**Subject: Part commissioning of 10 MW or more capacity of wind power projects awarded under various SECI tranches - regarding.**

Madam,

I am directed to refer letters of even no. dated 27.08.2020, 03.02.2021, 03.06.2021, 13.01.2022 and 11.07.2022 on the subject mentioned above, vide which part Commissioning of 10 MW or more capacity of wind power projects under various SECI Tranches was permitted till 31.03.2023.

2. Now, the Ministry is in receipt of representations from the industry to extend the above dispensation, owing to the various implementation and operation issues in executing wind power projects, delay in commissioning, generation loss, etc.

3. In this regard, it is informed that the matter has been examined and it has been decided to extend the above dispensation till commissioning of wind power projects awarded under all SECI tranches, i.e. part commissioning of 10 MW or more capacity of wind power projects awarded under various SECI tranches may be permitted.

4. This issues with the approval of Hon'ble Minister (NRE).
