The Petitioner, Operative Save Urja Solutions Private Limited (hereinafter referred to as 'the Petitioner'), registered under the Companies Act, 2013, has made the present application under Sections 14 and 15(1) of the Electricity Act, 2003 (hereinafter referred to as "the Act") read with Regulation 6(1) of the Central Electricity Regulatory Commission (Procedure, Terms and Conditions for the grant of Trading Licence and other related matters) Regulations, 2020 (hereinafter referred to as "the Trading Licence Regulations"),

amended from time to time, for the grant of a Category 'V' trading licence for inter-State trading in electricity in whole of India.

2. In accordance with sub-Section (2) of Section 15 of the Act read with Clause (4) of Regulation 6 of the Trading Licence Regulations, notices were published by the Petitioner on 30.4.2025 in 'The Indian Express' (Jaipur, Chandigarh, Lucknow, Mumbai, Ahmedabad, Pune, Nagpur, Vadodara & Kolkata editions), in the 'The New Indian Express' (Thiruvananthapuram & New Delhi editions), 'The Meghalaya Guardian' (Shillong edition) and in 'The Financial Express' (Chandigarh, Lucknow, Pune, Ahmedabad, Mumbai, Kolkata, Chennai, Bengaluru, Hyderabad, Kochi & New Delhi editions). It has been submitted by the Petitioner that no objection has been received in response to the public notices.

3. In accordance with Regulation 3(3) of the Trading Licence Regulations, a person applying for a Category 'V' trading licence should have a net worth of Rs. Two crores and should have maintained a minimum current ratio and liquidity ratio of 1:1 as on the date of the Audited Special Balance Sheet accompanying the application. As per the Audited Balance Sheet submitted by the Petitioner as on 30.6.2025, the Petitioner possesses the required net worth, current ratio, and liquidity ratio for the grant of a Category 'V' trading licence. Accordingly, the Commission, vide order dated 19.7.2025, came to the conclusion that the Petitioner is *prima facie* qualified for the grant of a Category "V" licence for inter-State trading in electricity.

4. Based on the above consideration, the Commission, vide its order dated 19.7.2025, had proposed to grant a Category 'V' inter-State trading licence to the

Petitioner. The relevant portions of the said order dated 19.7.2025 are extracted as under:

*“15. In accordance with Clause (2) of Regulation 3 of the Trading Licence Regulations, the Petitioner should have at least one full-time professional with qualifications and experience in power system operation and commercial aspects of power transfer, finance, commerce, and accounts. Vide ROP dated 5.6.2025, the Petitioner was directed to clarify whether the professionals whose details are submitted in the Petition in terms of Regulation 3(2) of the Trading Licence Regulations 2020 are full-time professionals in the company, and also provide their designations. In this regard, the Petitioner vide its affidavit dated 5.7.2025 has submitted that Mr. Vishal Goyal, PG Diploma from NPTI and MBA in operation management, is a Director, Business Development, has 16 years’ experience in power generation and regulatory affairs, and Mr. Anshul Gupta, FCA, B.Com. No suggestions or objections have been received in response to the notice issued by the Commission.

6. The case was called out for the hearing on 7.8.2025. The representative of the Petitioner submitted that no objection had been received in response to the public notice

published by the Commission under sub-Section (5) of Section 15 of the Act. He further submitted that the Petitioner's company would comply with the requirements specified in the Trading Licence Regulations during the subsistence of the trading licence, i.e., till 25 years, if granted.

*Provided that no application shall be rejected, unless the applicant has been given an opportunity of being heard.”.*
