## **REQUEST FOR PROPOSAL (RfP)**

**RFP Enquiry No.: ITI/NNI/TS/SPP/10MW/01**

**Dated: 16th, January, 2025**

ITI Limited invites Request for Proposal (RfP) for selection of Suitable Business Partner for Setting-Up of 10.00 MW (AC) Ground Mounted Grid Connected Solar Power Plant at ITI Limited, Naini along with Identification/Selection of Solar Power Purchaser/s”.

<b>Scope of Work</b>	Setting-Up of 10.00 MW (AC) Ground Mounted Grid Connected Solar Power Plant at ITI Limited, Naini along with Identification/Selection of Solar Power Purchaser/s.
<b>RfP Cost (Rs)</b>	Rs. 10000.00 (In the form of DD/ through RTGS/NEFT) DD should be in Favor of “ITI Limited, Naini” and payable at SBI ITI Complex Naini.
<b>EMD</b>	Rs. 10 Lakh with 120 days validity (In the form of DD/through RTGS/NEFT/BG) BG/DD should be in Favor of “ITI Limited” and payable at SBI ITI Complex Naini.

Interested parties may view and download the document containing the detailed terms & conditions, free of cost from the website [www.eprocure.gov.in](http://www.eprocure.gov.in) and <http://www.italtd.in>.

The details of ITI’s bank account for EMD & RfP Fee amount are as below:

- Beneficiary Name : ITI Limited, Naini
- Account Number/IBAN : 43069550659
- IFSC Code : SBIN0003486
- Beneficiary Bank Name : State Bank of India
- Beneficiary Bank Address : ITI Complex, Naini, Mirzapur Road, Naini, Prayagraj- 211010 (UP) INDIA

**For ITI LIMITED  
CM – P & BD**

### **Earnest Money Deposit (EMD)**

- Rs. 10 Lakh (In the form of DD/through RTGS/NEFT/BG) DD/BG should be submitted in Favor of “ITI Limited, Naini” and payable at SBI ITI Complex Naini.

- The Earnest Money so deposited will be liable for forfeiture: -

a) If the Bid which it covers, is withdrawn before the Bidder received formal intimation as to the ITI ‘s decision in regard to the RfP within validity of the Bid,

**OR**

b) If the successful Bidder fails to deposit the security deposit.

- Earnest Money Deposit of the successful Bidder will be refunded after furnishing Performance guarantee. The EMD of the unsuccessful bidders shall be returned after the declaration of successful Bidders.

- **No bidders, including MSMEs and startup companies, are exempt from depositing the EMD and RfP fees/costs.**

### **Important dates**

Date of Issue/Publishing	16/01/2025 (11:00 Hrs)
Last date of receipt of Clarification	23/01/2025 (17:00 Hrs)
Last Date and Time for Submission	07/02/2025 (17:00 Hrs)
Date and Time of Opening of Technical Bid	08/02/2025 (11:00 Hrs)
Date and Time of Opening of Financial Bid	Will be intimated to technically qualified bidders

In case of any clarifications on this notification and technical requirement, please contact -

### **Asst. Manager – Business Development**

ITI Limited, Naini

Mirzapur Road, Naini,

Prayagraj – 211010 (UP) INDIA,

Ph: 6394793179

Email: [pradeep\\_nni@itilttd.co.in](mailto:pradeep_nni@itilttd.co.in)

Website: <https://www.itilttd.in>

**Performance Bank Guarantee (PBG)/Security Deposit: -**

LOI will be issued to such successful bidder. The L1 successful shall submit the security deposit of Rs. 1.00 Cr valid for 24 months in form of FDR/CDR Or Bank Guarantee within the period specified in the LOI, failure to which it will be presumed that the bidder is not interested in signing the PPA. In such case, EMD submitted by the bidder will be forfeited by ITI.

**Return of Deposits and forfeiture of Deposits: -**

- In case the Bidder is not selected, ITI shall release the EMD or will return Bank Guarantees towards EMD after thirty days of the issue of LOI to Selected Bidder.
- The EMD/Security Deposit shall be forfeited or Bid Security Declaration (wherever applicable) shall be executed under following condition.
  - a) If the Bidder withdraws the Bid or seeks to modify, alter, add or subtract or put any rider on any ground whatsoever, after last date and time for submission of Bid and during the period of Bid Validity.
  - b) In case of successful Bidder, if the Bidder fails within the specified time limit or extended time limit to:
    - i. Execute the PPA with procurer or to refuse to execute the PPA.
    - ii. Furnish the required Performance Security; or
  - c) If the Bidder indulges in any type of unfair or corrupt practice or submit any false information;
  - d) If the Bidder indulges in any type of Bid rigging, Collusive Bidding or any other type of Anti-Competitive Activity.

