PUBLIC ANNOUNCEMENT

Date – 01.04.2024

Govt. of Gujarat vide GR No REN/e-file/20/2023/0476/B1 dated 04.10.2023 has notified "Gujarat Renewable Energy Policy - 2023" which has come into effect from 04.10.2023.

As per the Clause 9.2.1 of Gujarat Renewable Energy Policy – 2023," *Solar projects can be installed by consumers on rooftops or within premises under a net metering arrangement or under a gross metering arrangement, as per applicable GERC regulation from time to time. Incentives under existing central / state government schemes, as the case may be, can be availed by consumers as per the provisions of the respective scheme.*"

GERC (Net Metering Rooftop Solar PV Grid Interactive Systems) Regulation – 2022 are prevailing.

In this regard, it is to state that the simple average of solar tariff discovered and contracted through competitive bidding process conducted by GUVNL for non-park based solar projects which is **Rs. 2.63 / unit** shall be taken into consideration **for working out the Surplus Injection Compensation** applicable for the period 01-04-2024 to 30-09-2024.
