## **1 INTRODUCTION**

### **1.1 About INKEL**

The Notice Inviting Authority, INKEL Ltd, is a Public Private Partnership (PPP) initiative promoted by the Government of Kerala. It brings together, the government agencies, non-resident and resident investors and the general public, to create a platform for the development of public infrastructure. The main objective of INKEL is to attract public and private capital and professional expertise for infrastructure development.

INKEL offers services in Advisory & Project Management Consultancy for projects in various sectors such as education & skill development, health & infrastructure, tourism, Roads and Bridges etc. INKEL is also one of the leading EPC contractors for renewable Energy projects having projects in Kerala and Karnataka.

### **1.2 Objective**

INKEL is seeking to pre-qualify reputed Manufacturers of Wind Energy Generators and EPC contractors (hereinafter referred as “Applicant”), with proven capabilities and experience in the development of wind farms and hence Applications are invited:

The objective of this invitation is to identify the interest of potential companies in the categories of works listed above and to undertake a prequalification process to identify the Applicants meeting INKEL’s requirements. The result of this pre-qualification exercise will be establishing lists of Wind Energy Project developers / Manufacturers, to whom “Invitation to Bid/Notice Inviting Tenders” pertinent to Setting up of wind farm at Palakkad will be issued. It is clarified that the intention for the said empanelment process is to create a database of potential companies/entities (entity) having Manufacturer experience in the development of Wind Farm,

The validity of a resulting Empanelment shall be initially for two (2) years from the date of Empanelment, further to which INKEL shall review the Applicants for update. INKEL reserve the right to curtail or extend this period at its sole discretion.

INKEL reserves the right to update the Empanelment list for any of the categories, by adding any qualifying companies in the future or removing any non-compliant/non-performing company from the empanelment list, at any stage.

All Applicants will be required to submit a detailed and comprehensive pre-qualification submission (“Application”), for review by INKEL. The Application shall be prepared in accordance with the guidelines and instructions set out in this pre-qualification document and shall set forth in a clear and precise manner the Applicant’s competence and suitability for carrying out the works in the category of application.

### **1.3 Scope of Work**

The scope would cover Manufacture, Inspection at supplier’s works, Packing & forwarding, Supply, Storage at site, Insurance, Transport and safe Logistics, Erection, Testing &

Commissioning of 14 MW ( $\pm 10\%$ ) Wind Power Project along with power evacuation including approval for connectivity, LTA and Tariff metering System.

The scope also includes Performance Guarantee Test (PG Test), Operation & Maintenance for ten (10) years including one year warranty for the entire Wind Power project from Commercial Operation Declaration (COD) and Transfer of Warranty of Specific Equipment by OEM, as applicable, after O&M Period to INKEL Ltd also are included in the Scope.

## **2 INSTRUCTIONS TO APPLICANTS**