## INTRODUCTION

ITI Limited, a Public Sector Undertaking under the Department of Telecommunication, Ministry of Communication and IT, is a leading telecom equipment manufacturer and total solution provider in India. ITI has diversified in to solar project business and has established state of the art solar module manufacturing line. ITI Limited is an ISO 9001, ISO 14001 and ISO 45001 certified manufacturing unit. Presently major customers of ITI are BBNL, BSNL, MTNL, defense, paramilitary forces and railways. The company has executed various turnkey orders such as Bharat-Net, Telecom Towers, UP Police headquarters.

The RfP is invited for selection of Suitable Business Partner for Setting-Up of 10.00 MW (AC) Ground Mounted Grid Connected Solar Power Plant at ITI Limited, Naini along with Identification/Selection of Solar Power Purchaser/s for sale of electricity generated through the Power Plant.

## SCOPE OF WORK

ITI Limited invites Request for Proposal (RfP) from interested Bidder(s) or Bidding Consortium and/ or any Consortium Member thereof ("Bidders") for selection of developer(s) for setting up of 10.00 MW (AC) Ground Mounted Grid Connected Solar PV Plants at ITI Limited, Naini, Mirzapur Road, Prayagraj, Uttar Pradesh 211010 through open access model. The responsibility of the Successful Bidder(s) would be for supply and sell of electricity for 25 years, as per the terms and conditions of the Tripartite PPA. The Tripartite PPA will be signed between ITI Limited, Procurer and Successful Bidder(s).

For the above scope of work, ITI invites Request for Proposal (RfP) from interested Bidder(s), who are fulfilling the **eligibility conditions** as stated in RfP.

Bidder may please send their proposals and documents as called for. Two separate envelopes one each for Technical & Financial Bid should be kept in a single large envelop and marked as offer for **RfP Enquiry No.: ITI/NNI/TS/SPP/10MW/01, Dated: 16th, January, 2024** to the following address:

**For ITI LIMITED  
CM – P & BD**

## **Responsibility:**

### **a) Responsibility of the Bidder:**

1. Solar Power Developer shall arrange complete supply, installation and commissioning of 10.00 MW (AC) Ground mounted Grid connected Solar Photo Voltaic (PV) Plants at ITI Limited, Naini, Mirzapur Road, Prayagraj, Uttar Pradesh 211010 through open access model including power evacuation lines to the UPPCL Sub- station along with all terminal equipment viz switching equipment and associated accessories ex. CT/PT/LA/Isolators/Insulators/ supporting structure/ panel, as the case may be and any other work required for its successful and efficient operations at his own cost. The Developer is advised to visit and inspect Site thoroughly to assess the requirement prior to bid submission.
2. Solar Power Developer shall also arrange leveling of land, civil works, fencing etc. of the land, lighting arrangement, security arrangements & building infrastructure (Control Room with complete set of associated infra) at his own cost.
3. All permits and clearances required for setting up of the Project including those required from State Government and local bodies shall be in the scope of the Solar Power Developer. However, ITI will facilitate in getting the necessary permits and clearances.
4. Due to setting up of Solar PV Plant, there should be no obstruction/harm to the existing underground pipelines, UG Cables etc. during maintenance/ strengthening work of Ground and if any additional expenditure has to be incurred due to this, the same will be borne by the Solar Power Developer of the Solar PV Plants.
5. If there is a forest strip where Forest Act is applicable then, all necessary approvals will be obtained from the Forest Department by the Solar Power Developer, if necessitated.
6. The responsibility of the Successful Bidder(s) would be Identification/Selection of Solar Power Purchaser for sale of electricity for 25 years generated through the Power Plant as per the terms and conditions of the signed Tripartite PPA (Power Purchase Agreement).
7. All other work required for the execution and completion of a 10 MW Solar Power Plant at ITI Naini premises.

