Dated 19th September, 2022

CORRIGENDUM

Subject: Corrigendum to Renewable Purchase Obligation (RPO) and Energy Storage Obligation Trajectory till 2029-30 order dated 22nd July 2022.

In partial modification of this Ministry's Order No. F. No. 09/13/2021-RCM dated 22nd July 2022 on Renewable Purchase Obligation (RPO) and Energy Storage Obligation Trajectory till 2029-30, the following changes are hereby made:

2. The words "**LHPs (including PSPs)**" in Para 5(b), 8, 9 and 14 and the word "**LHPs**" in Para 6 of the Order, are substituted with the following words:-

"Hydro Power Projects (including PSPs and Small Hydro Projects (SHPs))"

3. The words "**....All other HPPs will be considered...**" in Para 6 are substituted with the following words:-

"....Energy from all other HPPs including free power from HPPs commissioned before 8th March 2019 will be considered..."

4. Further, as the Wind Power Projects (WPPs) currently require significant amount of investment when compared to other RE technologies, it was felt that benefit should be given to the States, who had commissioned or tied up with WPPs in the recent past. Accordingly, it has been decided that the share of wind in non-solar RPO (as defined in order dated 29th January 2021) and which was in excess of 7% as on 31st Mar 2022, has been considered for inclusion towards Wind RPO. In accordance with above, Para 5(a) of the order is substituted with the following new para:-

(a) Wind RPO shall be met by energy produced from Wind Power Projects (WPPs) commissioned after 31st March 2022 and the wind energy consumed over and above 7% from WPPs commissioned till 31st March 2022.

5. This issues with the approval of Hon'ble Minister of Power and New & Renewable Energy.
