कार्यालय ज्ञापन / OFFICE MEMORANDUM

Subject: Amendment in Import Policy Condition of specific items covered under Chapter 70, 73, 84 and 85 of ITC (HS) 2022, Schedule –I (Import Policy) - Reg.

The undersigned is directed to refer to the proposal received from the Ministry of New & Renewable Energy (MNRE) regarding the establishment of the Renewable Energy Equipment Import Monitoring System (REEIMS) for monitoring imports of equipment used in the solar and wind power generation sector.

2. The matter has been examined in this Directorate, and a draft notification (copy enclosed) has been prepared for amending the import policy conditions of specific items covered under Chapters 70, 73, 84, and 85 of ITC (HS), 2022, Schedule-I (Import Policy).

3. Accordingly, MNRE is requested to kindly provide update/information on the following points for further examination of this Directorate:

- With reference to para 1(vii) of the draft notification, MNRE may confirm the exact date of implementation of REEIMS to avoid ambiguity among importers.
- The proposal for API integration with DGFT portal for real time access of data may also be shared with the DoC/DGFT to enable the concerned policy divisions to analyse the data.

Notification No. /2025-26
New Delhi, Dated: August, 2025

Subject: Amendment in Import Policy Condition of specific items covered under Chapter 70, 73, 84 and 85 of ITC (HS) 2022, Schedule -I (Import Policy) -reg.

S.O. (E) In exercise of powers conferred by Section 3 and Section 5 of Foreign Trade (Development & Regulation) Act, 1992, read with paragraph 1.02 and 2.01 of Foreign Trade Policy (FTP) 2023, as amended from time to time, the Central Government hereby makes the following amendments under Chapter 70, 73, 84 and 85 of ITC (HS) 2022, Schedule -I (Import Policy), with immediate effect.

1. Policy conditions 01 of chapter 70, 04 of chapter 73 and 05 of chapter 84 and Policy Condition no. 09 of the Chapter 85 is introduced as under:

- i. Items under HS Code 70071900, 85414200 and 85414300 which are exclusively used for solar energy projects, must be mandatorily registered on Renewable Energy Equipment Import Monitoring System (REEIMS) of Ministry of New and Renewable Energy, prior to import.
- ii. Items under HS Code 73082019, 84833000, 84834000, 85016420, 85016430, 85023100, 85030090, having end-use in the area of wind operated electricity generation, will require REEIMS registration.
- iii. This Policy condition shall apply to imports through air cargo, sea cargo and land route.
- iv. Applications for registration must be submitted at least two days in advance for air cargo, five days in advance for sea and land route shipments.
- v. Each registration will remain valid for a period of three (3) months.
- vi. There will be no registration fee. Each registration will be specific to a designated seaport, airport or land port; however, multiple consignments can be processed under a single registration.
- vii. The REEIMS will also include a provision for the importer to declare the intended end-use of the imported products/components for the above
