### Solar:

The business has secured a large order for a 500 MW Solar PV project in India.

**Mr. Vimal Kejriwal, MD & CEO, KEC International Ltd. commented,** *"We are delighted with the new order wins, especially our largest order in Solar business to build a 500 MW Solar PV power plant in India. In line with the Government's thrust on green hydrogen and renewables, such as Solar, we are now refocusing on this business. With the substation order in T&D, we have now diversified our customer base to include non-utility clients, in addition to the current power utilities. The T&D orders in East Asia Pacific and SAARC have further strengthened our presence in these international markets. With these orders, our YTD order intake stands at ~Rs. 14,500 crores, a robust growth of ~20% vis-à-vis last year."*
