3. *Empanelment Process*

3.1. *About the Project*

3.1.1. *Introduction*

The OREDA Limited was constituted as a State Nodal agency in the 1984 under aegis of Dept. of Science and Technology, Govt. of Odisha with a view to popularize the exploitation and use of renewable energy resources in the State. Over last 39 years OREDA is being pioneer in implementing renewable energy-based solutions across Odisha. With increasing mandate and requirement about reduction of carbon footprint OREDA is assisting other state departments in planning and implementing the decarbonisation strategies.

Ministry of New and Renewable Energy, Govt. of India has given a target to all States for solarization of all government buildings by December 2025. The government of Odisha has authorized OREDA Limited (OREDA), now under aegis of Energy Department to implement the scheme in the State. .

3.1.2. *General Instruction on Empanelment process*

- The Empanelment is valid as per the validity of the corresponding certifications (IEC/IS etc.) provided the OEMs renews their Empanelment status by paying the annual fee of Empanelment Status.
- All the IEC certifications listed are mandatory.
- During the selection of OEMs, OREDA may ask for any clarifications, if any, with a tentative deadline.
- Qualified OEMs will be empanelled and notified by OREDA and will be published.
- The Manufacturer shall submit the IEC certificates along with test reports for each product and corresponding Data Sheets. The product should be tested from the MNRE approved test centers / NABL/ BIS/ IEC accredited testing-calibration laboratories.
- The manufacturers shall have a minimum four number of service assistance unit / service partner in Odisha State. The manufacturers should provide the details of service assistance unit / service partner with address, name of the contact person, mobile no. and email ID etc. (Bid Form 1). If the manufacturer does not have a service assistance unit / service partner in OREDA, the firm should give an undertaking stating that the firm will set up a service assistance unit or arrange a service partner in OREDA, once empanelled.
- The manufacturers shall furnish the minimum warrantee certificate (OEM warrantee) of minimum 5 years for all the products offered for empanelment.
- Once empanelled, OREDA will conduct factory/warehouse visits to witness the manufacturing process and tests. All associated costs will be borne solely by the empanelled vendors.

- Qualified OEMs would be allowed to supply equipment for the projects undertaken by OREDA for the whole year from LOE.
- OREDA reserves the right to delist such of the manufacturers from the empanelment list in case the performance and service of Solar PV module, Module Mounting Structure is not satisfactory within the guaranteed period.
