A. INTRODUCTION

1.0 Solar Energy Corporation of India Limited (hereinafter called “SECI”) is a Government of India Enterprise under the administrative control of the Ministry of New & Renewable Energy (MNRE). One of the main objectives of the Company is to assist the Ministry and function as the implementing and facilitating arm of the National Solar Mission (NSM) for development, promotion and commercialization of solar energy technologies in the country.

The company is responsible for implementation of a number of schemes of MNRE for large-scale grid-connected projects under NSM, solar park scheme and grid-connected solar rooftop scheme along with a host of other specialised schemes. In addition, SECI is also developing its own Solar, Floating & Hybrid innovative RE Projects & is providing consultancy services to various major CPSUs for developing turnkey basis RE Projects. The company also has a power trading license and is active in this domain through trading of RE power from projects set up under the schemes being implemented by it.

2.0 The Government of Uttar Pradesh (UP) has appointed SECI as an implementing agency for selection of Solar Power Developers for Setting up of Solar Power Plant(s) for Solarization Of (Segregated) Agri-Feeders in Uttar Pradesh, India.

3.0 On behalf of the Government of UP, SECI invites Expression of Interest from applicants for Lease/Sale of required Land to Solar Power Developers for Setting up of Solar Power Plant(s) for Solarization Of (Segregated) Agri-Feeders in Uttar Pradesh (hereinafter called as “the State”). As per the requirement of SECI, the applicants shall be empanelled to provide their land to solar power developers on lease/ sale basis. In case of lease, the tenure for lease shall be 30 years from the date of signing of lease agreement.

4.0 The proposed Solar PV Project is to be set up at the designated land location(s) in the state of Uttar Pradesh, which will be identified, Leased or acquired & purchased by the selected Solar Power Developer (SPD). Depending upon the requirement, the preference shall be given to Land Banks/Parcel on the basis of cost of purchase/lease, distance to Discom Substation, etc. There should not be any government restriction in setting up of Solar Power Project in the Land Bank/Parcel.

5.0 The purpose of inviting this EOI is to identify the applicants who are interested in Leasing/sale of their land for setting up of solar power plants in the State. In case any successful solar power developer as selected by SECI is willing to purchase/lease out land for its Project, it may contact any of the empanelled land owners/aggregators for further process of land acquisition. The selected developers will require either to purchase the land outright or take the same on lease (on

mutually agreed terms) from the land owners. Also, they are free to source land of their own to develop the solar projects. Further there shall be no liability on SECI, irrespective of the outcome of the Expression of Interest.

- 6.0 SECI’s role in this process is that of a facilitator to gather information from aggregators/ owners on land available, which shall be shared with prospective developers as part of a separate RfS to be released for solar plants. SECI won't carry out any evaluation (financial, legal or technical) of the land being offered under this EOI. Land acquisition shall be totally in the developer's scope, who may opt to source land of their own as well.
- 7.0 SECI is exploring the possibilities for setting up of solar power plants for Solarization Of (Segregated) Agri-Feeders in Uttar Pradesh, India. Therefore, SECI invites bids from Private Land Owner/ Land Aggregators/ Registered Farmer Producer Organization/ Entrepreneurs/ Sole Proprietorships / Partnerships / Limited Liability Partnerships / Consortium / Companies / Cooperative Societies / Technology Providers / Registered NGO/ Registered trust/ Government Agencies/Government Companies/ Public Sector Undertakings (**herein after called as the “Applicant”**) for Leasing/procurement of land of minimum 4 Acres contiguous land in a single location. In case it is leased, the lease agreement shall be signed with applicant for 30 years. The applicant can submit their bid/application for multiple locations, provided that the land is of minimum area of 4 acres at each location, subject to fulfilment of technical requirement as mentioned in said document. for Lease/Sale of required Land to Solar Power Developers for Setting up of Solar Power Plant(s) for Solarization Of (Segregated) Agri-Feeders in Uttar Pradesh.
- 8.0 The aim of this EOI will be to identify suitable land parcels required to develop the solar plants in advance, so that detailed information of available land could be shared to give comfort and confidence to the prospective Solar Project Developers.
- 9.0 The validity of an offer to sale or lease out land is kept as 180 days from the date of opening the bids. However, SECI at its own discretion may request an applicant to increase the validity period of the offer beyond stipulated 180 days with prevailing terms & conditions of the tender to which the applicant may or may not agree. SECI shall not bear any liability, including financial, arising due to extension of the offer validity by the applicant.
- 10.0 The complete EOI Documents are available on SECI’s website <http://www.seci.co.in>. Accordingly, the online bids have to be emailed by the respective applicants to contracts@seci.co.in, clearly mentioning the subject as **“Response to EOI for Sourcing of land from Prospective Land Owners/Aggregators for Lease/Sale of Required Land to Solar Power Developers for Setting up of Solar PV Projects for Solarization of Agri-Feeders**

- i. The technical proposals of only those applicants will be opened by SECI whose required documents are received on or before due date of bid submission. Documents

EOI for Sourcing of land from Prospective Land Owners/Aggregators for Lease/Sale of Required Land to Solar Power Developers for Setting up of Solar PV Projects for Solarization of Agri-Feeders in Uttar Pradesh	EOI No. SECI/C&P/EOI/11/0001/2021-22	Page 7 of 19
---	---	--------------

received after the bid submission due date shall be rejected outrightly and returned unopened.

- ii. During the evaluation process of eligible applicants, SECI may seek clarifications/additional documents from the applicants. Applicants shall be required to respond to any clarifications/additional documents within 7 days from the date of such intimation from SECI. All correspondence in this regard shall be made through online mode (**email**) only. It shall be responsibility of applicants to ensure the working functionality of their email IDs. SECI shall not be responsible for rection of any bid on account of above.

2. Price Bid Proposal Evaluation (SECOND Envelope)

- i. Second Envelope (Containing Price bid) of only those bidders/applicants shall be opened whose technical bids are found to be qualified. Prices are to be submitted in the form of INR/Acres. The quoted price shall include all commissions, if any and will be exclusive of applicable taxes, stamp duties and registration charges.
- ii. The evaluation of land shall be done district wise for each substation of DISCOM, based on criteria mentioned in the technical specification above. In case the applicant is willing to lease the land (in INR/acre) annually, the same shall be mentioned in the price bid.
- iii. Thereafter, for each Discom, the applicants will ranked in ascending order, starting from the L1 price, i.e. the lowest of Sale/lease price in INR/acre.
- iv. The Applicant including its Parent, Affiliate or Ultimate Parent or any Group Company shall submit their proposal by offering an average cost for each land parcel. Shortlisting of parcels will be done based on their respective price quoted in price bid format. The Price has to be quoted up to two places of decimal only. If it is quoted with more than two digits after decimal, it shall be ignored after first two decimal places. (For e.g., if the quoted Price is INR 4.056 lakhs/Acre, then it shall be considered as INR 4.05 lakhs/Acre only).
- v. To ascertain applicants' ultimate ranking, all the applicants are required to mention the nearest distance from STU substation from Annexure-1.
- vi. If the quoted price is same for two or more Bidders for a particular project, then all the Bidders with same quoted price shall be considered of equal rank/ standing in the order.

E. SELECTION METHODOLOGY

The evaluation of land shall be done district wise for each substation of as mentioned in Annexure-1 based on criteria mentioned in the technical specification above. All the applicants whose technical and price bids are found to be in order, will be empaneled by SECI under the EOI.
