ORDER

Subject: Extension of Phase-II of Grid Connected Rooftop Solar programme

This is in continuation to OM of even no. dated 08.03.2019 regarding issuance of administrative approval for Grid Connected Rooftop Solar Programme Phase-II. The operational guidelines of the programme were issued on 20.08.2019. Based on the feedback received from the stakeholders, amendments have been issued in the operational guidelines from time to time.

2. The Rooftop Solar Programme Phase-II has been extended till 31.03.2026 without any additional financial implication i.e., within the originally approved total outlay of Rs. 11,814/- crore for both the component A and component B of the programme. However, any savings in the CFA for residential sector (component A) or incentives to DISCOMs (component B) after achieving the prescribed capacity target shall be utilized to support additional capacity in the residential sector (component A).

3. This order is issued with the approval of competent authority.