### **b) Responsibility of ITI:**

1. Provide Land of approx. 30 Acre at ITI Limited, Naini, Mirzapur Road, Prayagraj, Uttar Pradesh 211010 to install Ground mounted Grid Connected Solar PV Plant. The required land shall be finalized after joint inspection with the developer & ITI. The bidders are required to visit the project site mentioned in the RfP.

2. ITI will provide land to Solar Power Developers (the successful bidder) for the development of Solar PV Plants on a Build, Own, Operate, and Transfer (BOOT) basis for a period of 25 years after the Commercial Operation Date (CoD), on a right-to-use basis. The ownership of the land will remain with ITI. If any additional land is required for the installation of equipment or other works associated with the Solar PV Plant, ITI will provide the required land to the developer on a right-to-use basis for 25 years after the CoD. A Memorandum of Understanding (MoU) will be signed between the successful bidder and ITI to formalize this arrangement. The bidder must obtain ITI's consent for the right to use the land.

3. Provide 10 MW open access transmission connectivity for electricity sale. (Already granted from UPPTCL in the name of ITI)

4. Provide bay for transmission of electricity at nearest 33KV UPPCL substation. (Bay charges has already been paid)

However, the AC cable as well as associated equipment/s required for termination from Solar Power Plant to bay at 33KV UPPCL substation will be in the scope the bidder.

5. Provide Electricity Supply (Charges will be paid by bidder on actual basis).

6. Provide Water Supply (Charges will be paid by bidder).

7. Opening of ESCROW account to share the revenue as per agreed ratio.

8. ITI will nominate a Nodal officer who will coordinate with the successful bidder regarding site visit, providing lay out plan and space availability for installation of Ground Mounted Grid Connected Solar PV Plants.

**1. PRE-QUALIFYING REQUIREMENT:**

**QUALIFYING REQUIREMENTS**

	Particulars	Valid Documents Requirement
<b>A.</b>	<b>TECHNICAL CRITERIA:</b>	
1	<p>The Bidder should be incorporated in India under Companies Act, 1956 or 2013/ and further amendment(s)</p> <p>Or</p> <p>A Limited Liability Partnership Firm (LLP) registered under section 12 of Limited Liability Partnership Act, 2008</p> <p>Or</p> <p>Partnership firm, registered under section 59 of the Partnership Act, 1932.</p>	A copy of certificate of incorporation should be furnished along with the bid in support of above.
2	The Bidder should be into solar business for not less than 3 years prior to the date of bid submission.	A copy of certificate of incorporation should be furnished along with the bid in support of above.
3	<p>The bidder should have cumulative past experience of 8.0 MW in grid-interactive/off-grid SPV systems and one solar power plant with a minimum capacity of 4.0 MW during the preceding five financial years: FY 2019-20, 2020-21, 2021-22, 2022-23, and 2023-24.</p> <p>The work shall be carried out in any DISCOMS/state Govt./Central Govt./Private sector in India.</p> <p>This shall be in satisfactory service for at least a period of one-year prior to the date of submission of bid.</p>	<p>The copies of Work Awards/PO's/Agreement shall be uploaded.</p> <p>Work completion certificates / Performance certificate of SPV Module issued by any Competent Authority to be uploaded.</p>
4	The bidder shall upload documents of (a) PAN Card & (b) GST Registration certificate	Documents shall be uploaded.
5	The Bidder shall upload Power of attorney on non-judicial stamp paper of appropriate value.	The PoA of bidder shall be uploaded.

B	FINANCIAL CRITERIA:	
1	The Bidder should have Minimum Average Annual Turnover (MAAT) of 30.0 Cr, during preceding Five Financial Years FY 2019-20, 2020-21, 2021-22, 2022-23 & 2023-24.	Bidder should upload mandatorily all Audited Balance sheet, CA certified profit & loss account statements for the last Five years (i.e., FY 2019-20, 2020-21, 2021-22, 2022-23 & 2023-24) scanned and uploaded in original.
2	Bidder(s) should have <b>Positive (+ve)</b> Net worth at the close of the preceding financial year.	Auditor's certificate shall be submitted for the same.

