Introduction

Tuljabhavani Temple is one of the major pilgrim sites in the state of Maharashtra situated at Tuljapur, Maharashtra. The temple is visited approximately 1,00,000 devotees on normal days and on festive occasions, the total number of devotees visiting the temple goes above 5,00,000. The temple is having multiple bhakt niwas and ancillary facilities to cater to the requirements of the devotees visiting the temple. The day-to-day affairs of the temple are looked after by the trust.

Shri Tuljabhavani Temple Trust has around 1000 acre of un-utilized land parcels available along the Solapur-Tuljapur highway and neighbouring villages. The trust is exploring options for utilisation of such land parcels in best possible manner with an aim to ensure maximisation of yield with minimal intervention by the Trust. In this regard, the Trust desires to appoint a consulting firm for undertaking the identified scope of work.

The Shri Tuljabhavani Temple Trust, Tuljapur is planning to install **Solar Power Plant** having capacity of **250 MW or more** at Malumbra and Masala (Kh) on the land of 1000 acre which is located near by Tulajpur on the road of Tuljapur - Solapur. i.e. National Highway Solapur - Dhule. Shri Tuljabhavani Temple Trust, Tuljapur is hereby inviting Proposals from all interested and eligible Consultants, for providing Technical Consultancy Services for Installation of Solar Power Plant. The total capacity of Solar Power Plant is between **250 MW or more** which may be based on the feasibility study.

This tender is to be submitted online and the document is intended to facilitate the consultants to prepare and submit Proposal/s (hereinafter referred to as the **Tender**) consisting of the deliverables indicated for this concerned Project.

THE COLLECTOR, OSMANABAD & CHAIRMAN, SHRI. TULJABHAVANI TEMPLE TRUST, TULJAPUR.
