards as specified below:

- Efficiency Measurements  IEC 61683
- Environmental Testing  IEC 60068-2/ IEC 62093
- EM Compatibility (EMC)  IEC 61000-6-2, IEC 61000-6-4 & other relevant parts of IEC 61000
- Electrical safety  IEC 62103/ IEC 62109-1& 2
- Anti- Islanding Protection  IEEE 1547/ IEC 62116/ UL 1741 or equivalent BIS Standards

3. Other Sub-systems/ Components:

Other subsystems/ components used in the SPV power plants (cables, Connectors, Junction Boxes, Surge Protection Devices etc.) must also conform to the relevant international/national Standards for Electrical Safety besides that for Quality required for ensuring Expected Service Life and Weather Resistance. It is recommended that the Cables of 600-1800 Volts DC for outdoor installations should comply with the BS EN50618:2014/ 2pfg 1169/08.2007 for service life expectancy of 25 years.
4. Authorized Test Centers

The PV modules/Power Conditioners deployed in the power plants must have valid test certificates for their qualification as per above specified IEC /BIS standards by one of the NABL Accredited Test Centers in India. In case of module types like Thin Film and CPV/ equipment for which such Test facilities may not exist in India at present, test certificates from reputed ILAC Members Labs abroad will be acceptable.

5. Warranty

- PV modules used in grid connected solar power plants must be warranted for output wattage, which should not be less than 90% at the end of 10 years and 80% at the end of 25 years.

6. Identification and Traceability

Each PV module used in any solar power project must use a RF identification tag. The following information must be mentioned in the RFID used on each module (This can be inside or outside the laminate, but must be able to withstand harsh environmental conditions.)

i. Name of the manufacturer of PV Module
ii. Name of the Manufacturer of Solar cells
iii. Month and year of the manufacture (separately for solar cells and module)
iv. Country of origin (separately for solar cells and module)
v. I-V curve for the module at Standard Test Condition (1000W/m², AM1.5,250 C)
vi. Wattage, Im, Vm and FF for the module
vii. Unique Serial No and Model No of the module
viii. Date and year of obtaining IEC PV module qualification certificate
ix. Name of the test lab issuing IEC certificate
x. Other relevant information on traceability of solar cells and module as per ISO 9000

Site owners would be required to maintain accessibility to maintain accessibility to the list of Modules IDs along with the above parametric data for each module.

7. Performance Monitoring

All grid solar PV power plants must install necessary equipment to continuously measure solar radiation, ambient temperature, wind speed and other weather parameters and simultaneously measure the generation of DC power as well as AC power generated from the plant. They will be required to submit this data to NTPC and MNRE or any designated agency on line and/ or through a report on regular basis every month for the entire duration of PPA. In this regard they shall mandatorily also
grant access to NTPC and MNRE or any other designated agency to the remote monitoring portal of the power plants on a 24x7 basis.

8. Safe Disposal of Solar PV Modules:

The developers will ensure that all Solar PV modules from their plant after their ‘end of life’ (when they become defective/ non-operational/ non-repairable) are disposed of in accordance with the “e-waste (Management and Handling) Rules, 2011” notified by the Government and as revised and amended from time to time.

Special instructions to Bidders for e-Tendering

General

The Special Instructions (for e-Tendering) supplement Section-3 ‘Information and Instruction to Bidders’, as given in this Request for Selection (RfS) Document. Submission of Online Bids is mandatory for this Tender.

E-Tendering is a new methodology for conducting Public Procurement in a transparent and secured manner. Now, the Government of India has made e-tendering mandatory. Suppliers/ Vendors will be the biggest beneficiaries of this new system of procurement. For conducting electronic tendering, NTPC Ltd. has decided to use the portal https://www.tcil-india-electronic-tender.com through TCIL, a Government of India Undertaking. This portal is based on the world’s most ‘secure’ and ‘user friendly’ software from ElectronicTender®. A portal built using ElectronicTender’s software is also referred to as ElectronicTender System® (ETS).

Benefits to Suppliers are outlined on the Home-page of the portal.

Instructions

Tender Bidding Methodology:

Sealed Bid System

- Two Stage Bidding

Broad Outline of Activities from Bidder’s Perspective:

1. Procure a Digital Signing Certificate (DSC)-Class III and above.
2. Register on ElectronicTendering System® (ETS)
3. Create Marketing Authorities (MAs), Users and assign roles on ETS
4. View Notice Inviting Tender (NIT) on ETS
5. For this tender -- Assign Tender Search Code (TSC) to a MA
6. Download Official Copy of Tender Documents from ETS
7. Clarification to Tender Documents on ETS
   - Query to NTPC (Optional)
   - View response to queries posted by NTPC
8. Bid-Submission on ETS
9. Post-TOE Clarification on ETS (Optional)
   – Respond to NTPC Post-TOE queries
10. Participate in reverse auction if invited.
For participating in this tender online, the following instructions are to be read carefully. These instructions are supplemented with more detailed guidelines on the relevant screens of the ETS.

