Advertisement No.: 348-21/6/2019-ADMIN (July 2022)

Sardar Swaran Singh National Institute of Bio-Energy (SSS-NIBE) is an autonomous Institution under the Ministry New and Renewable Energy (MNRE), Govt. of India. The Institute is an upcoming R&D Institute with its mandate to carry out state-of-the-art R&D covering the entire spectrum of bioenergy leading to commercialization of technology and their integration with other renewable energy technologies. One of the important roles envisaged for the institute is human resource development at all levels in the field of Bioenergy including biomass resource assessment, biofuels and synthetic fuels in solid, liquid and gaseous forms for transportation, portable and stationary applications, and development of new technologies for effective utilization of different type of wastes and production of value added products etc.

Applicators are invited for filling up of following posts from the eligible candidates in the Sardar Swaran Singh National Institute of Bio-Energy (SSS-NIBE) on Direct Recruitment/Deputation/Transfer on deputation basis as given below:

Sl. No.	Name of the post	No. of Vacancies	Pay scale (7th CPC)	Category
1	Scientist – "F"	3	Level 13 (A)	Unreserved (General)
	Total	3		

Broad Areas (in which applications are invited)

- I. Biogas/BioCNG and Biorefinery
- II. Pyrolysis, Gasification and BioHydrogen
- III. Cookstoves and value-added products
- IV. Biomass resources assessment and supply chain management
- V. Data analytics for bioenergy production

Job Description

- The selected candidate either from experimental/computational background is expected to work on different aspects of production of energy, fuel, products from biomass, using modern tools and techniques in addition to own research programme.
- He/she is expected to provide scientific/technical support to ongoing and upcoming research and consultancy programs at NIBE.
- The selected candidate is also expected to lead the training programme of the Institute and also teach to postgraduate students.
- In addition, candidates have to attract extra-mural funding to establish and lead new research programs.
- Mentoring of reporting staff and students
