**Record of Proceedings**

At the outset, the representative of the Petitioner submitted that the present Petitions have been filed seeking adoption of the transmission charges discovered through the tariff based competitive bidding process for the “Transmission System for evacuation of power from potential renewable energy zones in Khavda area of Gujarat under Phase IV (7GW): Part D” (‘the Project’) and for the grant of a transmission licence for establishing the said Project. He further submitted that pursuant to the direction of the Commission, the Petitioner has impleaded MSETCL as a party to these Petitions and despite being given several opportunities, MSETCL has not filed any reply in the matter.

2. In response to the specific query of the Commission regarding the status of the affidavit to be filed by the Bid Process Coordinator (BPC) i.e., PFC Consulting Limited (PFCCL), justifying the difference between the normative tariff determined in

accordance with the Commission's norms and the tariff discovered through the competitive bidding process, the representative of PFCCL submitted that efforts were made to convene a meeting of the Cost Committee. However, due to certain exigencies and the non-availability of members from Maharashtra as a result thereof, the meeting could not be held as scheduled last week and has now been rescheduled for today itself. He accordingly requested for a week's time to file the compliance affidavit.

3. Considering the above, the Commission permitted the Respondent, PFCCL, to file its compliance affidavit within a week.

4. The matters will be listed for hearing on **20.6.2025**.
