1 INTRODUCTION

1.1 About INKEL RE

The Notice Inviting Authority, INKEL RE Pvt Ltd, is a subsidiary of INKEL Ltd – a Public Private Partnership (PPP) initiative promoted by the Government of Kerala. It brings together, the government agencies, non-resident and resident investors and the general public, to create a platform for the development of public infrastructure. The main objective of INKEL RE is to attract public and private capital and professional expertise for infrastructure development.

INKEL RE offers services in Advisory & Project Management Consultancy for projects in various sectors such as education & skill development, health & infrastructure, tourism, Roads and Bridges etc. INKEL RE is also one of the leading EPC renewable energy service providers with projects in Kerala and Karnataka.

1.2 Objective

INKEL RE intends to pre-qualify reputed Manufacturers of Wind Energy Generators or EPC contractors (hereinafter referred as “Bidders”), with proven capabilities and experience in the development of wind farms and hence Proposals are invited:

The objective of this invitation is to identify the interest of potential companies in the categories of works listed above and to undertake a prequalification process to identify the bidders meeting INKEL RE’s requirements. The result of this pre-qualification exercise will be establishing lists of Wind Energy Project developers /EPC’s/ Manufacturers, to whom “Invitation to Bid/Notice Inviting Tenders/ Request for Proposal” pertinent to Setting up of wind farm at Palakkad will be issued. It is clarified that the intention for the said empanelment process is to create a database of potential companies/entities (entity) having Manufacturer/ EPC experience in the development of Wind Farm,

The validity of a resulting Empanelment shall be initially for two (2) years from the date of Empanelment, further to which INKEL RE shall review the Bidders for update. INKEL RE reserve the right to curtail or extend this period at its sole discretion.

INKEL RE reserves the right to update the Empanelment list for any of the categories, by adding any qualifying companies in the future or removing any non-compliant/non-performing company from the empanelment list, at any stage.

All Bidders will be required to submit a detailed and comprehensive pre-qualification proposal for review by INKEL RE. The proposal shall be prepared in accordance with the templates and format given in the website and instructions set out in this pre-qualification document and shall set forth in a clear and precise manner the Bidder's competence and suitability for carrying out the works in the category of proposal.

1.3 Scope of Work

The scope would cover Design & supply of wind turbines generators at site, including Insurance, Transport and safe Logistics, Erection, Testing & Commissioning of 14 MW ($\pm 10\%$) Wind Power Project along with power evacuation up to the pooling station. Necessary assistance for approval for connectivity and tariff metering system is also under the scope of the bidder.

The scope also includes Performance Guarantee Test (PG Test), Operation & Maintenance for ten (10) years including one year warranty for the entire Wind Power project from Commercial Operation Declaration (COD) and Transfer of Warranty of Specific Equipment by OEM, as applicable, after O&M Period to INKEL RE Ltd also are included in the Scope.
