The similar work mentioned above involves:

“Supply, Installation, Testing and Commissioning AND/OR Installation, Testing and Commissioning AND/OR Operation and Maintenance **of Grid-Interactive Solar Photovoltaic Plant (Plant Capacity 500 KW and Above) in India.**

OR

Execution of work involving maintenance AND/OR Supply, Installation & Commissioning AND/OR Installation & Commissioning of any of the following equipment with an HT voltage rating of 11.0 kV or above:

- High-Tension (HT) Circuit Breakers (e.g., VCB/SF6)
- High-Tension (HT) Electrical Panels and switch gear
- High-Tension (HT) Power/Distribution Transformers”

Note:

- i) The experience of bidding entity only will be considered.
- ii) In case the work order submitted by the Bidder is in multiple currency/ non INR, the same shall be converted in equivalent INR considering the conversion rate as on the date of issue of the reference order(s) based on TT selling exchange rate published by SBI or RBI/ Other scheduled bank/ Customs Notified exchange rate/ any other reputed Financial Institutions. Conversion rates from the above sources are to be used uniformly for evaluation of all bidders participating in the tender.
- iii) The qualification documents shall include copy of work order (WO) along with Completion certificate, issued to the Bidder as a main Contractor or as a subcontractor, clearly specifying WO number, description of work, final executed value and actual completion date. In case, if the value of executed amount is not specified in the completion certificate, Bidder shall submit certified copy (by order issuing authority/ consultant) of final bill/

invoice. Copy of TDS Certificate is required to be submitted in case where the tender issuing authority specifically asks for the same.

Whenever a contractor had worked as a sub-contractor to main contractor, their experience also can be considered. In case bidder submits prior experience as a sub-contractor, the bidder has to submit a certificate from the end User/ Owner/ Consultant/Main Contractor of the owner engaged as EIC (Engineer-In- Charge) for the execution of the said works.

The bidder has to submit a certificate from the end user / owner / consultant of the owner acting as EIC stating that sub-contracting have been approved/ permitted.

CA certificate certifying the executed value of works shall be submitted along with UDIN no for works executed as a subcontractor.

iv) In case, the executed value of job is more than work order value and bidder claims for meeting the PQC requirement on the basis of executed value then it is the responsibility of the bidder to submit the documentary evidence of final executed value (such as executed value mentioned in completion certificate etc.) along with his bid.

v) If bidder has submitted a composite work order for evaluation and the AMC/CAMC /PWAMC/O&M is going on, after supply and installation part is completed by the Contractor as per completion certificate, the same is to be considered as completed work and the amount towards supply and installation shall be considered for qualifying the bidder in PQC towards experience criteria. Further, Such work orders in which both supply & installation and AMC/CAMC/PWAMC/O&M is completed, the same shall be treated 'At Par' with the other work orders and bidder is required to submit the copy of work order and completion certificate for the complete work including AMC/CAMC/PWAMC/O&M part.

vi) Evaluation for ARC/AMC/CAMC/PWAMC/ shall be done by annualising the work order executed value submitted by the bidder. For ARC jobs, the non-ARC experience submitted by the bidder is also to be annualized for jobs which are more than one year duration. Clause is not applicable for tenders with completion period is less than

12 Months. **(Applicable /~~Not Applicable~~ for this tender)**

vii) It may be noted that for ARC/AMC/CAMC/PWAMC, the annualized value of a work order will be determined based on its executed amount and actual completion period if it takes more than one year. For work orders finished within a year, the executed value will be considered for evaluation. Work order submitted will include all types i.e AMC/ARC/PWAMC or otherwise. **(Applicable /~~Not Applicable~~ for this tender)**

viii) The executed value of completed work submitted by the bidder shall be considered during evaluation for experience criteria of PQC

ix) A job executed by a bidder for its own plant/ projects can't be considered as experience for the purpose of meeting requirement of BQC of the enquiry document. However, jobs executed for Subsidiary/~~Fellow subsidiary~~ / Holding company will be considered as experience for the purpose of meeting BQC subject to submission of tax paid invoice(s) duly certified by Statutory Auditor of the bidder towards payments of statutory tax in support of the job executed for Subsidiary/~~Fellow subsidiary~~/ Holding company. Such bidders to submit these documents in addition to the documents specified above to meet BQC

x) Bidders are required to ensure that the value of completed job indicated by them depicts separately the value of completed job and GST/ Service tax as applicable. Accordingly, the completion certificate submitted by the Bidder should separately indicate the Service tax/ Goods and Services tax amount included in the value of completed job OR a separate certificate from the respective client, mentioning the Service tax/ Goods and Services tax amount if any, included in the value of completed job under consideration, should be submitted by the Bidder.

In case Service tax/ Goods and Services tax amount/ component is not specified in the submitted completion certificate, then it shall be presumed that the amount mentioned in the certificate is including Goods and Services tax/ Service tax (whichever is applicable) and the offer shall be evaluated accordingly.

xi) For Annual Rate Contracts (ARC) of repetitive nature, similar ARC job that has been successfully completed by Bidder for the originally awarded period of such ARC, shall be considered as completed works even though such ARC is under execution on account of extension. However, the original contract must have been completed within the cut-off date of completion as mentioned under Clause No. 30.1.2 above and supporting documentary evidence regarding date of completion and executed value of work till that cutoff date shall be provided by the Bidder.

xii) Notwithstanding any other condition/ provision in the tender documents, bidders are required to submit complete documents pertaining to Pre-Qualification Criteria (PQC) along with their offer. Failure to meet the PQC will render the bid to be rejected. IOC reserves the right to complete the evaluation based on the details furnished by the bidder, with or without seeking any additional supporting documents/ clarifications. If the bidder does not comply or respond within the period specified by IOC, its tender shall be liable for rejection. If the bidder has not submitted any PQC document and has also not specified any completed work pertaining to PQC, no query shall be sent to the bidder and its bid shall be summarily rejected. No post bid clarification at the initiative of the bidder shall be entertained.

Complete details as per Clause 30.1.2 of SIT (Section-B: Commercial)
