INTERIM ORDER

The Commission heard the Petitioner and Respondent No. 1 & 2 at some length.

The Commission has particularly raised issue of admissibility of the Petition in the present form. Further, the Commission has also noted that the Petition is incomplete and deficient. A deficiency note dated 12.01.2022 was issued to the Petitioner but till date Petition is not cured and is still incomplete.

In response to the above observations of the Commission, the Petitioner has sought 4 weeks time to file an amended Petition to address all the concerns raised by the Commission.

In view of the above, the Commission grants liberty to the Petitioner to file an amended Petition within 4 weeks with an advance copy to the Respondents.

Ordered accordingly.
