**Sub: Lignite Supply to 1,080 MW Plant at Barmer, Rajasthan – Update**

**Ref: Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015**

Dear Sirs,

Further to our intimations dated 11<sup>th</sup> April, 2022 and 29<sup>th</sup> April, 2022 in respect of the lignite mining operations by Barmer Lignite Mining Company Limited (BLMCL) (a 51:49 joint venture between Rajasthan State Mines and Minerals Limited (RSMML) and JSW Energy (Barmer) Limited (JSWEBL), a wholly-owned subsidiary of the Company), we wish to inform that the Government of Rajasthan (GoR), vide its letter dated 27<sup>th</sup> July, 2022 has informed BLMCL that it is in receipt of ex-post facto -previous approval from the Central Government for transfer of two lignite mining leases (Kapurdi and Jalipa in Rajasthan) from RSMML to BLMCL with effect from the date of transfer of the said mining leases and accordingly, the previous letters issued by the GoR directing BLMCL to stop mining operations at the two lignite mines stand withdrawn. With this direction, JSWEBL's 1,080 MW power plant at Barmer retains access to uninterrupted supply of lignite for its operations.

The above is for your information and record.

Yours faithfully,

For **JSW Energy Limited**

**Monica Chopra**  
Company Secretary