## **INSTRUCTIONS TO BIDDERS**

1. The bidders are requested to submit their bid prior to last date of submission.
2. ITI may modify, amend or supplement this RfP Document including without any prior notice.
3. This Request for Proposal (RfP) document is not an agreement or offer by the ITI to the prospective Bidders or any other party. The purpose of this RfP is to provide interested parties with information to assist the formulation of their Bid.
4. While this RfP document has been prepared in good faith, neither the ITI nor their employees make any representation or warranty, express or implied, or accept any responsibility or liability, whatsoever, in respect of any statements or omissions herein, or the accuracy, completeness or reliability of information, and shall incur no liability under any law, statute, rules or regulations as to the accuracy, reliability or completeness of this RfP, even if any loss or damage is caused by any act or omission on their part.
5. Bidder are required to quote single margin to ITI for 25 years in the price bid. ITI will not entertain different margin for every year, any bid with different margin will be considered disqualified.
6. Bidders are advised to visit the site and ascertain the site conditions, before submitting their proposal. No claims regarding site conditions like land leveling, soil conditions, site clearance, shadow, etc. shall be entertained later.  
Before visiting the site, Bidder has to obtain written permission from ITI.
7. Cutting/overwriting, if any in the figures of the RfP documents is required to be clarified/indicated in words, duly signed, failing which the bid may be rejected.
8. Deviation of any kind will not be accepted in the non-financial & financial bid. Such deviations shall be ignored. Conditional bids are liable to be rejected.
9. All the required information shall be furnished strictly in the prescribed Formats only. Any information indicated other than the prescribed Formats shall not be entertained. The bid shall be evaluated on the basis of information furnished in the prescribed Formats only.
10. ITI, if desired so, may advise any bidder to furnish the documents in original or copy thereof duly attested by Notary for verification, in physical form on short notice of three days.

11. Bidders should provide complete information at the time of submission of bid. If the bidders are asked to furnish some more clarification/confirmation/documents, they shall be required to furnish the same within specified time, failing which the case shall be finalized /decided on the basis of available information/documents. Bidder shall be responsible for ignorance of their bid on account of delay in furnishing of desired information/documents up to the specified time. However, if there are any shortcomings in the submission of the information which does not materially affect the qualification criterion, then the Bid Evaluation Committee shall have the power to consider the facts on the merit of the case and decide the bid evaluation accordingly.
12. During the preparation of the land or the installation of the Solar Power Plant, any damages caused to the ITI building will be the responsibility of the successful bidder.
13. The land used for the establishment of the 10 MW Solar Power Plant may also be considered for agricultural/other purposes, but only after obtaining proper approval from the competent authority.
14. The final billing for the generated electricity is handled by ITI Limited, Naini. The turnover from the generated electricity also falls under the scope of ITI Naini.
15. The above-mentioned scope of work is purely revenue-based, with no liability on ITI during the installation and commissioning (I&C) and operation period, up to the project timeline of 25 years. In the project timeline period, all liabilities fall under the bidder's scope.
16. The responsibility for all civil work, including the construction of the control room and switch room, lies entirely with the bidder. This includes tasks such as site preparation, foundation work, structural construction, and finishing, ensuring that the control room and switch room meet all technical and safety standards specified in the project requirements. The bidder is also expected to provide all necessary materials, labor, and equipment required to complete the construction within the stipulated timeline and in compliance with applicable regulations and guidelines.

## **TECHNOLOGY**

The Bidder is free to choose any Solar PV power generation technology viz Crystalline Silicon Solar Cell Modules / Thin Film Modules / Concentrated PV Modules/any Other PV Technology. The solar module must comply with latest IS/IEC standards and need to be approved by MNRE/GoI. Under this RfP, it is proposed to promote only established and operational technologies to minimize the technology risk and to achieve the commissioning of the project in state.

## **GENERAL TERMS AND CONDITIONS**

1. Solar Power Developer shall satisfy themselves with Environmental condition and their parameter. Considering these parameters, Solar Power Developer may ensure to installation of Solar Power Plant. ITI shall in no way be responsible for decreased/increased generation accruing as a result of variations in solar radiation.
2. Complete proposal regarding location wise plant capacity, expected annual generation and the power evacuation arrangement is required to be submitted by the Solar Power Developer within two months from Letter of Award.
3. ITI will nominate a Nodal officer who will coordinate with the successful bidder regarding site visit, providing lay out plan and space availability for installation of Ground Mounted Grid Connected Solar PV Plants.

