SECTION-1

EXPRESSION OF INTEREST (EOI)

Telecommunications Consultants India Ltd. (TCIL) is a Govt. of India Enterprise, under Department of Telecommunications, Ministry of Communications. It was set up in 1978 to share Indian experience and expertise with developing countries and to assist bulk users of telecom services in setting up dedicated telecom networks.

TCIL has been undertaking various projects in all fields of telecommunications and information technology and also continuously deploying new technologies in the field of Telecom Software, Switching and Transmission Systems, Cellular Services, Rural Telecommunications, Optical Fiber based Backbone Transmission Systems etc. TCIL has diversified its operation and has been executing projects in the field of Civil Infrastructure, Architecture and Power, Rural Roads and Civil Construction. TCIL has been executing projects in latest technologies like FTTH, VOIP, IPTV etc. TCIL has to its credit many solar power projects including a grid connected 1MW rooftop solar plant synchronized with DG sets and mounted on 37 meters high pergola.

A 25 MW (AC) grid connected Solar Power plant is to be developed by a reputed organization – Owner at a site of approx. 57 acres in Mauritius.

TCIL is having presence in Mauritius since 1991 and is likely to be awarded this project by the Owner as EPC contractor on turn-key basis, at a competitive cost. This EOI is floated for selection of a partner ready to work for the above project with TCIL on an exclusive basis.

EOIs are invited from eligible bidders for Pre-bid Tie-up with TCIL for “Design, Engineering, Supply, Construction, Installation/Erection, Testing and Commissioning of a Ground Mounted 25MWp AC Solar Photovoltaic Power Plant at Mauritius”.

Bid needs to be submitted offline for this EOI. Prospective bidders need to submit their bids with the most competitive Techno-commercial offer for the aforesaid work. EOI document is available on TCIL website (<https://www.tcil.net.in/nit.php>).
