To,

**The Corporate Relations Department
BSE Limited**

PJ Towers, 25th Floor,
Dalal Street, Mumbai – 400 001.

Company Scrip Code: 542851

Dear Sir/Madam,

Sub.: Gensol clinches deals worth 37.5 Crores for building solar power projects of around 15 MW MWp cumulative capacity in the states of Goa, Gujarat and Punjab

Ref: Intimation under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), we would like to inform you that the Company has, in the months of April and May, 2022, in normal course of business, received purchase orders from reputed clients for the development of solar power projects aggregating to a capacity of around 15 MWp in the states of Goa, Gujarat and Punjab. The cumulative order value of these projects is pegged at over Rs. 37,50,00,000.00 (Indian Rupees Thirty Seven Crores and Fifty Lakhs) exclusive of taxes. Out of the total ordered capacity, only 500 kWp is rooftop solar project while all other projects will be installed on ground for captive use of the clients.

We request you to take the above information on your records and disseminate the same on your respective websites.

Further in this regard an Investor Release issued by the Company is enclosed herewith for the information of the exchanges.

Thanking You,
Yours Faithfully,

For, Gensol Engineering Limited

Investor Release

Gensol Engineering Limited Secures Purchase Orders to develop Grid-Connected Ground-mount and Rooftop Solar Power Generation Systems cumulating to 15 MWp.

Gensol Engineering Limited ("The Company") has in the months of April and May, 2022 in normal course of business, received purchase orders from our reputed clients for the development of solar power projects aggregating to a capacity of **around 15 MWp in the states of Goa, Gujarat and Punjab**. The cumulative order value of these projects is pegged at **over Rs. 37,50,00,000.00 (Indian Rupees Thirty Seven Crores and Fifty Lakhs Only)** exclusive of taxes.

All these projects are for captive use of the clients and, thus, will cut down their dependence upon grid and are expected to reduce emissions approximately to the tune of 21903 Mt CO2 annually. All these projects are slated for commissioning during the next six months.

About Gensol Engineering Limited;

Incorporated in 2012, Gensol Engineering Limited is a part of Gensol group of companies, which offer **EPC and solar advisory services**. The company is engaged in providing technical due diligence, detailed engineering, quality control, construction supervision, and other consulting services for solar projects across many countries, including India. Being a **one-stop solution** for a value chain of the solar industry, it provides advisory services to leading project developers, leading institutions, solar EPC companies, and **government policymaker**. Under EPC business, the company manages turnkey engineering, construction and procurement contracts, internationally, **with a team of 180+ engineers**. Collectively, Gensol has erected solar

power plants of **over 350 MW capacity on ground and rooftops** so far. With international reach, it provides consulting services to Kenya, Ukraine, Oman, Gabon, Sierra Leone, Nepal, Afghanistan, Indonesia, Philippines and Chad.

Thanking You,
Yours Faithfully,
