**SECTION-II**  
**INTENT OF EOI**

## INTENT OF EOI

### 2.1 Introduction

SJVN Green Energy Limited (SGEL), a wholly owned subsidiary of SJVN Limited (Navratna CPSE), invites Expression of Interest (EOI) from interested entities for purchase of SGEL-owned Solar PV Modules stored at two locations in India (Details provided below).

This Expression of Interest (EOI) is being issued to assess market interest and explore optimal commercial avenues for value realization of 712 MWp Solar PV Modules available with SGEL at two locations across India as detailed below.:

Sr. No.	Capacity (MWp)	Supplier	Model No.	Location	Receipt Period
1	144.065	Das Solar Co. Ltd.	DAS-DH144NA (580W)	Village Bhadra Mota, District Kutch, Gujarat	April-May 2024
2	284.6716	Econess Energy Co. Ltd.	EN182M-144 (550W)	Mu Mohija Paranda, Post Kurula, Tehsil Kandhar, District Nanded, Maharashtra	
3	284.1616	Hefei GCL System Integration New Energy Technology Co., Ltd.	GCL NT10/72GDF (580W)		
Total 712.8982 MWp Monocrystalline Solar PV Modules (including Bifacial Double Glass Modules and Mono PERC Modules)					

### 2.2 Objective

This Expression of Interest (EOI) is intended to:

- Identify prospective buyers/agencies for purchase of modules on outright basis
- Assess feasible commercial modalities including lot-wise / location-wise disposal, with indicative lot size of 50 MWp, or any other configuration as may be finalized by SGEL based on market response.
- Obtain inputs on quantity, logistics, and lifting mechanisms.
- Facilitate structuring of subsequent tender/auction process.

### 2.3 Commercial Approach & Process Flexibility

This Expression of Interest (EOI) is exploratory in nature. Based on the response received, SGEL may, at its sole discretion, adopt an appropriate mechanism for potential sale of Solar PV Modules, including but not limited to:

- Competitive bidding / tendering

- Electronic auction (e-auction)
- Closed bid process
- Lot-wise, block-wise, bulk, or structured sale arrangements
- Any combination of the above

The final approach, including quantity allocation, pricing mechanism, and engagement model, shall be determined by SGEL based on market response, commercial considerations, and internal approvals. **No Applicant shall have any claim or right based on any indicative process or participation in this EOI.**

#### **2.4 Non-Binding Nature**

This Expression of Interest (EOI) is non-binding in nature and is issued solely for the purpose of market assessment and price discovery. It does not constitute any commitment on the part of SGEL to proceed with any transaction. SGEL reserves the right, to:

- Modify the scope, quantity, or structure of the proposed sale
- Proceed with or not proceed with any subsequent tender, auction, or negotiation
- Engage with one or more Applicants
- Accept or reject any or all responses
- Cancel, withdraw, or suspend the process at any stage

at its sole discretion, without assigning any reason and without incurring any liability whatsoever.

#### **2.5 Details of Solar PV Modules.**

The Solar PV Modules are presently stored at designated locations in their original packaging. Relevant details including make, model, rating, year of receipt, and available documentation have been provided in this EOI and its Annexures for reference.

Interested Applicants are encouraged to undertake site inspection and carry out their own technical evaluation, including representative sampling and performance verification, to assess suitability for their intended use.

The modules are being offered on “as is where is”, “as is what is”, and “no complaint” basis. Applicants are expected to satisfy themselves through independent due diligence prior to submission of their response and participation in any subsequent process.

The modules were procured prior to the current regulatory framework relating to the Approved List of Models and Manufacturers (ALMM). Applicants shall independently assess regulatory applicability and suitability of the modules for their intended application, in accordance with prevailing laws and guidelines.

The modules are currently covered under insurance for storage at respective locations in the interest of SGEL. Such coverage shall not extend to or be transferable to the purchaser. Upon handover, all responsibilities relating to handling, lifting, transportation, storage, and usage shall rest with the purchaser.

The details relating to quantity, palletization, technical parameters, and other specifications provided in this EOI are indicative and intended to facilitate assessment. Applicants are advised to verify the same through inspection and due diligence.

No claim shall be entertained after completion of the transaction, and the purchaser shall be deemed to have satisfied itself regarding all aspects of the modules prior to purchase.

## 2.6 Warranty (OEM)

The Solar PV Modules were procured from established manufacturers, and relevant documentation, as available with SGEL, may be shared with interested Applicants for reference.

Any manufacturer's warranty, if applicable, shall be governed by the terms and conditions of the respective OEM. Applicants may independently assess the applicability and transferability of such warranty, if any.

## 2.7 Inspection & Verification

Interested Applicants should undertake site inspection and satisfy themselves regarding the quantity, specifications, and suitability of the modules prior to submission of their response.

Applicants may carry out such inspection, including representative sampling and verification, in coordination with SGEL.

Participation in the process shall be deemed to constitute that the Applicant has undertaken adequate due diligence. No claim shall be entertained after completion of the transaction.

**The contact details of the concerned officials for coordination of the site visit are as follows:**

Sl. No.	Location	Contact Detail of coordinating Officer
1	Village Bhadra Mota, District Kutch, Gujarat	Name: Darshan Patel Designation: Engineer (Elect.) Mob. No.: 9978161385
2	Mu Mohija Paranda, Post Kurula, Tehsil Kandhar, District Nanded, Maharashtra	Name: M.Prudvinath Designation: Engineer Ph : 7877469010

## 2.8 Disclaimer

The invitation of this Expression of Interest (EOI) is for market assessment and price discovery only and shall not be construed as a commitment by SGEL for sale or award of any contract.
