In cases where separate identifiable Works can be completed and taken over by the Purchaser and for which separate completion schedule is provided in the Contract, in relation to such Works, the Contract Price shall mean the price relatable to such Works completed and taken over by the Purchaser.
- (xv) **“Contractor”** means the successful bidder whose bid has been accepted by the Purchaser, named as such in the Contract Agreement and included its legal successors and permitted assigns.
- (xvi) **“Contractor's Equipment”** means all appliances or things of whatsoever nature required for the purposes of execution of work and which are to be provided by the Contractor but does not include any Equipment/ Materials intended to form part of Works
- (xvii) **“Project Manager”** means the person appointed by the Purchaser in the manner provided in GCC hereof and named as such in the SCC to perform the duties delegated by the Purchaser
- (xviii) **“Letter of Award”** means notice of acceptance of the bid in writing to the successful bidder, indicating the sum WBREDA will pay for the Works as per ITB.
- (xix) **“Price Schedule”** means the schedules or any part or individual schedule thereof, submitted by the bidder with his bid and forming a part of the Contract Documents. The **‘Engineer-in-Charge’/ ‘Controlling Officer’/ Supervising Officer /Project manager of WBREDA** shall mean the Engineer designated by the WBREDA or for the purpose of carrying out this contract.
- (xx) **“WBREDA’s representative”** shall mean any person or persons or consulting firm appointed/authorized by the Company to supervise, inspect, test and examine workmanship and materials of the work under this scope.

- (xxi) **“Sub-Contractor”** shall mean any person/agency to whom any part of the contract has been sublet by the contractor with the consent in writing of the Company and will include the legal representatives, successors and permitted assigns of such persons/agency.
- (xxii) **“Equipment/materials”** shall mean and include all type of construction equipment & materials etc. required for true and satisfactory completion of the work under this contract.
- (xxiii) **“Workmanship”** shall mean the method/manner in which the jobs of the different items, whether included in the schedule or not but are required for true & satisfactory completion of the work under this contract, are executed.
- (xxiv) **“General Conditions of Contract”** shall mean all the clauses of General conditions of the proposed contract stated hereinafter. The specification shall mean the specification annexed to or issued with the General Conditions and shall include the schedule and drawings attached thereto.
- (xxv) **“GRTSPV System”** mean Grid Connected Rooftop Solar Photovoltaic System.
- (xxvi) The term **“Services”** shall mean all works to be undertaken by the contractor as laid down under the head “scope of work” or elsewhere in the specification enclosed. When the words “approved”, “subject to Approval”. “As directed”, “Accepted”, “Permitted” etc. are used, the approval, judgment, direction etc. are understood to be a function of Company.
- (xxvii) **“Day”** means a calendar day beginning and ending midnight.
- (xxviii) **“Month”/ “Calendar month”** means not only the period from the first of a particular month, but also any period between a date in a particular month, and the date previous to the corresponding date in subsequent month unless specifically stated otherwise.
- (xxix) **“Week”** means seven consecutive calendar days.
- (xxx) **“Writing”** shall include any manuscript, type written, printed or other statement reproduced in any visible form.
- (xxxi) **“Site”** means the place or places, where Works are to be executed by the Contractor or to which Equipment machinery are to be delivered, together with so much of the area surrounding the same as the Contractor shall with the consent of the Purchaser, use in connection with the work other than merely for the purposes of access.

- (xxxii) **“Date of Contract”/ “Commencement Date”** shall mean the as per RfP document
- (xxxiii) **“Zero Date”** will be started as mentioned in the RfP document.
- (xxxiv) **“Program”** means the Program to be submitted by the Contractor in accordance with GCC and any approved revisions thereto.
- (xxxv) **“GCC”** means the General Conditions of Contract.
- (xxxvi) **“SCC”** means the Special Conditions of Contract.
- (xxxvii) **“Specifications”** shall mean collectively all the terms and stipulations contained in this document including the conditions of contract, technical provisions and attachments thereto and list of corrections and amendments.
- (xxxviii) **“Drawings”** means collectively all the accompanying general drawings as well as all detailed drawings, which may be used from time to time or desired by WBREDA.
- (xxxix) **“Approval”** shall mean the written approval of WBREDA and/the statutory authorities, wherever such authorities are specified by any codes or otherwise.
- (xl) **“Manufacturer”** shall refer to the party proposing to design/engineering and construct in complete or in part a particular job/work at their works/premises.
- (xli) **“Labours”** shall mean all categories of labour engaged by the Contractor, his sub-contractors and his piece workers for work in connection with the execution of the worked covered by the specifications. All these labours will be deemed to be employed primarily by the Contractor.
- (xlii) **“Plant”/ “Equipment”/ “Stores”** means and include plant and machineries to be provided under the contract.
- (xliii) **“Delivery of Plant”/ “Delivery of Equipment”** shall be deemed to take place on delivery of the plant/equipment in accordance with the terms of the contract complete in all respect after approval by WBREDA.
- (xliv) **“Tests on Completion”** shall mean all such tests as are prescribed by the specification to be made by the Contractor to the satisfaction of WBREDA before the plant and equipment are taken over by WBREDA and this also includes those tests not specifically mentioned in the specification but required under various BIS codes and relevant Electricity Acts and Rules.

- (xlv) **“Technical Bid”** shall mean the portion of the Bid that contains all documents related to the bidder’s technical capability, financial credentials, and general qualifications, submitted in accordance with the provisions of the RfP. It shall not contain any information related to pricing or commercial offers.

- (xlvi) **“Commissioning”** shall mean the satisfactory, continuous and uninterrupted operation of the equipment/work as specified after all necessary initial tests, checks and adjustments required at site for the period mentioned in the RfP to the satisfaction of WBREDA.

- (xlvii) **“Urgent Works”** shall mean any urgent measures, which in opinion of the Engineer-in- Charge, become necessary at the time of execution and/or during the progress of work to obviate any risk of damage to the structure, or required to accelerate the progress of work or which become necessary for security or for any other/reason WBREDA may deem expedient.
