

## Important Dates

Abstract or Extended Abstract submission:	01 June, 2023
Submission deadline for full papers :	30 July, 2023
Deadline to avail early bird discount :	01 August, 2023
Final registration date for authors :	15 September, 2023

## Conference Committee

**Chief Patron**  
Hon'ble Minister  
MNRE

**Patron**  
Sh. Bhupinder Singh Bhalla  
Secretary, MNRE

**Chairman**  
Dr. Gururaja Rao Sridhar  
DG, SSS-NIBE

**Co-Chair**  
Dr. Anil Kumar Sarma  
Scientist E, SSS-NIBE

\*The program advisory committee (national/international) and the local organizing committee are available on the conference website.

## Contact Details

**Dr Sanjeev Mishra: +91-8638521921    Dr Vandit Vijay: +91-9717509356**

## 4<sup>th</sup> International Conference on Recent Advances in Bio-Energy Research (ICRABR)

## ICRABR - 2023

9<sup>th</sup> – 12<sup>th</sup> October 2023

**Organized by:**

**Sardar Swaran Singh National Institute of Bio-Energy**  
(An autonomous institute of Ministry of New and Renewable Energy)  
Kapurthala - 144603, Punjab, India

## Background

**About ICRA BR:** Energy security and environment protection are major challenges being faced across the globe due to exhaustive use of fossil-fuel sources. Research activities in the area of bio-energy including biohydrogen, biodiesel, bioethanol, biomethanation, bio-refinery, biomass gasification, biomass cookstove, carbonaceous materials etc. are gaining unprecedented attention worldwide due to their potential in replacing fossil fuels. SSS-NIBE has organized three Conferences on 'Recent Advances in Bio-energy Research' since 2011; these covered R&D efforts, policies, and field experiences in the bio-energy sector and witnessed enthusiastic participation from academics, scholars, industries and policymakers. The fourth “International Conference on Recent Advances in Bio-energy Research” (ICRA BR) will be organized from 9<sup>th</sup> - 12<sup>th</sup> October, 2023.

**About SSS-NIBE:** Sardar Swaran Singh National Institute of Bio-Energy (SSS-NIBE) is an autonomous institute of the Ministry of New and Renewable Energy (MNRE), Govt. of India. The Institute is a R&D Institute with its mandate to focus on Bio-energy and develop innovative technologies. The institute’s vision is to carry out state-of-the-art R&D covering the entire spectrum of bioenergy leading to commercialization and their integration with other renewable energy technologies. The institute is actively pursuing R&D activities in the areas of Biomass and Energy Management, Thermochemical Conversion, Biochemical Conversion, Chemical Conversion, and Electrochemical Processes etc.

## Call for Full Papers

Full length manuscripts are invited related to the conference themes mentioned below. All submitted manuscripts will undergo a peer review process for selection. More details are available on: <https://www.icrabr.com/call-for-papers>

## Conference Themes

- Theme I:** Biomass Resource Management
- Theme II:** Biomass/waste conversion to energy
- Theme III:** Biomass Valorisation/ Waste to value added materials/ Products
- Theme IV:** Modelling of Bio-energy system
- Theme V :** Biorefinery and Biohydrogen

## Registration Fee

Fee category* (including Taxes)	Early Bird Price		Regular Price	
	National (INR)	International (USD)	National (INR)	International (USD)
Students UG/ PG/PhD/JRF/ SRF/Research Scholars	5000	200	7000	250
Faculty/Scientist/PDF/RA/ SNA/Government Officials	8000	300	10000	350
Industry sponsored/ Consultants/Corporate sector	10000	400	12000	450

## Publication

Selected papers from the conference will be published in Scopus Indexed Proceedings and Journals after peer review. The details of the publication will be updated on the conference website soon.