**Digital Certificates**

For integrity of data and authenticity/ non-repudiation of electronic records, and to be compliant with IT Act 2000, it is necessary for each user to have a Digital Certificate (DC), also referred to as Digital Signature Certificate (DSC), of Class III or above, issued by a Certifying Authority (CA) licensed by Controller of Certifying Authorities (CCA) [refer http://www.cca.gov.in].

**Registration**

To use the ElectronicTender® portal https://www.tcil-india-electrionictender.com, vendors need to register on the portal. Registration of each organization is to be done by one of its senior persons who will be the main person coordinating for the e-tendering activities. In ETS terminology, this person will be referred to as the Super User (SU) of that organization. For further details, please visit the website/portal, and click on the ‘Supplier Organization’ link under ‘Registration’ (on the Home Page), and follow further instructions as given on the site. Pay Annual Registration Fee as applicable.

After successful submission of Registration details and Annual Registration Fee, please contact TCIL/ ETS Helpdesk (as given below), to get your registration accepted/activated

**Important Note:**
1. Interested bidders have to download the RfS & other documents after login into the TCIL website by using the Login ID & Password provided by TCIL during registration. If the documents are downloaded from TCIL website without logging into the TCIL portal then the bidders will not be able to upload the filled in Bids.
2. In case of bidding consortium where neither the Bidding Consortium itself nor its Lead Member has downloaded the RfS documents, Super User of the consortium member who has downloaded the RfS document shall create a User Id in favour of the nominated person of the Lead Member who has been authorized to submit the bid on behalf of the consortium. For any help in this regard kindly contact TCIL /ETS Helpdesk.
3. To minimize teething problems during the use of ETS (including the Registration process), it is recommended that the user should peruse the instructions given under ‘ETS User-Guidance Center’ located on ETS Home Page, including instructions for timely registration on ETS. The instructions relating to ‘Essential Computer Security Settings for Use of ETS’ and ‘Important Functionality Checks’ should be especially taken into cognizance.

Please note that even after acceptance of your registration by the Service Provider, to respond to a tender you will also require time to complete activities related to your organization, such as creation of users, assigning roles to them, etc.

Some Bidding related Information for this Tender (Sealed Bid)

The entire bid-submission would be online on ETS (unless specified for Offline Submissions). Broad outline of submissions are as follows:

- Submission of Bid-Parts
  - **Stage-I (Technical Bid)** (Technical-Part and Excel Sheet as mentioned in Section-3.)
  - **Stage-II (Financial Bid)** - to be submitted by those bidders only who receives an invitation from NTPC for submission of Financial Bids.

- Submission of digitally signed copy of Tender Documents/ Addendum online.

**Offline Submissions:**

In addition to the above, the bidders are required to submit certain documents physically offline also as per clause 3.12, Section-3 failing which the technical bids and Financial Bids will not be opened.

**Special Note on Security and Transparency of Bids**

Security related functionality has been rigorously implemented in ETS in a multi-dimensional manner. Starting with ‘Acceptance of Registration by the Service Provider’, provision for security has been made at various stages in Electronic Tender's software. Specifically for Bid Submission, some security related aspects are outlined below:

As part of the ElectronicEncrypter™ functionality, the contents of both the ‘ElectronicForms’ and the ‘Main-Bid’ are securely encrypted using a Pass-Phrase created by the Bidder himself. Unlike a ‘password’, a Pass-Phrase can be a multi-word sentence with spaces between words (eg I love this World). A Pass-Phrase is easier to remember, and more difficult to break. It is recommended that a separate Pass-Phrase be created for each Bid-Part. This method of bid-encryption does not have the security and data-integrity related vulnerabilities which are inherent in e-tendering systems which use Public-Key of the specified officer of a Buyer organization for bid-encryption. **Bid-encryption in ETS is such that the Bids cannot be decrypted before the Public Online Tender Opening Event (TOE), even if there is connivance between the concerned tender-opening officers of the Buyer organization and the personnel of e-tendering service provider.**

**CAUTION:** All bidders must fill ElectronicForms™ for each bid-part sincerely and carefully, and avoid any discrepancy between information given in the ElectronicForms™ and the
corresponding Main-Bid. If it is found during the TOE that a bidder has not filled in the complete information in the ElectronicForms™, the TOE officer may make available for downloading the corresponding Main-Bid of that bidder at the risk of the bidder. If variation is noted between the information contained in the ElectronicForms™ and the ‘Main-Bid’, the contents of the Main Bid shall prevail.

In case of any discrepancy between the values mentioned in figures and in words, the value mentioned in words will prevail.

The bidder shall make sure that the Pass-Phrase to decrypt both Technical and Financial Bids are submitted along with other offline documents before deadline of submission of bid. The Pass-Phrase for both Technical and Financial Bids are required to be submitted in separate sealed envelopes in separate Stages.

There is an additional protection with SSL Encryption during transit from the client-end computer of a Supplier organization to the e-tendering server/ portal.

**Some Bidding related Information for this Tender (e-ReverseAuction)**

e-ReverseAuction would be conducted after short-listing of qualified bidders as per Clause 3.12.4.

**Other Instructions**

For further instructions, the vendor should visit the home-page of the portal [https://www.tcil-india-electrionictender.com](https://www.tcil-india-electrionictender.com), and go to the User-Guidance Center

The help information provided through ‘ETS User-Guidance Center’ is available in three categories – Users intending to Register / First-Time Users, Logged-in users of Buyer
organizations, and Logged-in users of Supplier organizations. Various links (including links for User Manuals) are provided under each of the three categories.

Important Note: It is strongly recommended that all authorized users of Supplier organizations should thoroughly pursue the information provided under the relevant links, and take appropriate action. This will prevent hiccups, and minimize teething problems during the use of ETS.

SIX CRITICAL DO’S AND DON’TS FOR BIDDERS

Specifically for Supplier organizations, the following 'SIX KEY INSTRUCTIONS for BIDDERS' must be assiduously adhered to:

1. Obtain individual Digital Signing Certificate (DSC or DC) of Class III or above well in advance of your first tender submission deadline on ETS. (DSC is required for registration as a bidder at the portal).

2. Register your organization on ETS well in advance of the important deadlines for your first tender on ETS viz ‘Date and Time of Closure of Procurement of Tender Documents’ and ‘Last Date and Time of Receipt of Bids’. Please note that even after acceptance of your registration by the Service Provider, to respond to a tender you will also require time to complete activities related to your organization, such as creation of users, assigning roles to them, etc.

3. Get your organization’s concerned executives trained on ETS well in advance of your first tender submission deadline on ETS.

4. Submit your bids well in advance of tender submission deadline on ETS (There could be last minute problems due to internet timeout, breakdown, et al).

5. It is the responsibility of each bidder to remember and securely store the Pass-Phrase for each Bid-Part submitted by that bidder. In the event of a bidder forgetting the Pass-Phrase before the expiry of deadline for Bid-Submission, facility is provided to the bidder to ‘Annul Previous Submission’ from the Bid-Submission Overview page and start afresh with new Pass-Phrase(s). The bidders may note that as per Clause 3.25, Section 3 Earnest Money Deposit will be forfeited due to non submission of correct, valid and operative Pass-Phrase to decrypt either the Technical Bid Part or Financial Bid Part into the ‘Time Locked Electronic Key Box (EKB)’.

6. ETS will make your bid available for opening during the Online Public Tender Opening Event (TOE) ‘ONLY IF’ your ‘Status pertaining Overall Bid-Submission’ is ‘Complete’. For your record, you can generate and save a copy of ‘Final Submission Receipt’. This receipt can be generated from ‘Bid-Submission Overview Page’ only if the ‘Status pertaining overall Bid-Submission’ is ‘Complete’.
NOTE:
While the first three instructions mentioned above are especially relevant to first-time users of ETS, the fourth, fifth and sixth instructions are relevant at all times.

Minimum Requirements at Bidder’s End

- Computer System with good configuration (Min PIV, 1 GB RAM, Windows 7 and above)
- Broadband connectivity
- Microsoft Internet Explorer 7.0 or above
- Digital Certificate(s)

Vendors Training Program

One day training program on chargeable basis (10:00 Hrs to 17:00 Hrs) would be provided by M/s TCIL. The cost of training to be provided by M/s TCIL shall be payable directly to M/s TCIL. The authorized representative(s) of interested bidders (i.e. Solar Power Developer (SPD) / Supplier organization) who wish to attend the training program are requested to carry a Laptop with Wireless Internet Connectivity.

TERMS & CONDITIONS OF REVERSE AUCTION

After opening of Stage-II: Financial Bids and short-listing of bidders based on the First Round Quoted Tariff and capacity of qualified Project(s), NTPC shall resort to "REVERSE AUCTION PROCEDURE". Reverse Auction shall be conducted as per methodology specified in Section-3 and other provisions of Reverse Auction in RfS documents and their subsequent Addenda/ Amendments. Bidders, in their own interest, are advised to go through the documents in entirety. The Terms & Conditions and Business Rules mentioned hereunder are in brief and may not give complete explanations. Further these are supplementary in nature.

