

Bharat ka Amrit Mahotsav | Theme: Green Energy Corridor

3rd September 2021 – 3 PM

“Interactive session on Inter State Transmission System”

In order to commemorate 75 years of Indian Independence, the Government of India is organizing “Bharat Ka Amrut Mahotsav” in 75 dedicated weekly themes pertaining to respective sectors.

The Green Energy Corridor (GEC) Division, Ministry of New & Renewable Energy, is organizing an interactive session/webinar on Inter State Transmission System (ISTS) as part of “Bharat ka Amrit Mahotsav”. The objective of the webinar is to discuss the ISTS being implemented for power evacuation and grid integration for identified Renewable Energy Zones (REZ) with aggregate capacity of 66.5 GW, with experienced panellists from the Central/State Governments and other organizations.

All concerned are cordially invited to attend the virtual session. The event is FREE for all participants; however, prior registration is required. The event link and other details will be shared with registered participants.

Registration Link:
