

The Ministry of New and Renewable Energy (MNRE) and Ministry of External Affairs (MEA), Government of India, in collaboration with The Energy and Resources Institute (TERI), India and the ASEAN Centre for Energy (ACE), Indonesia, are jointly hosting an '**ASEAN-India High Level Conference on Renewable Energy (RE)**' on **7-8 February, 2022**, in a virtual format. The theme for the conference is '**Experience and Innovations for Integrated Renewables Market**'.

The ASEAN-India High Level Conference on Renewable Energy will provide a platform for peer-to-peer discussions on technology, policy and regulatory frameworks amongst experts from Governments, academia, electrical utilities and industry from India and ASEAN member countries. It will provide for a meaningful exchange of ideas, information and experience on various aspects of RE deployment.

The registration link for Conference is given below:
