**SECTION-I**  
**BID INVITATION**

**Brief Description of Tender Process**

- **Divisional General Manager, Maharashtra Energy Development Agency, Divisional office Latur,** on behalf of **MEDA (the Employer),** invites eligible bidder to submit a tender in accordance with the provisions of this Tender Document. In this Tender Document, the term "Bidder", which expression shall, unless repugnant to the context, include all parties who have submitted tender in response to this Tender Document within the stipulated time frame for submission.
- The Bidders shall submit the bids in two parts by following e-tendering process described in tender document. First part comprises of the technical bid and the second part comprise of the financial bid in accordance with this Tender Document.
- In terms of the Tender Document, a Bidder will be required to deposit non- refundable Tender document fee, along with its tender the refundable Earnest Money Deposit (EMD).
- MEDA will open the technical bid of the Bidder, by e-tendering process. The financial bid will be opened of those bidders which will be qualified in the technical bid.

DESIGN, MANUFACTURE, SUPPLY, INSTALLATION, TESTING AND COMMISSIONING WITH FIVE YEARS COMPREHENSIVE MAINTENANCE CONTRACT OF ON-GRID SPV POWER PLANTS CAPACITY OF 120 KWP AT 24 PRIMARY HEALTH CENTERS (PHC) IN NANDED DISTRICT IN THE STATE OF MAHARASHTRA.

**1. Scope of Work**

- Design, Manufacture, Supply, Installation, Testing and Commissioning with five years comprehensive maintenance contract for 120 KW Grid Connected Solar Power Plants at 24 Primary Health Centers (PHC) in Nanded District in the state of Maharashtra on “Turnkey” Contract Basis and as described in the Bidding Document.
- Free replacement of defective components of systems within Comprehensive Maintenance period (CMC) of 5 years after commissioning of the project for efficient running of the system. It is convenient for bidder to quote after the all site visit.
- The Successful bidder should complete this project in given time to get maximum Incentives to the beneficiary. MEDA will not be responsible for receiving no incentives / less incentive to the beneficiary due to delay in project work.
- Detailed planning for smooth execution of project.
- Selected Bidder shall be bound to operate and maintain the system as per the rules, regulations and modalities as prescribed by MNRE and MEDA for the effective functioning of the project.
- Remote Monitoring System (RMS) with 5years recharge plan of WiFi/GSM is necessary to install at the location and provide quarterly generation report upto 5 years after commissioning of project to Divisional Office, MEDA, Latur.
- Successful bidder should be responsible for providing net metering system from MSEDCL. Installation of net metering system is prime responsibility of successful bidder. For this bidder have to submit the application with all necessary documents and fees to MSEDCL. Successful bidder shall provide sealed and tested energy meter at consumption site and generation site of SPV Power Plant along with bidirectional meter.
- These Works are to be carried at 24 Primary Health Center (PHC) in Nanded District in the state of Maharashtra. **Bidder should quote only after the site visit and Upload Site Visit format duly signed by beneficiary and bidder along with GPS photographs in which bidders representstive must be shown.**
- Successful bidder shall obtain the statutory permission and clearances from MSEDCL and other authorities required for successful commissioning of the project.
- **Time is the essence in completing the Works:** The bidder shall ensure that Solar PV Power Generation Plant should be installed within 90 Days at all sites and Net metering installation at all sites should be completed within next 90 Days after installation of SPV plants. However total project completion period should not exceed 180 days.

DESIGN, MANUFACTURE, SUPPLY, INSTALLATION, TESTING AND COMMISSIONING WITH FIVE YEARS COMPREHENSIVE MAINTENANCE  
CONTRACT OF ON-GRID SPV POWER PLANTS CAPACITY OF 120 KWP AT 24 PRIMARY HEALTH CENTERS (PHC) IN NANDED DISTRICT IN  
THE STATE OF MAHARASHTRA.

- Pre-bid meeting shall be the part of Tender document. Decisions taken in the pre-bid meeting will be applicable to the tender. Minutes of pre-bid meeting will be uploaded on web-site. Accordingly, bidders have to quote the price and submit necessary documents with the tender.
- Bids shall be complete and cover all works described in the tender. However if any item of works required for completing the project shall be deemed to be included in beneficiary scope; irrespective of whether it is specifically mentioned or not in the tender document.
- Bidder should obtain the statutory permissions from statutory bodies wherever required for execution of works.
- Partial bids or bids which do not cover the entire scope of the project will be treated as incomplete and not responsive to the terms and conditions of tender are liable to be rejected.
- Civil structure must be authorized by Chartered Engineer (Civil) and provide structure certificate.
- All EPC work including the transportation of material and machinery to and from the project site will be the responsibility of the Bidder. Bidder shall bear all risk of loss and damage to any part of the solar power plant due to conditions not on account of MEDA and should comply with the standard safety guidelines for all the activities at site.
- Each panel assembly should have at least 4 pedestal support. The minimum spacing between pedestals is 2.0 m c/c in any direction. Each pedestal is made of cement concrete. Each pedestal can transmit at most 200 kg load on roof. The plan dimension of pedestal does not exceed 450mm x 450mm and height does not exceed 300mm.
- The supplier will supply and install required size of water tank, pump, pipe etc. for cleaning the PV modules. Client will provide water piping from source to inlet of such water tank.
- Each panel assembly shall incorporate one bird repellent spike at a level higher than the panel upper edge. The location of the spike should be selected for minimum shadow effect.
- Selected bidder should submit the SLD of project, Cable Layout, Panel Layout, structural layout and material specifications within 7-10 days from the date of allotment of work order for approval from the DGM Office, hence After approval selected bidder will be allowed to start the installation work for the same.
- Selected bidder should provide MNRE Declared/ Approved list of present year 2022-23 for the installation of solar system with indicating the equipments in the Approved list for approval from division office.
- Installed inverter capacity should be equivalent to the solar DC power of plant capacity.
- Selected bidder should follow the MNRE Declared/ Approved list of equipments like inverter, solar

panels etc of latest year 2022-23 for the installation of solar system.

- **PRE DISPATCH INSPECTION**

Successful bidder shall inform MEDA for pre dispatch inspection(PDI) at their manufacturing facility or storage place by prior intimation of 15 days. After getting clearance from MEDA supplier may dispatch the material at site And after the pre dispatch inspection bidder can start the work of installation.

## **2. Eligibility**

The bidder shall provide sufficient documentary evidence to satisfy the following conditions:

- Manufacture/supply the material (module & inverter) only as per the standards mention in tender document. They should provide valid IEC certificate of SPV Module & Inverter and test report from authorized test centre of MNRE GoI.
- Bidder shall have the experience for installation & commissioning of grid connected solar power plant for cumulative capacity of 200 kW and a single project of minimum capacity 10 kW installed, commissioned & working successfully for at least one year. Bidder should provide the completion certificates of completed and work orders along with purchase orders of in hand projects.
- Cumulative Annual Turnover of the Company/Firm/Corporation in the last three financial years should be at least Rs. 1,00,00,000/- (Rupees One crore only) (This must be the individual Company's turnover and not that of any group of Companies; A summarized sheet of turnover for last three years with average turnover certified by registered CA should be compulsorily enclosed).
