

Invitation for Webinar on

“Setting up of Floating Solar Projects in India: Design Aspects, Challenges, and Industry Perspective”

In order to commemorate 75 years of Indian Independence, the Government of India is organizing “Azadi Ka Amrit Mahotsav” in 75 dedicated weekly themes pertaining to respective sectors. In this context, Ministry of New & Renewable Energy is organizing a webinar on “Setting up of Floating Solar Projects in India: Design Aspects, Challenges, and Industry Perspective” as a part of Azadi Ka Amrit Mahotsav.

All concerned are cordially invited to attend the virtual session on January 17, 2023, at 03:00 PM (India Standard Time). The event is FREE for all participants; however, prior registration is required. The webinar link will be shared with registered participants.

Event Registration Link: <https://forms.gle/n5EHbjSdbdayTEkMA>

Programme details and link for event will be shared with the registered participants.