1. Bidders shall ensure online submission of their ‘Bid Price’ within the auction period.

2. TCIL will provide all necessary training and assistance before commencement of reverse auction to the interested bidders on chargeable basis to be paid directly to TCIL.

3. Business rules for Reverse Auction like event date, time, bid decrement, extension etc. shall be as per the business rules, enumerated in the RfS document or intimated later on, for compliance.

4. Reverse auction will be conducted on scheduled date & time, as informed to the bidders.

6. If the Bidder or any of his representatives are found to be involved in Price manipulation/ cartel formation of any kind, directly or indirectly by communicating with other bidders, action as per extant NTPC guidelines shall be initiated by NTPC.

7. The Bidder shall not divulge either his Bids or any other exclusive details of NTPC to any other party.

8. Period of validity of Prices received through Reverse Auction shall be same as that of the period of validity of bids offered.

9. Bidders should also note that:
   a) Bidders may note that, although extension time is ‘8’ minutes, there is a time lag between the actual placing the bid on the local computer of the bidder and the refreshing of the data on to the server for the visibility to the Owner. Considering
the processing time for data exchange and the possible network congestion, bidders must avoid the last minute hosting of the Financial Bid.

b) Participating bidder will agree to non-disclosure of trade information regarding the purchase, identity of NTPC, bid process, bid technology, bid documentation and bid details.

c) It is brought to the attention of the bidders that the bid event will lead to the final price of bidders only.

d) Technical and other non-commercial queries (not impacting price) can only be routed to the NTPC contract personnel indicated in the RfS document.

e) Order finalization and post order activities such issue of LOI, signing of PPA etc would be transacted directly between successful bidder(s) and NTPC.

f) LOI may be placed outside the e-portal & further processing of the LOI may also be outside the system.

g) In case of any problem faced by the bidder during Reverse Auction and for all Bidding process related queries, bidders are advised to contact the persons indicated in Annexure – 4 of the RfS document.

h) Bidders are advised to visit the auction page login into the system well in advance to identify / rectify the problems to avoid last minute hitches.

i) NTPC will not be responsible for any PC configuration/Java related issues, software/hardware related issues, telephone line glitches and breakdown / slow speed in internet connection of PC at Bidder’s end.

j) Bidders may note that it may not be possible to extend any help, during Reverse Auction, over phone or in person in relation to rectification of PC / Internet / Java related issues and Bidder may lose the chance of participation in the auction.

10. For access to the Reverse Auction site, the following URL is to be used: https://www.tcil-india-electronic tender.com

11. No queries shall be entertained while Reverse Auction is in progress.

BUSINESS RULES OF REVERSE AUCTION

Reverse Auction shall be conducted as per methodology specified in Section-3 and other provisions of Reverse Auction in RfS documents and their subsequent Addenda/Amendments. Bidders, in their own interest, are advised to go through the documents in entirety. The Business Rules mentioned hereunder are in brief and may not give complete explanations. Further these are supplementary in nature.
i. The ‘Opening Price’ of each bidder i.e. start price for RA will be the “First Round Tariff Bid” quoted by the respective bidder in its financial bid for the qualified Project(s).

ii. Bid Decrement shall be at least INR 0.01 i.e. 01 paisa and in multiples thereof.

After completion of the online Reverse Auction, the last quoted price of each bidder shall be available for further processing. If no bid is received in the auction system/website within the specified time duration of the online RA, then NTPC may consider the “First Round Tariff” bid received through e-tendering for selection.

Online Reverse Auction shall be conducted by NTPC on pre-specified date and time, while the bidders shall be quoting from their own offices/place of their choice. Internet connectivity shall have to be ensured by bidders themselves.

During the RA any requests for extension of time will not be considered by NTPC. Bidders are therefore requested to make all the necessary arrangements/alternatives whatever required so that they are able to participate in the Reverse Auction successfully. Failure of power or loss of connectivity at the premises of bidders during the Reverse Auction cannot be the cause for not participating in the Reverse Auction. NTPC shall not be responsible for such eventualities.

Bidders are advised to get fully trained and clear all their doubts such as refreshing of Screen, capacity/number of Projects being auctioned, auction rules etc.

NTPC reserves the right to cancel/reschedule/extend the Reverse Auction process/tender at any time, before ordering, without assigning any reason.

NTPC shall not have any liability to bidders for any interruption or delay in access to the auction website irrespective of the cause. In such cases, the decision of NTPC shall be binding on the bidders.

Other terms and conditions shall be as per bidder’s bid and as per NTPC’s RfS documents and other correspondences, if any, till date.
