

DELHI ELECTRICITY REGULATORY COMMISSION

PRESS NOTE

Delhi Electricity Regulatory Commission (DERC) bagged the prestigious **SKOCH SILVER AWARD** **“Power & Energy”** under insightful leadership of Justice Shabihul Hasnain ‘Shastri’, Chairperson, Dr. A.K. Ambasht, Member, and Sh. Mukesh Wadhwa, Secretary for its outstanding contribution towards *“Ensuring Quality, Accessibility & Availability (24x7) of Power at Affordable Price Focusing Sustainable Environment”* from SKOCH Group on its 78th SKOCH Summit organized on 6th January 2022 under the theme of “State of Governance”.

DERC focused its contribution towards Sustainable Environment, through its innovative and consumer friendly Regulations promoting Green & Clean Power like Net Metering Regulations 2014, Virtual Net Metering and Group Metering Guidelines 2019, Schemes under Demand Side Management Regulations 2014, Charging Stations for Electric Vehicles etc. which matches with one of the eight Millennium Development Goals adopted by United Nations. Further, various steps related to significant decrease in AT&C Loss levels by Delhi, which is far below than the National Average, and ensuring 24x7 supply of Power at an Affordable Tariff were also highlighted by DERC.

The Question & Answer Session in the Summit was addressed by Shri Himanshu Chawla, Jt. Director (DERC) in front of Jury Members & members of SKOCH Group and he along-with Ms Prashasti De, Dy. Director (DERC) accepted the award on behalf of DERC.

SKOCH Group is India’s leading think tank dealing with socio-economic issues with a focus on inclusive growth since 1997. SKOCH Group is able to bring an Indian felt-needs context to strategies and engages with fortune-500 companies, state owned enterprises, government to SMEs and community-based organisations with equal ease. SKOCH Group has instituted India’s highest independent civilian honours in the field of Governance, Finance, Technology, Economics and Social Sector.