General Layout Plan of the Solar PV Plants, its required structure to be implemented /erected / embedded on the Ground mounted along with complete design on which solar panels are to be erected as per the site requirement, keeping in view the safety, will be submitted by Solar Power Developer to ITI within 1 months of signing of PPA. Solar Power Developer may be required to modify the General layout Plan, as per site requirement and instructions of ITI for approval. General layout Plan approved by ITI shall be binding on the Solar Power Developer.

4. Works regarding setting up of solar power plant will be monitored/supervised by ITI.
5. The aforesaid project will be carried out under Solar Energy Policy of Uttar Pradesh. Therefore, Solar Power Developer is required to comply with all the provisions of the Policy including its amendments if any.
6. Solar Power Developers are free to give their independent own design for solar power installation on the Ground mounted. All type of proposed design is required to be got approved from ITI, before actual installations. Bidders are advised to quote their bids keeping in view all these aspects and are bound to implement the project as per the design approved by ITI.
7. The terms and conditions for implementation of the project shall be formalized through signing of Implementation Agreement and Power Purchase Agreement (PPA) by the selected bidder with ITI.
8. Solar module as per technical specification will be manufactured and supplied by ITI in the brand name of ITI.
9. Bidder shall place work order on ITI for supply of Solar modules at mutually agreed price.
10. ITI will have the first right of refusal of supply of solar modules.

11. The following terms & conditions of ITI are binding on the Solar Power Developer and are required to take note of the same before quoting their bids: -

- a. Due to setting up of Solar PV Plant, there should be no obstruction to the maintenance/strengthening work of Ground mounted and if any additional expenditure has to be incurred due to this, the same will be borne by the Solar Power Developer of the Solar PV Plants.
- b. The maintenance works of Solar PV Plants to be executed to maintain the CUF time to time and will not be dependent on the instruction of ITI.
- c. Solar Power Developer will submit the detailed layout plan and other drawings of these Solar PV Plants, for vetting by ITI, before the start of the work.
- d. While installing the Solar PV Plants, the height of solar panels and allied structures should be kept sufficient so that no obstruction is faced during cleaning & maintenance.
- e. After the installation of Solar PV Plants and during its operation & maintenance, if some work is required for the safety of Solar PV Plants, the Solar Power Developer will be responsible to bear the whole expenditures on these works.
- f. If some building or structure is required in view of the Solar PV Plants, the Solar Power Developer will do it at his own cost.
- g. The Solar Power Developer will obtain NoC from any other related department at its own level and cost.
- h. The Solar Power Developer will be fully responsible for any mishap during the construction and afterwards, due to this project.
- i. If during the execution of work there is any obstruction in the working of Solar PV Plants by ITI, in that case no compensation will be payable by ITI to the Solar Power Developer. However, ITI will make best efforts so that execution of Solar Power Plants is not affected.
- j. The projects developed should have a minimum CUF of 16% in any given contract year. In case the Solar Power Solar Power Developer fail to supply energy pertaining to minimum CUF in a contract year then the Solar Power Developer shall pay a penalty equal to 5% of the project tariff (Tariff as per PPA) to ITI, for such shortfall in Units.

## **GENERAL CONDITIONS:**

1. **Authorized Signatory:** All certificates and documents received as part of offer shall be signed by the “Authorized Representative” (signing is not mandatory for technical manuals or documentation). The power of Attorney shall have to be submitted to ITI in NJSP of appropriate value along with the offer.
2. The bids should be submitted in the form of hard copy.
3. **Late offer:** Any offer received after the prescribed timeline shall be summarily rejected and shall be returned unopened to the vender.
4. **Language of offers:** The offers prepared by the vendor and all the correspondences and documents relating to the offers exchanged by the vendor, shall be written in English language.
5. **Award of Contract:** Bidder offering the highest quoted margin shall be declared as the successful bidder. The Financial Bid format is enclosed.
6. ITI reserves the right to suspend or cancel the RfP process at any stage, to accept, or reject any, or all offers at any stage of the process and / or to modify the process, or any part thereof, at any time without assigning any reason, without any obligation or liability whatsoever.
7. **Cost of RfP:** The bidder shall bear all costs associated with the preparation and submission of its RfP, including cost of presentation for the purposes of clarification of the offer, if so desired by ITI. ITI will in no case be responsible or liable for those costs, regardless of the conduct or outcome of the RfP process.
8. The Bidder shall be ready to give clarifications on any part of the offer to ITI including presentation at ITI, if so desired by ITI.
9. **Amendment of RfP:** At any time prior to the last date for receipt of offers, ITI, may, for any reason, whether at its own initiative or in response to a clarification requested by a prospective vendor, modify the RfP document by an amendment. In order to provide prospective vendor reasonable time in which to take the amendment into account in preparing their offers, ITI may, at their discretion, extend the last date for the receipt of offers and/or make other changes in the requirements set out in the Invitation for RfP.

