Hearing dated : 28-12-2021

DAILY ORDER

Order pronounced.

“8.13. In result, the following directions are given-.

- a) The petitioner is eligible for extended period for utilisation of 1/5th of banked energy upto May 2010. The respondent is directed to give effect to the same.
- b) While doing so, the current generation shall have to be adjusted first against consumption and only thereafter the 1/5th of the unutilised banked energy shall be adjusted.
- c) The respondent shall re-work the billing in line with paras (a) & (b) for the period 2010-11. Ordered accordingly.

“5.15.In view of the above observations, the Commission is of the opinion that the Supplemental Agreement executed by the parties on 06-09-2006 is inconsistent to the extent of lapsing of unutilized energy vis-à-vis the SMP Order No.3 of 2006 dated 15-05-2006. The Banking arrangement and unutilised banked energy shall be dealt with as provided for under Para 10.4 of the Order. It is because in many of the cases, as referred above, the Commission held that the renewal of old agreements/signing of new agreements shall be in line with the Order No.3 of 2006. In view of the same, the petitioner is eligible for payment of unutilised banked energy at the rate of 100% of normal purchase rate as provided under Commission’s Order No.6 of 2012 dated 31.07.2012 during the period as the restriction and control measures were in force then.

The payment is to be made within 30 days of this order along with applicable interest”.

“5.8 The KUSUM component A scheme is applicable for capacities from 500 KW to 2 MW as per MNRE guidelines dt.22.7.2019.As per the instructions of MNRE in the Office Memorandum 32/645/2017 SPV Division Dt.13.11.2020, solar power projects less than 500 KW may also be allowed under KUSUM Component A based on techno-commercial feasibility. Depending on the quantum contracted in the approved bid process tendered in January 2021 for KUSUM A, the solar power plants developed under the Gross metering concept under the Commission’s GISS regulations/Tariff order for GISS in the capacity range of 151 KW to 999 KW may be considered under Component A scheme for the purpose of obtaining Procurement Based Incentive from MNRE. If the capacity under Component A exceeds the sanction of MNRE, approval from MNRE may be obtained for additional capacities. Since the component A scheme is beneficial to both the distribution licensee and the farmers, TANGEDCO shall make adequate publicity through print and electronic media”.

Thiru.Richardson Wilson, Additional Government Pleader appeared for TANGEDCO. Thiru.Shiva Mohan, Advocate from M/s.S.Ramasubramaniam & Associates appeared for Respondent i.e.,M/s.ITC Limited. Brief arguments heard from both sides. The counsel for the petitioner submitted that in the absence of challenge to the Government of India Rules, 2005, the impugned order is not sustainable and requires review. The counsel for respondent has raised objection on the maintainability of the petition itself and sought time to file counter affidavit on maintainability. Commission directed the respondent i.e., M/s.ITC Limited to file counter affidavits both on the maintainability and as well as on the merit. Petition not admitted. At the request of the respondent side, the case is adjourned to 11.01.2022 for filing counter on the maintainability and merits.
