

responded that the Clause speaks for supply of power and not on supply of power. Further, Sh. Binod stated that they have established Change in Law event by placing records of invoices actually paid by them. The Commission enquired whether economic restoration for the affected party is to be done for the entity's Revenue or profit, Sh. Binod responded that for the actual additional expenditure incurred by them.

7. After hearing the parties, the Commission allowed ASPL and UPPCL to file their written submission, if any, within two weeks' time from this order.

Order Reserved.