10. Consortium and sub-contracting are allowed. (Kindly enclose Self declaration on Company Letter Head).

11. This RfP does not constitute and will not be deemed to constitute any commitment or confirmation on part of ITI Ltd for any purchase/work order to the bidder.

12. The bidder shall bear all costs associated with the preparation and submission of its response to this RfP, including cost of Demo/Presentation for the purpose of clarification of the offer, if so desired by ITI Ltd. ITI Ltd will in no case be responsible for these costs, regardless of the conduct or outcome of the RfP process.

13. **Disclaimer:** ITI and/or its officers, employees disclaim all liability from any loss or damage, whether foreseeable or not, suffered by any person acting on or refraining from acting because of any information including statements, information, forecasts, estimates or projections contained in this document or conduct ancillary to it whether or not the loss or damage arises in connection with any omission, negligence, default, lack of care or misrepresentation on the part of ITI and/or any of its officers, employees.

14. The evaluation committee will examine the bids and supporting documents in the light of eligibility criteria as stated above. If felt necessary, the committee may send its technical team to evaluate the infrastructure of the company. On compliance with all requirements, the committee shall empanel.

15. Bidders must submit the signed copy of all documents & annexures along with bid.

16. Bidder must submit the signed integrity pact along with the techno commercial bid. (Format Attached at Annexure- VI)

17. **Authorized Signatory:** All certificates and documents received as part of offer shall be signed by the “Authorized Representative”. Power of attorney in the name of person signing the documents is mandatory (On Non-Judicial Stamp paper). (Signing is not mandatory in technical manuals)

18. **Validity of Offer:** Quoted/Offer Price shall be valid for 120 days.

19. **Language of offers:** the offers submitted by vendor and all the correspondence and documents relating to the offers exchanged by the vendor shall be in English language.

Following documents are to be submitted by the bidder along with the bid-

1. EMD through demand draft /RTGS/NEFT acknowledgement or copy of BG and proof of dispatch of BG to ITI. In case BG is submitted as EMD, it may be ensured that the original BG is received in ITI before the due date. ITI will not be responsible for any postal delay/damage.
2. Compliances/Approval/registration certificate or any other document required as per eligibility criteria given in the RFP.
3. Signed RFP acceptance letter.
4. Signed Pre-Integrity Pact.

**Other Important Terms & Conditions:**

1. Only the successful bidder will be informed of being the H1. All the techno commercial terms & payment terms will be on back-to-back basis.
2. ITI reserves the right to waive minor deviations and add minor modifications if they do not materially affect the capability of the bidder to perform the contract.
3. It will be the responsibility of the bidder to train and educate the ultimate user for handling and operating the equipment free of cost.
4. Bidder will sign Service Level Agreement (SLA) with ITI. The draft copy of SLA will be as per the customer RfP (in case provided by the customer) or will be provided by ITI. In case of conflict between ITI's terms & conditions and the terms & condition as per customer's RfP the ITI's terms & conditions prevail over said RFP terms & condition.

Additional work may be required to carry out according to the actual site conditions. Any item/Work, which is not specifically mentioned and not paid by customer but necessary for making the system functional, shall be deemed to be included in the scope of the work of the vendor and shall be supplied and installed without any extra cost to ITI.

**Award of Contract:**

Bidder offering the highest margin shall be declared as the H1 bidder. The Financial Bid format is enclosed.

**Payment terms:**

- Payment will be made on back-to-back basis through ESCROW account after realization from end customer.
- No advance payment will be made.

**Training:**

Training of ITI officers/representatives will be the responsibility of the selected Bidders.

**Supply of Accessories: -**

The successful bidder shall provide 2 laptops, 2 black-and-white printers, and 2 color printers for remote monitoring of the installed system. The technical specifications for these items are attached for reference.
