

Approval of First Supplementary Agreement executed on 31.01.2023 to the Power Purchase Agreement dated 08.01.2019 (Principal Agreement) executed by and between Tata Power Trading Company Limited (TPTCL) and West Bengal State Electricity Distribution Company Limited for purchase of 126 MW power from Dagachhu Hydro Power Corporation from its Hydro Plant at Khebisa Gewog, Dagana, Bhutan for the period from 01.03.2023 to 29.02.2028 in terms of regulation 7.4.1 of the West Bengal Electricity Regulatory Commission (Terms and Conditions of Tariff) Regulations, 2011 as amended

Year	Tariff at Delivery Point
(01.03.2026 to 28.02.2027)	₹ 4.18/kWh
(01.03.2027 to 29.02.2028)	₹ 4.26/kWh

- 2.6 In view of above, WBSEDCL has prayed before the Commission to approve the First Supplementary Agreement dated 31.01.2023.

Point of determination:

- 3.0 Clause (b) of sub-section (1) of section 86 of the Electricity Act 2003 inter-alia specifies that, while discharging its function, the State Commission shall regulate electricity purchase and procurement process of distribution licensees including the price at which electricity shall be procured from the generating companies or licensees or from other sources through agreements for purchase of power for distribution and supply within the State. Further, in terms of Regulation 7.4.1 of the Tariff Regulations, prior approval of the Commission is required for every agreement or arrangement for power procurement by a licensee entered into after 09.02.2007, except for short term procurement.

Observations of the Commission:

- 4.0 The initial Power Purchase Agreement (Principal Agreement) was executed by and between WBSEDCL and TPTCL on 08.01.2019 for procurement of hydro power from Dagachhu Hydro Power Corporation which was approved by the Commission in Case No. WBERC/PPA – 94/18 – 19 dated 15.02.2019. The present tariff is Rs. 3.821 per kWh.
- 5.0 The Commission observes that Dagachhu is a snow fed run of the river hydro power station and the availability of power from Dagachhu matches with the requirement of power of WBSEDCL.
- 6.0 Power available from Dagachhu is expected to help WBSEDCL to meet its peak demand economically during the high demand season since the cost of peak power available from other sources including power exchanges is much higher in the market.

Order:

- 7.0 The Commission after considering the above facts and to ensure reliable and quality power supply in the state approves the First Supplementary Agreement executed on 31.01.2023 by and between Tata Power Trading Company Limited (TPTCL) and West Bengal State Electricity Distribution Company Ltd. (WBSEDCL) for purchase of 126 MW power from
