Madam,

Representations have been received for extending the timelines for projects in Tranche-I & Tranche-II of CPSU Scheme Phase-II, primarily on account of supply chain disruption in solar PV sector.

2. This issue has been examined in the Ministry and it has been decided that SECI may extend the Scheduled Commissioning Date till 30.09.2024 (and commensurately extend other associated intermediate milestones) of such solar PV power projects under Tranche-I and Tranche-II of CPSU Scheme Phase II, whose Scheduled Commissioning Date (including time-extensions already granted, if any) is before 30.09.2024, and who wish to avail such time-extension.

3. This issues in-line with the approval of Hon'ble Minister (Power and New & Renewable Energy).

Yours faithfully,

(Mohd Azmal Mansoori)
